Secrets Of The Kingdom The Inside Story Of The Secret Saudi Connection:

Secrets of the Kingdom Gerald L. Posner, 2005 Explores the secret alliance between the United States and the ruling family of Saudi Arabia revealing details of the impact of the Saudis on American businesses and politics including big oil interests and covert military plans

Thicker Than Oil Rachel Bronson, 2008-06-05 For fifty five years the United States and Saudi Arabia were solid partners Then came the 9 11 attacks which sorely tested that relationship In *Thicker than Oil* Rachel Bronson reveals why the partnership became so intimate and how the countries shared interests sowed the seeds of today's most pressing problem Islamic radicalism Drawing on a wide range of archival material declassified documents and interviews with leading Saudi and American officials and including many colorful stories of diplomatic adventures and misadventures Bronson chronicles a history of close and always controversial contacts She argues that contrary to popular belief the relationship was never simply about oil for security Saudi Arabia's geographic location and religiously motivated foreign policy figured prominently in American efforts to defeat godless communism From Africa to Afghanistan Egypt to Nicaragua the two worked to beat back Soviet expansion But decisions made for hardheaded Cold War purposes left behind a legacy that today enflames the Middle East Looking forward Bronson outlines the challenges confronting the relationship The Saudi government faces a zealous internal opposition bent on America's and Saudi Arabia's destruction Yet from the perspective of both countries the status quo is clearly unsustainable

The Encyclopedia of Middle East Wars Spencer C. Tucker, 2010-10-08 This in depth study of U S involvement in the modern Middle East carefully weighs the interplay of domestic cultural religious diplomatic international and military events in one of the world's most troubled regions The monumental five volume *The Encyclopedia of Middle East Wars The United States in the Persian Gulf Afghanistan and Iraq Conflicts* is a must have resource for anyone seeking to comprehend U S actions in this volatile region Under the expert editorship of Spencer C Tucker the encyclopedia traces 20th and 21st century U S involvement in the Middle East and south central Asia concentrating on the last three decades Beginning with the 1980 1988 Iran Iraq War it covers the 1979 1989 Soviet occupation of Afghanistan the 1991 Persian Gulf War allied punitive actions against Iraq during the 1990s the Afghanistan War the Iraq War and the Global War on Terror Many smaller military actions against Iran Iraq Libya Afghanistan and other regimes that have been involved in international terrorism are also included Diplomacy religion as it pertains to Middle East conflict and social cultural developments are other key subjects of analysis as is the interplay of politics with military policy in the United States and other nations involved in the region

Persian Gulf War Encyclopedia Spencer C. Tucker, 2014-08-20 Ideal for high school and college level readers as well as students attending military academies and general audiences this encyclopedia covers the details of the Persian Gulf War as well as the long term consequences and historical lessons learned from this important 20th century conflict This encyclopedia provides a rich historical account of the Persian Gulf War examining the conflict from a holistic perspective that addresses the details of the

military operations as well as the social political economic and cultural aspects of the war The alphabetically arranged entries chart the events of the war provide cross references and sources for additional study and identify the most important individuals and groups associated with the conflict In addition it includes primary source documents that will provide readers with valuable insights and foster their critical thinking and historical reasoning skills The Persian Gulf War served as the first live combat test of much of the United States then new high tech weaponry The war also held many lessons about the play of national interests the process of coalition building the need for effective communication and coordination and the role of individuals in shaping history This book addresses all key battles the nations involved strategies employed by both sides weapon systems used the role of the media the role played by women and environmental and medical issues associated with the conflict

Regime Stability in Saudi Arabia Stig Stenslie, 2012 This book examines the structure of political power amongst elites inside Saudi Arabia and how they might cope with the very serious challenge posed by succession Presenting a new and refreshing theoretical approach that links elite integration with regime stability the author shows that the kingdom s royal elite is far more integrated than it has generally been given credit for Based on extensive field work inside Saudi Arabia the book offers a detailed up to date survey and assessment of all the key sectors of the elites in the country The author examines how the succession process has been used in highly different circumstances including deposition assassination and death by old age and demonstrates how regime stability in Saudi Arabia rests on the royal family s ability to unite and to solve the challenge of succession He offers a strong analysis of intra ruling family mechanisms and dynamics in this notoriously private royal family and addresses the question of whether as the number of royals rapidly grows the elite is able to remain integrated Providing a rare insight into the issues facing the royal family and ruling elite in Saudi Arabia this book will be of great interest to scholars and students of Middle Eastern politics and Saudi Arabia in particular

