into art history as you ve never seen it before from the host of the beloved ArtCurious podcast We re all familiar with the works of Claude Monet thanks in no small part to the ubiquitous reproductions of his water lilies on umbrellas handbags scarves and dorm room posters But did you also know that Monet and his cohort were trailblazing rebels whose works were originally deemed unbelievably ugly and vulgar And while you probably know the tale of Vincent van Gogh s suicide you may not be aware that there s pretty compelling evidence that the artist didn t die by his own hand but was accidentally killed or even murdered Or how about the fact that one of Andy Warhol s most enduring legacies involves Caroline Kennedy s moldy birthday cake and a collection of toenail clippings ArtCurious is a colorful look at the world of art history revealing some of the strangest funniest and most fascinating stories behind the world s great artists and masterpieces Through these and other incredible weird and wonderful tales ArtCurious presents an engaging look at why art history is and continues to be a riveting and relevant world to explore Portrait of a Killer Bo G. range of countries including the UK the USA New Zealand Romania Germany and France Through a consideration of how we have come to perceive art crime and the gendered language associated with its documentation this pioneering study questions why women have been left out of the discourse to date and how by looking specifically at women we can gain a more complete picture of art crime history A Companion to Ancient Greece and Rome on Screen Arthur J.

The horrific murders of Holly Wells and Jessica Chapman shocked and sickened the nation. The man found guilty of their murders is now one of the most reviled men in the country. As if his crime was not dreadful enough, he has recently admitted that he lied under oath about the circumstances of one of the murders. This in-depth book is written by investigative journalist Nathan Yates, who witnessed the murder hunt first hand and even interviewed Huntley and former girlfriend Maxine Carr. Yates also has an exclusive source for contact with Ian Huntley and will have further revelations about how far Huntley has lied about what happened that tragic day.
