

Naughty Poems for Wife

By Maya Anthony

Winks and Whispers

In the quiet moments, when eyes do meet,
A naughty wink, so subtle, discreet.
Whispers of things only we comprehend,
Secrets kept between love's best friend.

Soft giggles escape in the dead of night,
As I chase you, giving a playful fright.
Hands intertwined, we dance with elation,
Lost in our world, pure infatuation.

Yet behind each jest, each playful smirk,
Is a depth of love, where true feelings lurk.
In winks and whispers, our love does shine,
Forever grateful that you are mine.

Verner D. Mitchell, Cynthia Davis

Seduction In The 1st Degree A Collection Of Erotic Poetry:

Delmira Agustini, Sexual Seduction, and Vampiric Conquest Cathy L. Jade, 2012-07-10 Delmira Agustini 1886 1914 has been acclaimed as one of the foremost modernistas and the first major woman poet of twentieth century Spanish America Critics and the reading public alike were immediately taken by the originality and power of her verse especially the aggressively sexualized perspective never before found in texts written by Spanish American women Agustini sought like the men around her to free herself and her writing from traditional sexual limitations Even more daringly she responded to their language with her own feminized discourse developing an innovative way of expressing her sexual and artistic expressions

Book jacket First-Degree Incest and the Hebrew Bible Johanna Stiebert, 2016-10-20 Incest refers to illegal sexual relations between family members Its precise contours however are culturally specific Hence an illegal incestuous union in one social context may be a legal close kin union in another First degree sexual unions between a parent and child or between siblings are most widely prohibited and abhorred This book discusses all overt and covert first degree incest relations in the Hebrew Bible and also probes the significance of gaps and what these imply about projected sexual and social values As the dominant opinion on the origin of first degree incest continues to be shaped new voices such as those of queer and post feminist criticism have joined the conversation It navigates not only the incest laws of Leviticus and the narratives of Lot and his daughters and of Amnon and Tamar but pursues subtler intimations of first degree sexual unions such as between Adam and his absent but arguably implied mother Haran and Terah's wife Ham and Noah In pursuing the psycho social values that may be drawn from the Hebrew Bible regarding first degree incest this book will provide a thorough review of incest studies from the early 20th century onward and explain and assess the contribution of very recent critical approaches from queer and post feminist perspectives

Botsotso 17: Fiction, Poetry, Art Work, Essays, Reviews Horwitz, Allan Kolski, Ngwenya, Sphiwe ka, Ike Mboneni Muila, 2019-09-17 The Botsotso literary journal started in 1996 as a monthly 4 page insert in the New Nation an independent anti apartheid South African weekly and reached over 80 000 people at a time largely politicized black workers and youth with a selection of poems short stories and short essays that reflected the deep changes taking place in the country at that time Since the closure of the New Nation in 1999 the journal has evolved into a stand alone compilation featuring the same mix of genres and with the addition of photo essays and reviews The Botsotso editorial policy remains committed to creating a mix of voices which highlight the diverse spectrum of South African identities and languages particularly those that are dedicated to radical expression and examinations of South Africa's complex society Botsotso 17 reflects the depth and creative range of the South African cultural and emotional environment as well as the broader social currents in which they were spawned and that the coexisting phenomena of love and violence alienation and precious comings together mingle to create a unique if familiar panorama as streams of words reveal the inner meanings of so many different lives

Aristophanes and the Carnival of Genres Charles Platter, 2007-01-01 The comedies of Aristophanes are known not only for their boldly imaginative plots but for the ways in which they incorporate and orchestrate a wide variety of literary genres and speech styles Unlike the writers of tragedy who prefer a uniformly elevated tone Aristophanes articulates his dramatic dialogue with striking literary and linguistic juxtapositions producing a carnivalesque medley of genres that continually forces both audience and reader to readjust their perspectives In this energetic and original study Charles Platter interprets

the complexities of Aristophanes work through the lens of Mikhail Bakhtin's critical writing This book charts a new course for Aristophanic comedy taking its lead from the work of Bakhtin Bakhtin describes the way multiple voices vocabularies tones and styles of language originating in different social classes and contexts appear and interact within literary texts He argues that the dynamic quality of literature arises from the dialogic relations that exist among these voices Although Bakhtin applied his theory primarily to the epic and the novel Platter finds in his work profound implications for Aristophanic comedy where stylistic heterogeneity is the genre's lifeblood

Schumann's Dichterliebe and Early Romantic Poetics Beate Julia Perrey, 2002 This book offers a theory of Romantic song by re-evaluating Schumann's *Dichterliebe* of 1840 one of the most enigmatic works of the repertoire It investigates the poetics of Early Romanticism in order to understand the mysterious magnetism and singular imaginative energy that imbues Schumann's musical language The Romantics rejected the ideal of a coherent and organic whole and cherished the suggestive openness of the Romantic fragment the disconcerting tone of Romantic irony and the endlessness of Romantic reflection thereby realizing an aesthetic of fragmentation Close readings of many songs from *Dichterliebe* show the singer's intense involvement with the piano's voice suggesting a split Self and the presence of the Other Seeing Schumann as the second poet of the poem here of Heine's famous *Lyrisches Intermezzo* this book considers essential issues of musico-poetic intertextuality introducing into musicology a hermeneutic that seeks to synthesize philosophical literary critical music analytical and psycho-analytical modes of thought

Eros at Dusk Katherine Wasdin, 2018-05-25 This book analyzes the relationship between wedding poetry and love poetry in the classical world By treating both Greek and Latin texts it offers an innovative and wide-ranging discussion of the poetic representation of social occasions The discourses associated with weddings and love affairs both foreground ideas of persuasion and praise even though they differ dramatically in their participants and their outcomes Furthermore these texts make it clear that the brief idealized and eroticized moment of the wedding stands in contrast to the long-lasting and harmonious agreement of the marriage At times these genres share traditional forms of erotic persuasion but at other points one genre purposefully alludes to the other to make a bride seem like a paramour or a paramour like a bride Explicit divergences remind the audience of the different trajectories of the wedding which will hopefully transition into a stable marriage and the love affair which is unlikely to endure with mutual affection Important themes include the threshold the evening star plant and animal metaphors heroic comparisons reciprocity and the blessings of the gods and sexual violence and persuasion The consistency and durability of this intergeneric relationship demonstrates deep-seated conceptions of legitimate and illegitimate sexual relationships By examining these two types of poetry in tandem *Eros at Dusk* adds fresh insight into the social concerns and generic composition of these occasional poems