Kings and Presidents Bruce Riedel, 2019-03-12 An insider s account of the often fraught U S Saudi relationship Saudi Arabia and the United States have been partners since 1943 when President Roosevelt met with two future Saudi monarchs Subsequent U S presidents have had direct relationships with those kings and their successors setting the tone for a special partnership between an absolute monarchy with a unique Islamic identity and the world s most powerful democracy Although based in large part on economic interests the U S Saudi relationship has rarely been smooth Differences over Israel have caused friction since the early days and ambiguities about Saudi involvement or lack of it in the September 11 terrorist attacks against the United States continue to haunt the relationship Now both countries have new still to be tested leaders in President Trump and King Salman Bruce Riedel for decades has followed these kings and presidents during his career at the CIA the White House and Brookings This book offers an insider s account of the U S Saudi relationship with unique insights Using declassified documents memoirs by both Saudis and Americans and eyewitness accounts this book takes the reader inside the royal palaces the holy cities and the White House to gain an understanding of this complex partnership

Looking East Shirzad Azad, 2020-05-01 Know yourself that's great advice but how do we get there In a lively conversation about the meaning of life three characters explore a wide range of concepts including friendship and love self discipline and self respect trust and justice U.S. Conflicts in the 21st Century Spencer C. Tucker, 2015-12-14 This three volume reference work provides an up to date presentation and analysis of the U S wars of the 21st century addressing their backgrounds causes courses and consequences It serves as an indispensable resource for students seeking to understand the role of the United States in the world today Addressing the U S conflicts in Iraq Afghanistan and the Global War on Terror from the year 2001 to the present this comprehensive three volume encyclopedia covers the significant individuals key events and important places involved in these recent military events Beginning with the rise of Al Qaeda in the 1990s and the attacks on September 11 2001 and covering events through ISIS's dramatic surge in Iraq and Syria the hundreds of detailed entries also examine historical trends nations and ethnicities involved in the conflicts influential figures and organizations economic political diplomatic and cultural influences wars campaigns and battles and important weapons systems The set's A Z organization makes it an easy to use ready reference for high school and college students Perspective essays on several controversial topics such as the use of torture and the effects of the Patriot Act serve to inspire readers to apply critical thinking A detailed chronology is provided to help students place all the important events that have occurred in the Afghanistan War Iraq War and War on Terror Each of the chronologically arranged primary documents is introduced with a brief overview to provide important background information and context **Stripping Bare the Body** Mark

Danner, 2009-10-13 For the past two decades Mark Danner has reported from Latin America Haiti the Balkans and the Middle East His perceptive award winning dispatches have not only explored the real consequences of American engagement with the world but also the relationship between political violence and power In *Stripping Bare the Body* Danner brings together his best reporting from the world's most troubled regions from the fall of the Duvalier dictatorship in Haiti to the tumultuous rise of Aristide from the onset of the Balkan Wars to the painful fragmentation of Yugoslavia and finally to the disastrous invasion of Iraq and the radical destructive legacy of the Bush administration At a time when American imperial power is in decline there has never been a more compelling moment to read these urgent fiercely intelligent reports

Global Political Economy and New World Disorder Sean Creaven, 2025-04-24 Drawing upon a range of resources of critique including critical realist social theory realist international relations theory the sociology of globalization the Marxist critique of imperialism and dependency theory this book is an essential contribution to the critical understanding of nationalism and imperialism in the global age It conducts a sustained and in depth analysis of the relations between the asymmetry in the distribution of economic resources and powers of command and the recent play of political events involving imperialist wars including the Russo Ukrainian and Israeli Hamas wars Crucially the author argues that establishing these connections requires theorizing political economy in the so called global age as comprised of neoimperial and neoliberal

orders As such the book offers a new interpretation of the relations between neoliberalism and neoimperialism and between modes of organizing social relations and resulting global disorders and instabilities This will therefore be of interest to researchers scholars and students working at the intersection of global political economy international relations and the sociology of globalization
