La seducción de Harry Dancer Lawrence Sanders,1987

The Pirate's Seduction Bethany M. Sefchick,2019-06-12
After the passing of her beloved grandfather and infant son Lady Lucy Woodfield is being sent to Montserrat to become an elderly plantation owner's mistress mostly so she won't become an embarrassment for her remaining family. Before she can reach her destination however her ship is attacked by pirates and she is taken captive. Since her family refuses to pay the ransom Lucy is to be sold into slavery most likely becoming a prostitute in one of the area's many brothels. Bloody Harry Blackburn is a pirate captain in desperate need of a woman a very specific type of woman Harry needs a lady of Quality who can give him a son so that he may claim a portion of an aristocratic English title for his own. Fortunately for him Lucy just happens to be the sort of lady he's seeking. Unfortunately there's a price on Harry's head and he's being hunted by one of the most fearsome pirates in the West Indies all over a simple misunderstanding about some gold. Can Lucy be what Harry desires or will her past prevent her from understanding that Harry needs more than just a warm body in his bed. Will Harry ever realize that Lucy is far more than just a delicate English lady. And will they both manage to evade Boucher the Butcher and find a future together. Is it hot? Yes it is. Please be advised that this 80,200 word novel is written in the true spirit of pirates including salty language and extremely sexual situations that would be historically appropriate for that era. It is NOT a sweet and clean romance and is intended for those seeking a MUCH hotter and sexier read while still looking for a romantic happily ever after. This novel is not appropriate for younger audiences.

Shopping, Seduction & Mr. Selfridge Lindy Woodhead,2013-02-12 If you lived at Downton Abbey you shopped at Selfridge's. Harry Gordon Selfridge was a charismatic American who in twenty five years working at Marshall Field's in Chicago rose from lowly stockboy to a partner in the business which his visionary skills had helped to create. At the turn of the twentieth century he brought his own American dream to London's Oxford Street where in 1909 with a massive burst of publicity Harry opened Selfridge's England's first truly modern built for purpose department store. Designed to promote shopping as a sensual and pleasurable experience six acres of floor space offered what he called everything that enters into the affairs of daily life as well as thrilling new luxuries from ice cream soda to signature perfumes.

This magical emporium also featured Otis elevators a bank a rooftop garden with an ice skating rink and a restaurant complete with orchestra all catering to customers from Anna Pavlova to Noel Coward The store was a theatre with the curtain going up at nine o'clock Yet the real drama happened off the shop floor where Mr Selfridge navigated an extravagant world of mistresses opulent mansions racehorses and an insatiable addiction to gambling While his gloriously iconic store still stands the man himself would ultimately come crashing down The true story that inspired the Masterpiece series on PBS Mr Selfridge is a co production of ITV Studios and Masterpiece Enthralling an energetic and wonderfully detailed biography London Evening Standard Will change your view of shopping forever Vogue U K *The Duke's Secret Seduction* Donna Lea Simpson, 2018-06-27 From the author of Lord Haven's Deception comes a Regency romance celebrating the witty and romantic world that fans of Georgette Heyer have fallen in love with Simpson excels at imbuing her realistic characters with subtle depths John Charles American Library Association Scarred and hardened by the betrayal of his late wife and his latest mistress the Duke of Alban decides to withdraw from the depressing swirl of London for a trip to the north where he can visit his beloved aunt and regain the composure that has deserted him But his hopes for a serene retreat are dashed by the voluptuous beauty of Kittie Douglas the young widow who serves as his aunt's companion and stirs a deep longing and a deep mistrust within him Kittie has long heard about the duke's upstanding character and has imagined him to be a paragon of male virtue but meeting the man leaves her with a distinctly different impression though he's strikingly handsome his late wife's duplicity has left him moody taciturn and even suspicious of her intentions where his well to do aunt is concerned But perhaps most frustrating is that he's blind to her own upright nature and tender inclinations unaware that she harbors a deep wish to soothe his heart and make him whole again As a war wages within Alban between his inability to trust Kittie and his overwhelming desire to possess her she struggles to break through his bitter resolve tempted all the while to abandon him and her hopes for a lasting romance Until a startling revelation from Alban's aunt shocks them both into realizing what's at stake and forces Alban to recognize that if he's to have any chance at happiness he'll have to open his eyes and his heart to Kittie's true beauty and the promise of unwavering love This book was originally published as *The Duke and Mrs Douglas*

Cinema of Simulation: Hyperreal Hollywood in the Long 1990s Randy Laist, 2016-09-22 Hyperreality is an Alice in Wonderland dimension where copies have no originals simulation is more real than reality and living dreams undermine the barriers between imagination and objective experience The most prominent philosopher of the hyperreal Jean Baudrillard formulated his concept of hyperreality throughout the 1980s but it was not until the 1990s that the end of the Cold War along with the proliferation of new reality bending technologies made hyperreality seem to come true In the lost decade between the fall of the Berlin Wall and 9/11 the nature of reality itself became a source of uncertainty a psychic condition that has been recognizably recorded by that seismograph of American consciousness Hollywood cinema The auteur cinema of the 1970s aimed for gritty realism and the most prominent feature of Reagan era cinema was its fantastic unrealism Clinton era

cinema however is characterized by a prevailing mood of hyperrealism communicated in various ways by such benchmark films as JFK Pulp Fiction and The Matrix The hyperreal cinema of the 1990s conceives of the movie screen as neither a window on a preexisting social reality realism nor as a wormhole into a fantastic dream dimension escapism but as an arena in which images and reality exchange masks blend into one another and challenge the philosophical premises which differentiate them from one another Cinema of Simulation Hyperreal Hollywood in the Long 1990s provides a guided tour through the anxieties and fantasies reciprocally social and cinematic which characterize the surreal territory of the hyperreal
