Longest Tunnel The True Story Of The Great Escape

Marc H. Stevens

Longest Tunnel The True Story Of The Great Escape:

The Longest Tunnel Alan Burgess,1990 Recounts the escape attempt of seventy six Allied POWs three of whom made it to safety and describes the trial of the Gestapo who killed recaptured POWs *The Longest Tunnel* Alan Burgess,1990 A carefully researched account of how 76 British and American officers escaped from Stalag Luft III Known as the Great Escape this is one of the best known escape stories of World War II Only three escapees reached freedom and over 50 were executed on Hitler s orders [The Longest Tunnel](#) Alan Burgess,1991 **The True Story of the Great Escape** Jonathan F. Vance,Simon Pearson,2019-08-30 The real history behind the classic war movie and the men who plotted the daring escape from a Nazi POW camp Between dusk and dawn on the night of March 24th 25th 1944 a small army of Allied soldiers crawled through tunnels in Germany in a covert operation the likes of which the Third Reich had never seen The prison break from Stalag Luft III in eastern Germany was the largest of its kind in the Second World War Seventy nine Allied soldiers and airmen made it outside the wire but only three made it outside Nazi Germany Fifty were executed by the Gestapo In this book Jonathan Vance tells the incredible story that was made famous by the 1963 film The Great Escape It is a classic tale of prisoners and their wardens in a battle of wits and wills The brilliantly conceived escape plan is overshadowed only by the colorful daring and sometimes very funny crew who executed it literally under the noses of German guards From the men s first days in Stalag Luft III and the forming of bonds among them to the tunnel building amazing escape and eventual capture Vance s history is a vivid compelling look at one of the greatest exfiltration missions of all time Shows the variety and depth of the men sent into harm s way during World War II something emphasized by the population of Stalag Luft III Most of the Allied POWs were flyers with all the technical tactical and planning skills that profession requires Such men are independent thinkers craving open air and wide open spaces which meant that an obsession with escape was almost inevitable John D Gresham **The Great Escape** Mike Meserole,2017-09 Nearly 100 Allied prisoners of war attempt to break out of a supposedly escape proof Nazi camp in 1944 by secretly creating a 350 foot tunnel **The Great Escape** Ted Barris,2013-09-16 A unique retelling of WWII s most dramatic escape told through first hand recollections of the soldiers who experienced it On the night of March 24 1944 80 Commonwealth airmen crawled through a 336 foot long tunnel and slipped into the forest beyond the wire of Stalag Luft III a German POW compound near Sagan Poland The event became known as The Great Escape an intricate breakout more than a year in the making involving as many as 2 000 POWs working with extraordinary coordination intelligence and daring Yet within a few days all but three of the escapees were recaptured Subsequently 50 were murdered cremated and buried in a remote corner of the prison camp But most don t know the real story behind The Great Escape Now on the eve of its 70th anniversary Ted Barris writes of the key players in the escape attempt those who got away those who didn t and their families at home Barris marshals groundbreaking research into a compelling firsthand account For the first time The Great Escape retells one of the most astonishing episodes in WWII

directly through the eyes of those who experienced it Joint Winner of the Libris Award for Non Fiction Book of the Year 2014

IT'S GREAT ESCAPE.** Alan Burgess,1990 **Dreams of Flight** Dana Polan,2021-11-09 Introduction Engineering The great
escape from book to film and in between Tunneling in The great escape style theme and structure After lives Appendix It
really happened *The Last Escape* John Nichol,Tony Rennell,2003-09-04 As WW2 drew to a close hundreds of thousands of
British and American prisoners of war held in camps in Nazi occupied Europe faced the prospect that they would never get
home alive In the depths of winter their guards harried them on marches out of their camps and away from the armies
advancing into the heart of Hitler's defeated Germany Hundreds died from exhaustion disease and starvation THE LAST
ESCAPE is told through the testimony of those heroic men now in their seventies and eighties and telling their stories
publicly for the first time **Escape, Evasion and Revenge** Marc H. Stevens,2020-01-24 A truly remarkable story Marc
Stevens has produced a fitting tribute to his father who played a full part in the defeat of Nazi Germany HistoryOfWar.org
Peter Stevens was a German Jewish refugee who escaped Nazi persecution as a teenager in 1933 He joined the RAF in 1939
and after eighteen months of pilot training he started flying bombing missions against his own country He completed twenty
two missions before being shot down and taken prisoner by the Nazis in September 1941 To escape became his raison d'être
and his great advantage was that he was in his native country He was recaptured after each of his several escapes but the
Nazis never realized his true identity He took part in the logistics and planning of several major breakouts including The
Great Escape but was never successful in getting back to England After liberation when the true nature of his exploits came
to light he was awarded the Military Cross He then served as a British spy at the beginning of the Cold War before
emigrating to Canada to resume a normal life This is the story of a heavily conflicted young man alone in a world that is in
the midst of destruction He is afforded an opportunity to help his persecuted people to obtain a small measure of revenge It
is at once a sad yet uplifting tale of thankless and unheralded heroism This is a wartime career that would make any son
proud but Steven's real triumph is in writing a biography that will satisfy the most discerning historian National Defence
Journal The Great Escape from Stalag Luft III Tim Carroll,2010-06-15 The true story of one of the most heroic feats of
World War II the daring prison camp breakout that inspired the classic film The Great Escape Stalag Luft III was one of the
Germans escape proof prison camps specially built by Hermann Göring to hold Allied troops But on March 24 1944 in a
courageous attempt by two hundred prisoners to break out through a series of tunnels seventy six Allied officers managed to
evade capture and create havoc behind enemy lines in the months before the Normandy Invasion This is the incredible story
of these brave men who broke free from the supposedly impenetrable barbed wire and watchtowers of Stalag Luft III and
who played an important role in Allied intelligence operations within occupied Europe The prisoners developed an intricate
espionage network relaying details of military deployment bombings and raids Some of them were involved in other daring

