

Roaring Tides

Another day to exist
perched on the lip of consequence
while caring is cast aside
against the cast of rearing tides

the brave face is roundly worn
this double entendre speaks aloud
of fortitude that seems present
tires of wishing so much less

with corners lost in response
from erosion of the mind
the sanity that seems steady
demands a peace beyond the grave

perhaps the storm asks too much
another turn from dark to dark
the sleep outside repeated days
is the time sadly faced.

Long Yesterday And Other Poems

Long Yesterday And Other Poems:

Long Yesterday and Other Poems Nathan Comfort Starr, 1972-01-01 *Some Longer Elizabethan Poems* Various Authors, 2020-09-28 As there is no need to adopt a strictly chronological order for the poems included in the present volume I have begun with the *Orchestra* and *Nosce Te ipsum* of Sir John Davies 1569 1626 who was undoubtedly one of the most brilliant figures of the Elizabethan Age Well born and gently bred educated at Winchester and at New College Oxford Davies was exceptionally fortunate in escaping the pecuniary cares that harassed so many Elizabethan men of letters From the Middle Temple he was called to the bar in 1595 at the age of twenty six In the previous year *Orchestra* had been entered in the Stationers Register but the poem was first published in 1596 From the dedicatory sonnet to Richard Martin we learn that it was written in fifteen days There are however no signs of haste in the writing and it may fairly be claimed that this poem in praise of dancing is a graceful monument of ingenious fancy Lucian composed a valuable and entertaining treatise on dancing and I suspect that gave Davies the idea of writing *Orchestra* With this compare Lucian as Englished by Jasper Mayne First then you plainly seem to me not to know that dancing is no new invention or of yesterday s or the other day s growth or born among our forefathers or their ancestors But they who most truly derive dancing say it sprung with the first beginning of the universe and had a birth equally as ancient as love It would be easy to multiply instances Of course Davies borrowings from Lucian do not for a moment detract from his poem s merit indeed they give an added zest In the 1596 edition *Orchestra* ends with a compliment to Queen Elizabeth and stanzas in praise of Spenser Daniel and others Davies had evidently intended to write a sequel for when *Orchestra* was republished in the collective edition of his poems 1622 it was described on the title page as not finished some new stanzas were added and it ended abruptly in the middle of a simile The poem is quite long enough as we have it in the 1596 edition and we need not lament that Davies failed to carry out his intention of continuing it To his youthful days belong the Epigrams which were bound up with Marlowe s translation of Ovid s *Amores* with a Middleburgh imprint occasionally indecorous they are seldom wanting in wit and pleasantry Some Longer Elizabethan Poems Various, 2021-05-19 This work is an exciting and rare collection of some of the most incredible long American poems of the Elizabethan era by the lesser known poets of that time These are poems with profound meaning and are considered to be gems in the history of poetry The collection consists of Poems by Sir John Davies Richard Barnfield Antony Scoloker Michael Drayton and many more This volume consists of a detailed and well written introduction by English editor and publisher Arthur Henry Bullen who is a specialist in 16th and 17th century literature *Catalog of Copyright Entries.
