Emily Dickinson and Hymn Culture Victoria N. Morgan, 2016-12-05 Extending the critical discussion which has focused on the hymns of Isaac Watts as an influence on Emily Dickinson s poetry this study brings to bear the hymnody of Dickinson s female forbears and contemporaries and considers Isaac Watts s position as a Dissenter for a fuller understanding of

Dickinson's engagement with hymn culture Victoria N Morgan argues that the emphasis on autonomy in Watts a quality connected to his position as a Dissenter and the work of women hymnists who sought to redefine God in ways more compatible with their own experience posing a challenge to the hierarchical I Thou form of address found in traditional hymns inspired Dickinson's adoption of hymnic forms As she traces the powerful intersection of tradition and experience in Dickinson's poetry Morgan shows Dickinson using the modes and motifs of hymn culture to manipulate the space between concept and experience a space in which Dickinson challenges old ways of thinking and expresses her own innovative ideas on spirituality Focusing on Dickinson's use of bee imagery and on her notions of religious design Morgan situates the radical re-visioning of the divine found in Dickinson's alternative hymns in the context of the poet's engagement with a community of hymn writers In her use of the fluid imagery of flight and community as metaphors for the divine Dickinson anticipates the ideas of feminist theologians who privilege community over hierarchy Seeing in the Dark Colleen Deatsman,2009-05-01 The word shaman means one who sees in the dark Shamans consciously choose to live in two different worlds at the same time They have one foot here in the everyday world and one foot in the world of the spirits The fact is we all live in these two different worlds but are commonly not aware of the other less visible one This world does not exist in some other place but is right beside us just outside of our usual perceptions Seeing in the Dark is a definitive source for personal shamanism and not only provides the tools and techniques of the shaman but presents the wisdom tradition awareness paradigm and shamanic way of life The powerful shamanic path has weathered the cataclysmic changes of over 50 000 years of human history and is even more vital and relevant today In times when stress tension and the fast pace of life overwhelm us this path shows us how to slow down reconnect to the sacred and harness our personal power skills that will be needed for the uncertain days ahead Included in this book are over 100 easy to follow exercises that teach important survival skills for the coming changes of 2012 and beyond **Boundless Creativity** Martha Alderson,2020-05-01 How can spirituality inform our creativity and vice versa From the author of The Plot Whisperer this transformational artists guide helps readers identify their creative blocks and examine how their emotional states can affect creativity With this book readers will learn to get unstuck from uninspiring ruts realize their true spiritual and artistic ambitions and live their best most creative lives **LSD, Spirituality, and the Creative Process** Marlene Dobkin de Rios,Oscar Janiger,2003-04-28 An exploration of how LSD influences imagination and the creative process Based on the results of one of the longest clinical studies of LSD that took place between 1954 and 1962 before LSD was illegal Includes personal reports artwork and poetry from the original sessions as testimony of the impact of LSD on the creative process In 1954 a Los Angeles psychiatrist began experimenting with a then new chemical discovery known as LSD 25 Over an eight year period Dr Oscar Janiger gave LSD 25 to more than 950 men and women ranging in age from 18 to 81 and coming from all walks of life The data collected by the author during those trials and from follow up studies done 40 years later is now available here for the first time along with the authors