escape attempts including the famous Wooden Horse episode also turned into a classic film and the little known Sachsenhausen breakout engineered by five Great Escapers sent to die in the notorious concentration camp on Hitler's personal orders. Tragically fifty of those involved in the Great Escape were murdered by the Gestapo. Others were recaptured, only a few made it all the way to freedom. This dramatic account of personal heroism is a testament to their ingenuity and achievement, a stirring tribute to the men who never gave up fighting. Includes eight pages of photographs and illustrations, excerpts from Goring's testimony during postwar investigations and a list of the men who escaped.

The True Story of the Wooden Horse Robert J. Laplander, 2014-04-30 This in-depth historical study reveals fascinating new insight into the famous Wooden Horse escape of three Allied POWs from a Nazi prison camp. In 1943 three British prisoners of war plotted a daring and ingenious escape from Stalag Luft III by making use of a hollowed-out gymnastic vaulting horse. A year before the events of The Great Escape, which would take place at the same camp, Lieutenants Michael Codner, Eric Williams, and Oliver Philpot executed the plan that Williams later recounted in his classic memoir *The Wooden Horse*. Now Robert Laplander presents a revealing new account in this comprehensive study of Stalag Luft III and the many attempts at escape that occurred there during the Second World War. As Laplander explains, Williams' memoir was impeded by both a lack of necessary historical scope and regulations of the Crown. In *The True Story of the Wooden Horse*, Laplander makes use of newly released official documents and eye-witnesses' reports. Supplemented by illustrations including shots of a full-scale replica of the vaulting horse, this volume presents an exhaustive account of the escape in its entirety, set in the context of the camp's history.

Human Game Simon Read, 2013-10-01 In March and April of 1944, Gestapo gunmen killed fifty POWs, a brutal act in defiance of international law and the Geneva Conventions. This is the true story of the men who hunted them down. The mass breakout of seventy-six Allied airmen from the infamous Stalag Luft III became one of the greatest tales of World War II, immortalized in the film *The Great Escape*. But where Hollywood's depiction fades to black, another incredible story begins. Not long after the escape, fifty of the recaptured airmen were taken to killing fields throughout Germany and shot on the direct orders of Hitler. When the nature of these killings came to light, Churchill's government swore to pursue justice at any cost. A revolving team of military police led by squadron leader Francis P. McKenna was dispatched to pick up a trail long gone cold. Amid the chaos of postwar Germany, divided between American, British, French, and Russian occupiers, McKenna led a three-year manhunt that brought twenty-one Gestapo killers to justice. In *Human Game*, Simon Read delivers a clear-eyed and meticulously researched account of this often overlooked saga of hard-won justice.

Includes Photos

Escape from Stalag Luft III Bram Vanderstok, Simon Pearson, 2019-06-30 A memoir of the most decorated pilot in Dutch history and one of the World War II POWs who fled Nazi Germany, what is known as The Great Escape. On the night of 24 March 1944, Bram Vanderstok was the eighteenth of 76 men who crawled out of Stalag Luft III in Zagan, Poland. The 1963 film *The Great Escape* was largely based on this autobiography, but with Vanderstok's agreement, filmmakers chose to turn his story

into an Australian character named Sedgwick played by James Coburn His memoir sets down his wartime adventures before being incarcerated in Stalag Luft III and then describes various escape attempts which culminated with the famous March breakout After escaping Vanderstok roamed Europe for weeks before making it back to England Two months after escaping he returned to the British no 91 Squadron In the following months he flew almost every day to France escorting bombers and knocking down V1 rockets In August 1944 he finally returned to his home He learned that his two brothers had been killed in concentration camps after being arrested for resistance work His father had been tortured and blinded by the Gestapo during interrogation He had never betrayed his son His escapes his operations as a Spitfire pilot his experiences as a prisoner of war and his incredible escape crossing the Pyrenees all are described in a breathtaking manner which made me read his book through in one sitting Prof Dr L de Jong founder director of the Dutch Institute for War Documentation Such a modest man such a dramatic story you ll be pulled into this absorbing account Jonathan Vance author of The True Story of the Great Escape **United States Naval Institute Proceedings** ,2004 **Masters of the Air MTI** Donald L.

