Coppedge, 2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God's actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God's very being In Portraits of God Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God's own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in Portraits of God a treasure of scholarship and truth The Art of Forgiveness

Myk Habets, Philip Halstead, 2018-10-31 Forgiveness is at the heart of the Christian Gospel It goes hand in hand with love mercy and grace the fundamental theological virtues However forgiveness is easier to define than it is to embody This unique collection of essays brings together theologians ethicists and ministry practitioners into a constructive dialog which explores the complex and crucial concept of forgiveness what it is where it is to be found and how it might be practiced These essays

reflect the perspectives of those from various traditions who nonetheless take the Christian Scriptures seriously believe that forgiveness is central to living out the Gospel and are creative in the ways in which forgiveness can be practiced Forgiveness is an art and not simply a science as such it requires trust skill and hope alongside love mercy and grace if it is to be embodied This volume offers a unique window into the art of forgiveness and the faithful and innovative ways in which it is to be understood embodied and cultivated

**Portraits of Extraordinary Women**, 1997 Father William Maestri has written verbal portraits of 24 fascinating women in the Bible pointing out their virtues and vices strengths and weaknesses isolating their essences in the conviction that each has something to offer in terms of example *Freedom to Heal* Tammy

**God** Harold T. Bryson, 1978 **Portraits of Adam in Early Judaism** John R. Levison, 2015-01-29 This book provides the most thorough and systematic analysis of early Jewish interpretations of Adam currently available With detailed exegesis Levison demonstrates that each early Jewish author painted a unique portrait of Adam by utilizing Adam to express a particular preconceived theological Tendenz This study therefore displaces the notion that a unified Adam mythology existed in early Judaism with the recognition that each author readily adapted the early chapters of Genesis according to specific needs and aims Alongside an introduction which surveys studies of early Jewish interpretations of Adam and studies on the Adam cycle this book contains analyses of all relevant passages from Sirach Wisdom of Solomon Philo Jubilees Josephus 4 Ezra 2 Baruch Apocalypse of Moses and Vita Adae et Evae This monograph is an indispensable tool for both Old and New Testament studies providing a variety of early Jewish examples of biblical exegesis from c 200 BCE to 135 CE as well as insight into the milieu within which Paul and other early Christian writers formulated their own unique interpretations of Adam **Sermons on Doctrinal and Practical Subjects. **Contemplations Moral and Divine, etc. With a portrait** Matthew Hale, 1704 **"Born Again": A Portrait and Analysis of the Doctrine of Regeneration within Evangelical Protestantism** Stephen J. Hamilton, 2017-04-03 Stephen J Hamilton attempts to create a portrait of born again Christianity by providing a general introduction to the doctrine of regeneration including its development in modernity as well as short exegeses of relevant scriptural texts followed by a close reading of four theologians Philipp Jakob Spener Jonathan Edwards Friedrich D E Schleiermacher and Charles G Finney who all associate the doctrine of regeneration with an experience of presence in the individual believer In light of these analyses he then traces a general theological structure of the born again understanding of regeneration including a catalogue of theological issues over which there is significant disagreement in order to create a topography of born again theologies In

the final section he applies these results to contemporary conversion narratives of non theologians It is in such conversion narratives the author argues that theologians can discover an implicit lived theology that reveals how doctrines are perceived and put into practice among Christians Accordingly this is to be understood as the result of the creative reciprocity between often tacit theological convictions and the experiences of the Christian life The final chapter as a coda to the entire work offers some concluding reflections on the present cultural and political situation in the USA pertaining to born again Christianity and argues against any oversimplifications of the relationship between born again theologies culture and politics

**Portraits of Forgiveness** Patrick Hull,2001-04 Portraits of Forgiveness is a tale of life love and the law in rural Tennessee Chad Atkins has become deaf and his mother Anne blames his doctors who refuse to talk to her As a medical malpractice suit filed by country lawyer Sam Trestle begins to rip Anne s family apart Anne is forced to choose between money revenge truth and compassion as she fights to prove her case against the medical establishment and the powers of a small Tennessee town From Chad s illness through the legal technicalities of a complex lawsuit this is at once the heartfelt story of a mother s pain her desire for revenge and her struggle for peace Portraits of Forgiveness builds to a surprising courtroom climax but ultimately leaves us with truths that endure far longer than the twists and turns of this captivating drama

