Portraits Of Hope Conquering Breast Cancer

Pasquale De Marco

Portraits Of Hope Conquering Breast Cancer:

Portraits of Hope Marcia Stevens Sherrill, 1998 **Portraits of Hope** Marcia Stevens Sherrill, 1998 fifty two very personal stories in which people from diverse backgrounds reveal how breast cancer irrevocably changed their lives P 4

The Breast Cancer Wars Barron H. Lerner, 2003 Chronicles the various campaigns waged against breast cancer and its effects on women during the last century *After the Cure* Emily K. Abel, Saskia K. Subramanian, 2010-08-30 From the book jacket Chemo Brain Fatigue Chronic Pain Insomnia Depression These are just a few of the ongoing debilitating symptoms that plague some breast cancer survivors long after their treatments have officially ended *After The Cure* is a compelling read filled with fascinating portraits of women who are living with the aftermath of breast cancer Having heard repeatedly that the problems are all in your head many don't know where to turn for help The doctors who now refuse to validate their symptoms are often the very ones they depended on to provide life saving treatments Sometimes family members who provided essential support through months of chemotherapy and radiation don't believe them Their work lives already disrupted by both cancer and its treatment are further undermined by the lingering symptoms And every symptom is a constant reminder of the trauma of diagnosis the ordeal of treatment and the specter of recurrence Most narratives about surviving breast cancer end with the conclusion of chemotherapy and radiation painting stereotypical portraits of triumphantly healthy survivors women who not only survive but emerge better and stronger than before *After The Cure* allows us to hear the voices of those who are silenced by the optimistic breast cancer culture women who live with a broad array of health problems long after therapy ends Here at last survivors step out of the shadows and speak compellingly about their real stories giving voice to the complicated often bittersweet realities of life after the cure *The Publishers Weekly*, 1998 **A Portrait of Breast Cancer** William D. Smith (Ph.D.), 1996 **Good Housekeeping**, 1998 *Ev@lución* Faith Popcorn, 2001 Literary Market Place, 2000 *Literary Market Place* 2001 is the ultimate insider's guide to the U S book publishing industry covering every conceivable aspect of the business In two easy to use volumes it provides 50 sections organizing everyone and everything in the business from publishers agents and ad agencies to associations distributors and events Over 14 500 listings in all featuring names addresses and numbers key personnel activities specialties and other relevant data e mail addresses and Web sites and more Some 24 000 decision makers throughout the industry listed in a separate Personnel Yellow Pages section in each volume Thousands of services and suppliers equipped to meet every publishing need or requirement More than 400 new entries to this edition plus thousands of updated listings throughout LMP 2001 leaves no stone unturned in connecting you with the publishing firm service or product you or your patrons need It's completely revised and updated to help Publishers locate other publishers free lancers agents printers wholesalers manufacturers and more Suppliers find names and numbers of potential publishing customers Job seekers locate contact names addresses and phone numbers throughout the industry Booksellers get publisher ordering and shipping information

Writers locate publishers for their works Librarians provide patrons with the reference source they need to find their way through the publishing industry Feminist Bookstore News ,1998 **Bowker's Complete Video Directory** ,2000
