See how They Run Philip King, 1949 So swift is the action so involved the situations so rib tickling the plot in this London hit that at its finish audiences are left as exhausted from laughter as though they had run a foot race Galloping in and out of the four doors of an English vicarage are an American actor and actress he is now stationed with the Air Force in England a cockney maid who has seen too many American movies an old maid who touches alcohol for the first time in her life four men in clergyman suits presenting the problem of which is which for disguised as one is an escaped prisoner and a sedate Bishop aghast at all these goings on and the trumped up stories they tell him *See how they run.
