Dead Run Erica Spindler, 2011-11-15 I m in trouble Liz I ve uncovered something They re watching That panicked message on her answering machine is the last time Liz

Ames hears from her sister Rachel pastor of Paradise Christian Church in Key West Florida Compelled to uncover the truth about her sister's disappearance she heads to Key West Within hours of her arrival a successful banker jumps to his death Then a teenage girl whom Rachel was counseling is found brutally murdered The ritualistic style of the killing is hauntingly similar to that used by the notorious New Testament serial killer now on death row Could the teen's murder be related to Rachel's disappearance Is a copycat killer at work And why do the police refuse to help For answers Liz turns to Rick Wells a former Miami cop who worked the fringes of the New Testament investigation Together they peel away layers of deception to reveal a terrifying adversary and the unspeakable evil at the heart of this island paradise **The First Wife** Erica Spindler, 2015-02-10 An idealistic young woman marries a man she barely knows only to discover his first wife disappeared under mysterious circumstances **In Silence** Erica Spindler, 2009-12-01 Journalist Avery Chauvin is devastated when she receives word of her father's suicide How could her father a dedicated physician have taken his own life That he set himself on fire is unfathomable Returning to her hometown of Cypress Springs Louisiana Avery desperately searches for answers Instead she hears whispered rumors of strange happenings of neighbors who go missing in the night She discovers a box of old newspaper articles in her father's house all covering the horrific murder of a local woman Why had her father kept them Then the past and present collide A woman is found brutally slain An outsider passing through town vanishes And Avery begins to wonder could her father have been the victim of foul play As each step closer to the truth exposes yet another layer of deceit Avery must face the fact that in this peaceful Southern town a terrible evil resides protected until now by the power of silence Copycat Erica Spindler, 2007-09-01 Five years ago three young victims were found murdered posed like little angels No witnesses no evidence left behind The Sleeping Angel Killer called his despicable acts the perfect crimes The case nearly destroyed homicide detective Kitt Lundgren's career because she let the killer get away Now the Sleeping Angel Killer is back But Kitt notices something different about this new rash of killings a tiny variation that suggests a copycat killer may be re-creating the original perfect crimes Then the unthinkable happens The Sleeping Angel Killer himself approaches Kitt with a bizarre offer he will help her catch his copycat Kitt must decide whether to place her trust in a murderer or risk falling victim to a fiend who has taken the art of the perfect murder to horrific new heights Disturbance Ivy Alvarez, 2013-10-14 *Disturbance* is a novel in verse by Ivy Alvarez that chronicles a multiple homicide a tragic case of domestic violence where a family was gunned down by the husband and father The book features poems in a kaleidoscope of voices from all the characters involved We first meet the family itself and witness how the father's controlling attitude gradually escalates into violence Then we get the aftermath the authorities police and neighbours who all might have helped to prevent this tragedy This is a very dark book but a courageous one ultimately about evil and its presence in our everyday lives The fact that this family was relatively well to do seemingly prosperous and well connected adds another layer of intrigue and mystery There is some graphic violence but the emphasis is on the characters and their motivations This masterpiece of brutality veined with

tenderness will skewer you to its pages A tour de force utterly original and brave Sally Spedding Disturbance is a precise pained and wondrous book Teju Cole **Broken** J.