Miller,2024-01-23 A history recounting the events and experiences of the World War II bomber pilots of the U S Eighth Air Force the armed forces group that conducted daytime bombing of Germany in advance of the Allied soldiers arrival on the ground **World War II Goes to the Movies & Television Guide** Terry Rowan,2012-03-07 A complete film guide to all of your films and television shows that pertain to WWII Included are every WWII film produced throughout the world Historical and informative Stories behind the Hollywood Canteen USO shows War Bond drives those who served or were classified as 4F during the war Many interested stories Colditz Myth C , Through first hand accounts of hundreds of ordinary prisoners of war Paul MacKenzie strips away the mythology and presents the real picture of what it was like to be captured and interrogated and to endure the physical and mental hardships of captivity Colditz is placed in a wider historical context

Rhino Tanks and Sticky Bombs Robert P. Wettemann,2025-06-10 Coming of age during the Great Depression the American boys who fought in World War II had through necessity developed a unique brand of technological resourcefulness This proficiency Robert P Wettemann Jr contends provided GIs with another weapon in a distinctly American way of war Rhino Tanks and Sticky Bombs is Wettemann s eminently readable account of how this hard won use it up wear it out make it do or do without mentality was critical to America s success giving servicemen the know how and can do spirit to creatively engineer solutions to wartime problems More than all the other soldiers in the conflict American servicemen grew up in a society where the machine was ubiquitous where enduring an unparalleled period of financial distress meant learning to keep their Model Ts Fordson tractors or other machinery operational Wettemann describes how this tinkerer s mentality promoted a technical aptitude and willingness to adapt unmatched by other armies fielded during World War II At the same time the US command structure demonstrated a willingness to evaluate accept and employ such efforts to improve both fighting capacity and the general comfort of US servicemen Seamlessly blending social military intellectual and technological

history Rhino Tanks and Sticky Bombs weaves an engaging narrative about the roots of American ingenuity during World War II and makes a compelling case for a specific instance of American distinctiveness that proved crucial to Allied victory

The Colditz Myth S. P. MacKenzie, 2006-09-21 Though only one among hundreds of prison camps in which British servicemen were held between 1939 and 1945 Colditz enjoys unparalleled name recognition both in Britain and in other parts of the English speaking world Made famous in print on film and through television Colditz remains a potent symbol of key virtues including ingenuity and perseverance against apparently overwhelming odds that form part of the popular mythology surrounding the British war effort in World War II Colditz has played a major role in shaping perceptions of the POW experience in Nazi Germany an experience in which escaping is assumed to be paramount and Outwitting the Hun a universal sport The story of Colditz has been told often and in a variety of forms but in this book MacKenzie chronicles the development of the Colditz myth and puts what happened inside the castle in the context of British and Commonwealth POW life in Germany as a whole Being a captive of the Third Reich from the moment of surrender down to the day of liberation and repatriation was more complicated and a good deal tougher than the popular myth would suggest The physical and mental demands of survival far outweighed escaping activity in order of importance in most camps almost all of the time and even in Colditz the reality was in some respects very different from the almost Boy's Own caricature that developed during the post war decades In *The Real Colditz* MacKenzie seeks for the first time to place Colditz both the camp and the legend in a wider historical context

Longest Tunnel The True Story Of The Great Escape Introduction

In today's digital age, the availability of Longest Tunnel The True Story Of The Great Escape books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Longest Tunnel The True Story Of The Great Escape books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Longest Tunnel The True Story Of The Great Escape books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Longest Tunnel The True Story Of The Great Escape versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Longest Tunnel The True Story Of The Great Escape books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Longest Tunnel The True Story Of The Great Escape books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Longest Tunnel The True Story Of The Great Escape books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Longest Tunnel The True Story Of The Great Escape books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Longest Tunnel The True Story Of The Great Escape books and manuals for download and embark on your journey of knowledge?

FAQs About Longest Tunnel The True Story Of The Great Escape Books

1. Where can I buy Longest Tunnel The True Story Of The Great Escape books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Longest Tunnel The True Story Of The Great Escape book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Longest Tunnel The True Story Of The Great Escape books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets:

You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Longest Tunnel The True Story Of The Great Escape audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Longest Tunnel The True Story Of The Great Escape books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
