**Portraits from the Beginnings** Sanna Barlow Rossi,2004-11      **Beginning the Walk** Mary Bennett,Ron Bennett,The Navigators,2018-06-05 Following Jesus Start Here Following Jesus isn t always clear cut Fortunately many people have walked the path ahead of us and we can learn a lot from them Learn what you ll need from some of Jesus earliest followers in this 18 lesson Bible study Paul John and others will make sure you re ready for the journey Beginning the Walk provides you the essentials you ll need along the way including your identity in Christ faith the Word prayer community grace and the Holy Spirit s guidance There s no need to feel lost Find the resources you need and stay focused on Christ every step of the way Note Beginning The Walk combines and replaces three earlier books Jesus The Way 9781576833490 Jesus The Truth 9781576837078 and Jesus The Life 9781576837085      The Beginning of the Story Timothy J. Geddert,2023-10-03 Rediscover the essential beginning of the most important story ever told Although the Bible contains sixty six books that usually span over a thousand printed pages most Christians turn first and sometimes only to the New Testament So often Christian readers have little idea what to do with the Old Testament if we read it at all Sure we value a few well known stories and use a few psalms for personal devotions and for worship Beyond that many Christians find the Old Testament mostly confusing troubling or irrelevant But to understand the Bible as the grand story that it is the story of God s dealings with humanity and relationship to the whole universe we must learn to read the first three quarters of Scripture as Jesus did and as the New Testament teaches us to do Walking through the arc and major themes of the Old Testament narrative author and biblical scholar Timothy J Geddert guides curious readers of the Word into a fruitful and fulfilling reading of the Bible s first thirty nine books restoring joy in reading and studying the most important story ever told      **Writings of John Jewell. [With a portrait.]** John JEWEL (Bishop of Salisbury.),1831      **In the Beginning** Nicola Currie,Jean Thomson,1995

*Portraits of Jesus* Michael R. Cosby,1999-01-01 This book provides a learning by doing approach to the study of the Gospels It allows students to uncover literary patterns theological issues and interpretive problems through close readings of primary sources Questions are asked along the way that help readers understand the shape of the narrative and the themes important to each Gospel writer      Portraits of God Allan Coppedge,2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God s actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In *Portraits of God* Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the

mysteries of God's very being In Portraits of God Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God's own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in Portraits of God a treasure of scholarship and truth Everyone's Guide to Hebrews Neil R. Lightfoot,2002-11-01 The Book of Hebrews holds a unique place in the New Testament It uses a highly literary vocabulary of ritual and ceremony Its author is unknown And it is steeped in references to the Old Testament Sometimes these differences from the other New Testament epistles make Hebrews difficult for contemporary readers to understand Everyone's Guide to Hebrews written by respected Bible teacher Neil Lightfoot takes readers through the intricacies of this special book and into the two great themes that govern it the person of Christ and the work of Christ The book is ideal for Bible classes with study questions included at the end of each of the fourteen chapters It is equally useful for grasping the meaning of the text in personal study small groups or sermon preparation This popular commentary or guide gives readers a close up look at one of the masterpieces of the Bible and enables them to appreciate its majestic language and style its bold declarations its sweeping arguments and its heartfelt pleas to continue in the faith

Walking With God Through Painful Circumstances Aliyah Graceson,2019-11-12 Sometimes the path of our life is disrupted and we don't understand what happened It may be the result of our own action or it may be the result of someone else's choices Regardless of how or why it occurred GOD is able to step into our pain confusion or dark situation and move us to the NEXT in our lives places we would have never moved to because we had no idea they existed or because we were too comfortable or because we were too fearful to get up and take a chance I call them DIVINE DISRUPTIONS When the enemy thinks he's in control or thinks he's backed us into a corner YET GOD steps in to deliver us to something much better than we experienced before Divine disruptions I've had many but some have been much more significant than others They are so powerful and awesome because ONLY GOD can get the glory for them Nobody else can One day I woke up to what I thought was another normal day not realizing that by the end of it my marriage would be shattered and that I'd find myself in a very dark place I was in the midst of a storm that suddenly swept me off my feet and carried me down a path I wasn't prepared for the path of divorce Over the course of a little over a year I traveled through extremely tough terrain that tested my strength and my faith Thankfully the enemy's attempts to destroy me were divinely disrupted by God and God in great mercy picked

up the pieces and used them mightily While walking with Him I learned many lessons about myself and others and I met people and went places that would have never been part of my journey had it not been disrupted I came to realize that my life was interwoven with these divine disruptions and God interventions enabling me to be a partaker of His amazing grace in the midst of my troubles I refer to the aftermath of them as portraits of grace God s word is filled with these portraits in the lives of everyday people like you and me They re visible in the aftermath of real life ups and downs and challenges and conflicts as they walked through them with God Real people experiencing God s real grace and God at work in them and in us both to will and to do of His good pleasure So join me on a journey that includes a window into a very difficult period of my life and see how God graciously walked me through it This book is about two imperfect people who made choices that caused the dissolving of their marriage and God in His great mercy and grace picking up the pieces and using them mightily to bless others It s a portrait of His redeeming power in the midst of destruction His incredible wisdom to guide His ability to give perception beyond what s apparent and His grace that is truly sufficient for any thorn that may be lodged within And while the backdrop of my story is betrayal and divorce I believe the lessons I learned can be applied to your story as well I found Him to be a Mighty Counselor and an excellent Coach and I m sure you will too *Portrait of a Leader* Tim Elmore,2000

Patrick Ramsey,2013-04-01 What is Jesus like What kind of a person is he Is he emotional or stoic Is he proud or humble Is he aloof or friendly This book attempts to answer these types of questions After demonstrating that Jesus is the promised Christ and that he is both divine and human this book examines Jesus personal characteristics as they are displayed in the four Gospels The four Gospels are clearly not a typical biography of Jesus Nonetheless they do provide an informative account of his life here on earth from which we can discover what he is like as a person **Grove Chapel Pulpit.
