John Oti

Seeing The City With The Eyes Of God:

Seeing Cities with the Eyes of God Floyd McClung, 1991 Arguing that the cities are God's idea and using clear biblical principles McClung urges believers not to abandon the cities but to learn to transform them by the power of God Seeing with the Eyes of the Heart Elizabeth T. Groppe, 2020-07-03 In an era in which the internet has made pornography readily accessible *Seeing with the Eyes of the Heart* offers a theological critique of pornography and retrieves from the Christian tradition an alternative visual culture This visual culture is constituted by both the character of the images we behold and the manner in which we see Contributors include psychologists William M Struthers and Jill Manning who address the neurological effects of pornography and its influences on personal familial and social life Their professional analysis is complemented by the testimony of a young man in recovery from pornography addiction In an exposition of Christian visual culture Orthodox iconographer Randi Sider Rose describes the spiritual discipline of icon writing Danielle M Peters S T D surveys the iconography and art of Marian traditions and art historian Dianne Phillips elucidates the meaning of divine desire as evident in Catholic visual culture of the late medieval and early modern periods Catholic theologians Ann W Astell Nathaniel Peters Boyd Taylor Coolman and Nicolas Ogle discuss specific practices and dimensions of the Catholic tradition that can contribute to the cultivation of sacramental vision and David W Fagerberg Kimberly Hope Belcher Jennifer Newsome Martin and John C Cavadini offer reflections on sacramental imagination and the healing of vision *Seeing with the Eyes of the Heart* is a work of scholarship composed with pastoral care and concern and it will be serviceable to both classroom teachers and pastoral ministers A special feature of the book is an inset of seventy two full color plates featuring both classic and contemporary works of Christian iconography and art The essays and images invite readers to behold in beauty the truth that we are created by the triune God not for sexual objectification but with a sacramental vocation to deification through Christ and the Holy Spirit of love In the Eyes of God Brian C Howell, 2014-07-31 Throughout the Bible divine interaction with humanity is portrayed in almost embarrassingly human terms God sees hears thinks feels runs rides chariots laughs wields weapons gives birth and even repents Many of these descriptions taken at face value seem to run afoul of classical thought about God's qualities of divine simplicity transcendence omniscience omnipotence omnipresence and especially immutability Traditionally such representations have been seen as accommodations to human intellectual and moral limitations They allowed God to be more comprehensible but did not actually describe any real part of His character being or interaction with humanity References to God seeing or hearing for example are not deemed to represent real acts as God is all knowing This view is largely based on the Aristotelian conception of metaphors they are rhetorical devices and should not be taken literally Since the 1970s our understanding of the ways in which metaphors convey meaning has become much more sophisticated We are better able to unlock the function of human acts of God within the Bible This book aims to explore the biblical metaphor of divine sight in Genesis and how current conceptions of metaphorical function can enrich our

