History Broadens the reader's understanding of women's roles in furthering God's kingdom throughout history Foreword by Karen Swallow Prior *Portraits of God* Allan Coppedge, 2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God's actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In *Portraits of God* Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God's very being In *Portraits of God* Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God's own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in *Portraits of God* a treasure of scholarship and truth *Great Missionaries Throughout the Ages: 15 Portraits of Faith and Courage* Gaëlle Tertrais, 2022-10-10 Paul the Apostle Martin of Tours Augustine of Canterbury John of Montecorvino Pedro de Gante Junípero Serra Lucille Mathevon Follow the inspiring adventures of 15 great men and women who traveled to faraway lands often risking their lives to share their love for Jesus Discover how they overcame great challenges to spread the Gospel Full of fascinating stories beautiful illustrations maps and historic information this captivating book will inspire children to be a great missionary too **Portraits, the Face of a Century in Faith** R. James Taylor, 2005 [Portraits of Jesus in the Gospel of John](#) Robert P. Lightner, 2007-01-15 In his Gospel John presented Jesus as the Son of God by painting portraits pictures of him The author of this volume displays twenty nine of these portraits for us to look at and even study The reader who observes these portraits carefully will come to know the Lord Jesus Christ in new and deeper ways After each portrait is examined there are applications for daily living and simple study questions drawn from the portrait This book is all about Jesus the Living Word set forth in the Written Word and is intended for individual and group use [The Five Portraits of Jesus](#) William MacCallum Clow, 1925 [Stable Faith](#) Jim Schmitmeyer, 2006 All the people in these stories discover the gift of grace through their work with horses Like all things spiritual the brand of grace encountered in the equine world kneads its way into the sinews of the entire person As you read these stories which are poignant and poetic simple and strong you will undoubtedly gain a sharper focus on the grace waiting to unfold in your own life **Luke's Portrait of Gentiles Prior to Their Coming to Faith** Christoph W. Stenschke, 1999 Christoph W Stenschke examines Luke's portrait of the Gentiles

state prior to their coming to Christian faith Following the history of research he commences with Luke s direct references to the Gentiles prior to faith and then draws conclusions concerning their state from the Gentile encounter with Jesus and Christian salvation This includes Luke s notes on the condition of Gentiles and on their appropriation of salvation Finally conclusions from Luke s portrayal of Gentile Christians are drawn With his approach Christoph W Stenschke challenges some previous contributions to Lukan anthropology He argues that the main study in the field J W Taeger *Der Mensch und sein Heil* does not sufficiently consider all the evidence By concentrating on the Gentiles in Luke Act including Samaritans and God fearers the author s thesis covers all the relevant material Contrary to Taeger who suggests that Gentiles do not need salvation as much as correction he discovers that Luke portrays Gentiles prior to faith in a condition requiring God s saving intervention Thorough correction has to accompany and follow this salvation Though allowing for distinct Lukan emphases this portrait is not essentially at odds with that of other NT authors These results further show that the Areopagus speech needs to and can be satisfactorily interpreted in its context and in conjunction with similar statements The author further argues that Luke s narrative sections and the characterization they present should no longer be neglected in favour of the speeches Luke s portrayal of Gentiles prior to faith also bears on his understanding of sin and provides additional justification for the Gentile mission Christoph W Stenschke challenges proposals of Luke s alleged anti Judaism and provides some hitherto little noticed correctives

Four Portraits, One Jesus Mark L. Strauss, 2007 To Christian believers the Gospels record the greatest story ever told the events of the life death and resurrection of Jesus the Messiah They narrate the climax and turning point in human history when God acted decisively to achieve salvation for people everywhere To study the Gospels is to study the foundation of Christianity
