Seeking With All My Heart:

Seek Me with All Your Heart Beth Wiseman, 2010-10-17 What would cause the Amish to move to Colorado leaving family and friends behind Some Amish are making the trek to Colorado for cheaper land Others are fleeing strict bishops with long memories For Emily Detweiler and her family the move is more personal Tragedy struck Emily in Ohio shaking loose everything she believed was firm including her faith Her family took the bold step of leaving Ohio to resettle in a small Amish community in Canaan Colorado where they hope the distance will help erase painful memories David Stoltzfus s family moved to Colorado for reasons he doesn t understand But Canaan is turning out to be something other than the promised land they all anticipated Fearing that a health condition will cut his life short David plans to return home to Paradise Pennsylvania as soon as he can But then he meets Emily who stirs feelings in his heart despite his apprehension about the future Emily s growing love for David surprises her but she fears that he will find out the truth about her past and reject her But what if the truth is that they are made for each other And that God longs to give them the desires of their hearts if only they will seek Him first

a real openness even playfulness between male and female lovers which challenges and expands more traditional views of middle class private life in Victorian America Lystra refutes the common belief that Victorian men and women held passionlessness as an ideal in their romantic relationships Enabling us to enter the hidden world of Victorian lovers the letters they left behind offer genuine proof of the intensity of their most private interactions feelings behaviors and judgments Lystra discusses how Victorians anthropomorphized love letters treating them as actual visits from their lovers insisting on reading them in seclusion sometimes kissing them as Albert does with Violet s and even taking them to bed She also explores how courtship rituals which included the setting and passing of tests of love succeeded in building unique emotional bonds between lovers and how middle class views of romantic love which encouraged sharing knowledge and intimacy gave women more power in the home Through the medium of love letters Searching the Heart allows us to enter unnoticed the Victorian bedroom and parlor We will leave with a different view of middle class Victorian America