reading of the text and its theology Seeing the world through the eyes of God , *See Yourself Through God's Eyes* Marie Paul Curley,2019-03-25 Through the use of meditations Scripture passages stories and prayers Sr Marie Paul Curley offers a way to develop a personal relationship with God and to discover his unconditional love for us Curley writes from her own experience creating a guide to fostering healthy self esteem and a sense of personal affirmation for even the busiest reader Seeing Through Heaven's Eyes Leif Hetland,2011-08-16 This beautifully written half memoir half essay explores the realities of Papa God s love for you your identity as His beloved child and heirs and the transformation of your vision of yourself others and world events that this revelation of your place in the divine family brings Poignant personal reflections are woven artfully with metaphors personal stories and an eclectic smattering of quotes and movie references You too are invited to reflect and discover your own divine encounter You will learn how to see through Heaven s eyes through the Father s eyes and that look of love will transform everything including God Yourself Other people Your family Your enemies The end times Seeing Through Heaven s Eyes is powerfully presented and will bless and free you to experience a deeper relationship with Father God **Seeing Through the Eyes of the Spirit** John Oti,2018-06-23 Seeing through the Eyes of the Spirit is a Bible based practical approach to the place of dreams visions and revelations in the lives of those who are believers in Christ Jesus It is obvious that some even among Christians have problems believing in dreams and revelations as a critical component of spirituality in the times we now live However a close and a thorough examination of the Bible in general and the book of Acts provides the evidence that what God did in the past does happen in our time because God has not changed Moreover further evidence in the book of Hebrews notes Jesus Christ the same yesterday today and forever Hebrews 13 8 In other words those who are believers in Christ do experience seeing through visions and receiving revelations from God Regardless of the skepticism of the modern and postmodern worldview God moves in supernatural ways to accomplish his plans on earth Furthermore everyone who has read Acts and the entire New Testament will also come to the conclusion that the ability to see through dreams and visions did not end with the apostles of the Lamb or the early church fathers Rather visions and revelations are a commonplace phenomenon for anyone in any age who has had a genuine encounter with the living Christ Without a doubt there are those who claim to have visions and who have made such claims when their experiences have not been proven to be biblically based or an authentic divine experience from God However just because such people misrepresent the gospel does not negate the fact those with visions and revelations in this time truly had such encounters from God Seeing through the Eyes of the Spirit is a signature of my own experiences in many years of the ministry I trust that the testimony and the teachings from the holy scriptures in this book will inspire future Christian leaders to be more prepared for supernatural encounters from the Lord **In Your Eyes I See My Words** Pope Francis,2020-10-27 The homilies and speeches of Archbishop Cardinal Jorge Mario Bergoglio from 2009 through his election as Pope Francis in 2013 These writings provide an intimate glimpse into the theological philosophical scientific and cultural

educational currents that forged the steady loving and nurturing leadership style with which Jorge Mario Bergoglio guided the Church in Buenos Aires Argentina That style has now done the same for the Church from Rome a Church rocked by financial and moral scandals and a world shaken by the worst global pandemic in a century These writings were kneaded a word he uses when talking about the work of molding the souls and character of youth and seminarians in the relationships he formed in his bus rides to work and in his intense contact with all segments of the population Because of that careful and prayerful process of kneading they have found their full development in Bergoglio s writing as Pope Francis especially in *Evangelii gaudium* November 2013 *Gaudete et exsultate* On the call to sanctity March 2018 and his encyclical *Laudato si* May 2015 In this final volume of Bergoglio s homilies and papers we meet European theologians and thinkers such as Hans Urs von Balthasar Henri de Lubac Bergoglio s friend the Uruguayan philosopher Maritain the literary figure Miguel Angel Asturias and Enrique Santos Disc polo a singer and composer of tangos that decry corruption In a prophetic conclusion the last homily of this volume is an outline of the roadmap Pope Francis has followed throughout his papacy one defined by ongoing love and care for God s people that seeks to spread God s merciful anointing to those living on the margins of life

Seeing with Both Eyes Leonard Levin, 2008-06-25 This is an integrated study of the revival of philosophical studies in 16th century central European Jewry focusing on seven major thinkers and especially on the intellectual development of Ephraim Luntshitz 1550 1619 Preoccupation with philosophy is traced through Moses Isserles Solomon Luria Mordecai Jaffe Abraham Horowitz Eliezer Ashkenazi Maharal of Prague and Ephraim Luntshitz Analysis of these thinkers intellectual affiliations is based on close analysis of their primary texts of which a generous selection is provided in translation for the first time This work advances the scholarly study of 16th century Polish Jewish culture the Polish Jewish Renaissance the philosophical interests of Ashkenazic Jewry Jewish responses to Renaissance humanism and the Reformation and the early modern background for the 18th century Jewish Enlightenment A Critical Commentary and Paraphrase on the Old and New Testament and the Apocrypha: Judges-Psalms ,1844
