Long Mans Song:

Man-song John Gneisenau Neihardt,1991-01-01 Originally published just months after his marriage to Mona Martinsen the poems collected in Man Song celebrate passionate love and offer many personal glimpses of the young John Neihardt Unashamedly erotic they reveal his capacity for love at age twenty eight Poems like A Vision of Woman and Women Wine show the lover s prejudices and greedy need for caresses and strong embraces Those like To Volney Streamer are addressed to male friends and anticipate the theme of male bonding that runs throughout his work Because passion takes various forms Man Song also include lyrics of the warrior little like the war chants Neihardt later learned from Plains Indians Battle Cry a poem that was recited by Clarence Darrow and Samuel Gompers is an example of the fighting songs current in the European avant garde preceding World War I Neihardt was beginning his struggle to reconcile the demands of the robustly physical life with spiritual insight His love poems for the American West were still to come but in Man Song he is already exploring the vast tract between the essentially erotic and the divine that would be cultivated in his later work This edition is the first complete reprinting of the work since 1909 **Longmans' German Composition** John Ulrich Ransom,1894 **Longmans' New Zealand readers** Longmans, Green and co,1900 **The Annual American Catalog, 1900-1909** ,1903 **Songs of Silence** Curdella Forbes,2021-06-28 There have been many great and enduring works of literature by Caribbean authors over the last century The Caribbean Contemporary Classics collection celebrates these deep and vibrant stories overflowing with life and acute observations about society Falling in the spaces between knowing and not knowing between silence and not speaking Told from the perspective of Marlene Songs of Silence is a vivid collection of reflections and recollections that meander through life in rural Jamaica observing the lives and bonds of its colourful boisterous inhabitants Rich poetical and profoundly contemplative the recollections transcend the gossip and intrigue the unsaid thoughts and silences to ossify in a maturation of selfhood It is not the Bam Baddam of Papacita but rather the murmur of the river this inexplicable river and its cool morning misty silence that settles across this collection singing to it and to the reader in a thoughtful lull and soft hum

Song of Songs J. Cheryl Exum,2005-10-17 This original commentary foregrounds at every turn the poetic genius of the Song of Songs one of the most elusive texts of the Hebrew Bible J Cheryl Exum locates that genius in the way the Song not only tells but shows its readers that love is strong as death thereby immortalizing love as well as in the way the poet explores the nature of love by a mature sensitivity to how being in love is different for the woman and the man Many long standing conundrums in the interpretation of the book are offered persuasive solutions in Exum s verse by verse exegesis The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through
