P. ANIL,T V I J a Y a N,2025-09-22 Vastu Shastra Ancient Science of Harmonious Living is a timeless guide to the art of designing homes workplaces and sacred spaces in harmony with nature s eternal rhythms Rooted in India s rich spiritual and scientific traditions this book takes readers on a journey into the wisdom of the ancients while providing practical tools for modern living Vastu Shastra is far more than an architectural manual it is a philosophy of life Every wall every corner and every direction holds an energy that can either uplift or disturb us This book reveals how to align your living spaces with the five great elements Earth Water Fire Air and Space to create a home that breathes with balance peace and prosperity The book begins by exploring the foundations of Vastu tracing its origins in the Vedic age and showing how ancient sages discovered the cosmic patterns that influence our lives You will discover fascinating stories myths and truths such as the legend of the Vastu Purusha and the energy grid that still governs sacred architecture today From there it unfolds into core principles and guidelines offering a clear and structured understanding of directions proportions symmetry and the all important Vastu Purusha Mandala Whether you are selecting a plot of land designing a new home or simply rearranging your interiors these principles will help you make choices that invite harmony and abundance Practical application is at the heart of this book Detailed chapters explain how to apply Vastu in residential spaces from the placement of entrances kitchens and bedrooms to the orientation of staircases gardens and courtyards Each recommendation is presented with clarity blending tradition with logic and science The wisdom of Vastu extends beyond homes and this book brings that richness alive You will learn how to design offices shops schools temples factories and hospitals in ways that maximize energy flow enhance well being and create success Case studies and real world examples highlight how even small changes can yield remarkable results But what if your current home or office does not follow Vastu This book offers powerful yet practical remedies that do not require demolition From using mirrors symbols plants and colors to incorporating pyramids yantras and crystals you will find easy adjustments that can correct imbalances and restore positivity As the world embraces sustainability and eco conscious living Vastu s principles shine brighter than ever This book bridges the ancient with the modern showing how Vastu aligns beautifully with green architecture eco friendly homes and holistic design By

following these guidelines you are not only creating harmony for yourself but also contributing to a balanced environment. One of the book's highlights is its comparison of Vastu with global traditions like Feng Shui, offering insights into similarities and differences. This makes it a valuable guide for international readers seeking to blend universal principles of harmony with local practices. At its core, Vastu Shastra (Ancient Science of Harmonious Living) is about more than bricks and mortar; it is about well-being, abundance, and spiritual balance. It reminds us that our homes are not lifeless structures but living entities, reflections of ourselves and our connection to the universe. This is a book for dreamers and doers alike, for those building their first home, redesigning a workspace, or simply wishing to create a corner of peace in a chaotic world. It is an invitation to rediscover the eternal truth that when we live in tune with the cosmos, life blossoms in beauty, balance, and joy.

Vastu Ashwinie Kumar Bansal, 2002. Vastu is the ancient Indian tradition that combines architecture and aesthetics. Resembling the Chinese philosophy of feng shui, Vastu is also a revered, spiritually oriented method of organizing living space so that all details induce harmony between a home's dwellers and the universe. The Vedic practice of sanctifying one's living space is as relevant today as it was when it originated among Indian builders thousands of years ago. Vastu enables readers to put this system to use in today's homes, thus bringing peace, happiness, and success to the dwellers. The author points out the four zones of every home and explains how they govern their dwellers' mental, physical, emotional, and psychic well-being. Easy-to-use tables and diagrams present techniques for creating a harmonious living arrangement. Detailed instructions guide readers in furnishing living areas and modifying the proportions of floor space, doors, windows, and other room features. Specific materials and construction methods are suggested. Every part of the home is considered, including the foyer, bedrooms, kitchen, living room, storage rooms such as closets and pantries, study or work area, and bathroom, as well as the home's adjoining verandas and gardens. More than 150 illustrations and diagrams are all in color.