**A Portrait of Jesus** T. A. Prickett,2010-07 The impulse to publish these sermons came to me after I had successfully published my book For Our Age of Anxiety based on the Sermon on the Mount All of these sermons were first written and preached while I was pastor of the Seven Hills Baptist Church in Owensboro Kentucky where I served for thirty four years As I considered the idea of publishing a follow up book of sermons from the remaining chapters of Matthew I went to my files and began the process of selecting the sermons to be included After I had selected these sermons I began to see that they could be put together under the theme of a portrait of Jesus This book features sermons that focus on the early days of the ministry of Jesus particularly as they related to the ministry of John the Baptist They also shed some light on the temptations of Jesus in the desert on the call of those who would be his first disciples and what is involved in being a disciple of Jesus then and now Some of the sermons are based on the miracles of Jesus thus revealing the compassion of Jesus These sermons also deal with the idea of the Kingdom of God showing some of the principles and characteristics of the Kingdom The last two sermons are about the person of Jesus It is my hope that these sermons will indeed help the reader to draw his or her own mental and spiritual portrait of Jesus

**Portraits of Jesus** Robert Imperato,2022-09-01 This is an introduction to the New Testament portrayals of Jesus of Nazareth Analysis of editorial emphases by each author gives access to the ways Jesus is characterized This is an introductory guide to the ways Jesus is depicted in the New Testament Both college students and the general reader will find here a variety of New Testament understandings of Jesus that are rooted in critical reading of the four Gospels and Pauline letters Underlining these particular portrayals is the historical Jesus a prophet mighty in word and deed who challenged the people running the Temple state This new addition gives attention to his historical

context and adds to a realistic understanding of this most studied book and person This work presumes neither religious faith nor lack of faith its aim is to inform and to give the readers portraits as synthetic balance to the vital work of analysis Ideally this book should be read with a copy of the New Testament at hand to answer questions and to test the assertions of reader and author *Forgiveness of Sins; Or, God Reconciled in Christ* Henry Law (Dean of Gloucester.),1876 **Luther by a**

**Lutheran; Or, A Full Length Portrait of Doctor Martin Luther ...** R. Weiser,1848 **Portraits and Philosophy** Hans Maes,2019-11-20 Portraits are everywhere One finds them not only in museums and galleries but also in newspapers and magazines in the homes of people and in the boardrooms of companies on stamps and coins on millions of cell phones and computers Despite its huge popularity however portraiture hasn t received much philosophical attention While there are countless art historical studies of portraiture contemporary philosophy has largely remained silent on the subject This book aims to address that lacuna It brings together philosophers and philosophically minded historians with different areas of expertise to discuss this enduring and continuously fascinating genre The chapters in this collection are ranged under five broad themes Part I examines the general nature of portraiture and what makes it distinctive as a genre Part II looks at some of the subgenres of portraiture such as double portraiture and at some special cases such as sport card portraits and portraits of people not present How emotions are expressed and evoked by portraits is the central focus of Part III while Part IV explores the relation between portraiture fiction and depiction more generally Finally in Part V some of the ethical issues surrounding portraiture are addressed The book closes with an epilogue about portraits of philosophers Portraits and Philosophy tangles with deep questions about the nature and effects of portraiture in ways that will substantially advance the scholarly discussion of the genre It will be of interest to scholars and students working in philosophy of art history of art and the visual arts *Soul Portrait* Sally Zuck McBain,2012-02 *Three Strikes, You're Forgiven* Micah E. Davis,2025-09-16

When the going gets tough When you ve been let down repeatedly When you ve failed over and over again In those moments it s easy to feel overwhelmed and lost Failure can leave us feeling defeated and ashamed and we often try to avoid it by striving for perfection But the truth is failure is a part of being human We can t earn our way into love acceptance or heaven and life isn t about success versus failure But there is hope The gospel shows us that failure doesn t have to define us that failure isn t final Through his death and resurrection Jesus took on all our mistakes and forgave them In *Three Strikes You re Forgiven* Pastor Micah E Davis invites us to let go of our restless pursuit of perfection and to find rest in Christ Micah shares powerful spiritual truths about forgiveness and grace guiding us through four necessary acts forgiving others asking for forgiveness forgiving ourselves and forgiving God He explores what forgiveness is what it isn t and how to practice it how to understand biblical forgiveness and offer it to others the beauty of forgiveness and why it s essential to healing relationships with others ourselves and God *Three Strikes You re Forgiven* shows us that on the other side of failure is forgiveness We ll learn how forgiveness mercy reconciliation and redemption can free us from bitterness and anger releasing us into a life of
