What do author James Frey and former president Bill Clinton have in common They were both secret keepers and their secrets had disastrous effects on their careers Millions of people hide addictions from their closest friends and family often destroying their lives and the lives of others This book explores how to break the secret keeping habit and get the help and support needed to overcome addiction rebuild self esteem and live honestly The first half of the book explores the human tendency to keep secrets and profiles a variety of secret keepers from all walks of life and with a wide range of addictions The second half helps readers examine and understand their own addictions and secret keeping and offers a clear step by step approach to healing and recovery Based on the twelve step program this book offers a way to change your life for the better one day at a time Practical solutions for countering secretive and destructive behaviors ranging from smoking to gambling to alcoholism Addictions to drugs alcohol smoking gambling eating pornography and sex are considered to be at epidemic levels in the United States **Portia** Edith B. Gelles, 1995 Annotation Here at last Is the biography that Abigail Adams has long deserved one that puts her rather than her husband at its center and which interprets her life in light of both its eighteenth century context and recent feminist scholarship Gelles brings new insights to familiar topics like the Adams marriage and Abigail's wartime role explains more fully than previous scholars such incidents as the failed courtship of Royall Tyler and Abigail Junior and examines with sensitivity hitherto little known episodes like that of Abigail's epistolary flirtation with James Lovell during the Revolution or Abigail Junior's mastectomy in 1811 In short this is a remarkable achievement far surpassing all earlier attempts to capture the essence of the woman who was one of early America's greatest letter writers Mary Beth Norton Edith Gelles has written a deeply interesting book about Abigail Adams she is careful to reconstruct the eighteenth century environment of Abigail Adams De Gelles is a careful historian of eighteenth century America and a thoughtful biographer She has given us a fresh examination of Abigail Adams which will stimulate in helpful ways additional research and discussion Robert Middlekauff In this important and fascinating biography Edith Gelles not only restores Abigail Adams to her rightful place at the center of her own story she challenges the creaky conventions of traditional male defined biography Portia breaks ranks with the biographers twice by refusing to treat Abigail Adams as a reflection of her husband and by refusing to force her life's story into an artificially linear narrative In this masterful work Edith Gelles reconceptualizes and revolutionizes the very notion of biography by capturing experience as it truly unfolds in so many women's lives as a collage of overlapping and circular impressions and feelings rather than a relentless climb up a ladder of public ambition Susan Faludi The best biography of Abigail Adams in print By keeping the spotlight on Mrs Adams and sensitively evaluating her in eighteenth century terms Edith Gelles provides the most rounded portrait yet of this important woman Patricia U Bonomi Edith B Gelles uses the revolutionary years as the backdrop of this sensitive study And The political events as the

drama in which the players act out well defined roles Gelles story of relationships networks and power in the context of Abigail's eighteenth century world is truly a superb accomplishment American Historical Review Adams's strength courage and wit emerge more fully than they have in any previous work Gelles has succeeded in providing a well rounded portrait of a remarkable figure Choice Portia Is a refreshing change of pace Edith Gelles is affectionate yet scholarly determined to present Adams as a strong character who was very much a woman of her time not merely a liberated precursor to feminism or the little wife behind the great man San Francisco Chronicle Portia The first woman centered biography of Abigail Adams details the issues events and relationships that informed Adams's life The portrait that emerges also describes women like her during the Revolutionary era Much of Abigail Adams's independent reputation derives from the letters that she wrote for over a half century Personal and eloquent they provide unusual access to her private life and capture the social conventions politics and people of her age The letters describe her domestic sphererelationships with her sisters her daughter and sons and friends such as Thomas Jefferson Her marriage to John Adams is considered in the context of the patria Christian Register and Boston Observer... ,1900 **Goalden Girl** Tracey Morait,2007-08-18 Gemma Sutherland isn't happy A year after the death of her mother her dad has married Shelley whose daughter Portia is a spoilt brat As if that wasn't enough they've moved house and Gemma has to go to Naylorsfield Comp where they don't let girls play football like they do at her old school Frustrated with her new life Gemma rebels shocks her dad by becoming a Goth and vows to drive Shelley and Portia away She also starts a campaign to introduce girls football at school Mr Cassidy her PE teacher lends his support and the other girls become interested but Tyrone Collins Shelley's big headed nephew and the star of Naylorsfield's First Eleven will do anything to prevent the girls from training or playing in fixtures Meanwhile there's a mystery surrounding Shelley and Mr Cassidy and Gemma sees her chance of getting rid of Shelley for good About 50 000 words in length Goalden Girl is suitable for readers age 10 **Mah Jongg Mysteries Boxed Set, Books 1-5** Barbara Barrett,2022-07-04 Welcome to Serendipity Springs and the first five books in the Mah Jongg Mystery series Mah jongg can generate killer competition But murder The answer is yes when it comes to four retired Central Florida friends who find themselves solving baffling homicides in between the games they love Whether you know how to mah jongg or not join these intrepid seniors as they take turns leading their own private investigations It turns out the mental agility they use to strategize each play is the perfect tool for tracking down murderers **Finding List of the Free Public Library of Newark, N.J.** Newark Public Library,1893 **Twenty-five Years in the Secret Service** Henri Le Caron,1892 *Educart 40 ICSE Sample Papers Class 10 - All Subjects Combined for 2023-24 (Strictly on March 2024 Board Exam Pattern)* Educart,2024-02-18 Our Educart ICSE Class 10 40 Sample Papers Book is a must have for all the students to score like a topper on this 2024 board exams Additionally it comes with some amazing features It consists of papers for all the subjects combined English Language Literature Physics Chemistry Biology Mathematics History and Civics and Geography It is based on the latest CISCE
