Seeds of Deception Georgiana Preskar,2004-06-14 Is the foundation of America sinking into a humanist philosophy Are American values and mores struggling for survival Are the voices of authority and discipline disappearing into an abyss of political correctness Is compromise the mission statement of our schools families churches and communities Do you still ask yourself How did Hitler win the minds of the people Mind Control is a living rapidly expanding force in our world today Nazi Germany had their Hitler Youth the Middle East has their Madrasas and America has its SEED Program SEED is uncompromising in reaching grasping and catching all who enter its domain It is quiet and secretive giving love and acceptance to those who give up traditional values and morals The journey of one woman asking why discovers mind control of our American youth Only worse its mind control that begins with parents teachers businesses church leaders and the communities in which we live Read compelling evidence of slow methodical ways our Country is manipulated into transformation by SEED programs behind closed doors Learn the truth behind Seeds of Deceptions manipulative agents causing destruction of our most prized possessions our children and grandchildren *Stop the Compromise in Ten Easy Steps:* Georgiana Preskar,2011-08-03 ABOUT THE BOOK The pounding of horses hoofs is seldom heard Cowboys have faded and the pioneering days are gone in America The spirit lives on suspended in time waiting for its moment to shine again Many believe the time is here Were losing our freedom The woes are real as we see all we believe and work for diminish At last a simple STOP guide for everyone concerned for the future of America Its time to enjoy the process of taking back our nation Learn about authentic rule of law and how to respond daily to those who try to engage you in feel good rhetoric to rob you of your beliefs Protect everyones liberty and dont compromise Bring that pioneer spirit out of hiding We can move across the frontier again and restore freedom through the truth Whatever your reasons your background or your level of knowledge this book will give you what you need to defend this great nation through the STOP Movement Lets begin the pioneering adventure and STOP the Compromise **White Privilege and the Wheel of Oppression** Georgiana Preska,2010-08-27 THE CHALLENGE In February 2009 Attorney General Eric Holder called America a nation of cowards His reason was that we dont have the guts to be honest with each other about racial issues The lack of honesty that he bluntly implied is obvious Its cause however is not a lack of courage but enforcement of deceptive tactics that undermine freedom of speech In reality his words gave this nation a challenge Will we meet it For over forty years every major cultural movement of the last century successfully achieved its goal through victimization oppression and white privilege principles These deceptive tools developed entitlement thinking that separated people from common sense and goodness The more people separated from goodness the more evil surfaced Disguised as a right and freedom evil began silencing America Many people deny it and the dangers of Marxism Others are euphoric about the transformation Oppression education is doing its job the destruction of so called white values and America White privilege and the wheel of oppression fool those in class attendance They promise

people release from make believe oppression while injecting them with it The result is a dangerous epidemic of oppression isms most useful for change Attorney General Eric Holder stated that America needed open racial discussion We will accept the challenge The content within is forthright and bold in presentation Chapter questions are included for private use institutes of learning education conferences and church groups to develop boldness in speaking the truth We must STOP the biggest Hoax of the Century White Privilege and The Wheel of Oppression for the survival of America **Diversity**

Addiction Georgiana Preskar, 2007-08 America is in a national crisis A social narcotic diversity addiction has taken over the USA Whether people are in school the workplace church or home diversity injections plunge deeply into them from every direction Tolerance forces upon us unnatural diversity disrupts human nature and upsets the fundamental ideal of the equality of man over the equality of ideas All men are created equal Ideas values morals ethics lifestyles and religions are not equal diversity addicts flip flop this equation giving all worldviews equal status If you express closely held personal beliefs that are contrary or not an asset to the diversity group you are no longer treated as an equal Instead you may be rebuked harassed bullied ostracized labeled and perhaps lose your job or be accused of a hate incident or hate crime Diversity Addiction The Cause And The Cure provides the reader with a simple clear explanation of the doctrines and methodologies used in creating diversity addicts and diversity enforcement programs It clarifies the Judeo Christian principles The American Way that formed this nation and their influence on our individual rights secured by the Constitution America s recovery from diversity addiction is dependant upon reversing flip flopped equality and returning it to its rightful owner man
