*Longman Companion to Britain Since 1945* Chris Cook, John Stevenson, 2014-09-09 This timely new edition of the Longman Companion to Britain since 1945 compiled by the series editors themselves provides a wide ranging compendium of key facts and figures on British history from the start of the landmark Attlee government in 1945 to the final years of the 1990s The book embraces all major aspects of British history government and society reflecting the massive social political and economic changes that have transformed the face of Britain since the end of the Second World War Fully revised and updated this new edition covers the advent of Tony Blair the electoral victory of New Labour in 1997 and the major constitutional changes currently underway in Britain This book will be invaluable to anyone interested in the history and politics of post war Britain from students and teachers to party activists and lovers of reader friendly reference books

*The Longman Companion to the Labour Party, 1900-1998* Harry Harmer, 2014-09-25 A timely reference guide to the Labour Party which brings together the essential facts and figures about the Party since its foundation through to the New Labour of the 1990 s It is the essential reference book for anyone wanting reliable information on the Labour Party

*The Longman Companion to Britain in the Era of the Two World Wars 1914-45* Andrew Thorpe, 2014-09-19 In the momentous period barely 30 years covered by this systematic reference guide the Edwardian world was transformed unrecognisably through war technological progress and social change into the Nuclear Age It saw the coming of mass democracy the apogee of empire the Depression the threat of fascism the development of suburban society and as yet scarcely understood the end of Britain s international hegemony Andrew Thorpe s superb contribution to the Companions series illuminates all this and much else It will be indispensable to anyone interested in the history and politics of modern Britain

*Conflicts in the Middle East since 1945* Peter Hinchcliffe, Beverley Milton-Edwards, 2007-09-12 This third edition

of Conflicts in the Middle East since 1945 analyzes the nature of conflict in the Middle East with its racial ethnic political cultural religious and economic factors Throughout the book Peter Hinchcliffe and Beverley Milton Edwards put the main conflicts into their wider context with thematic debates on issues such as the emergence of radical Islam the resolution of conflicts diplomacy and peace making and the role of the superpowers The book is brought fully up to date with events in the Middle East covering for instance developments in Iraq in 2006 where a democratically elected government is in place but the insurgency show no sign of coming under control The analysis of the Palestinian Israeli conflict is also brought up to the present day to include the election of the Hamas government and the 2006 conflict between Israel and Lebanon s Hizballah Including a newly updated bibliography and maps of the area this is the perfect introduction for all students wishing to understand the complex situation in the Middle East in its historical context

**Longman Companion to the Formation of the European Empires, 1488-1920** Muriel E. Chamberlain, 2014-06-11 The European empires as they existed from the Age of Discovery until after the First World War shaped the modern world So great has been their political economic and cultural influence that to fully understand contemporary history and events it is essential to have an understanding of the imperial past This book is an impressive achievement It brings together in one comprehensive volume all the essential facts and figures relating to the process of empire building by the European powers It complements the Longman Companion to European Decolonisation in the Twentieth Century by the same author together they help to explain why different empires had different philosophies dissolved in different ways and left different legacies

**The Longman Companion to America in the Era of the Two World Wars, 1910-1945** Patrick Renshaw, 2014-07-10 Between 1910 and 1945 the United States transformed itself into a Super Power By 1945 with rivals in Europe and Asia shattered by world war she dominated global economic financial and political arrangements and monopolised the atomic bomb This new Companion to History is an indispensable guide to this critical period in US history It includes chronologies listing all the major events both foreign and domestic social and economic history with many tables based on inaccessible data scores of mini biographies listings of the major office holders and maps

*The Longman Companion to Nazi Germany* Tim Kirk, 2014-06-11 Here is a wealth of factual and interpretative information about Germany between 1918 and 1945 Designed for maximum practicality it sets the Hitler years in their wider context with most sections spanning the Weimar Republic and the rise of Nazism as well as the Third Reich itself In addition to political chronologies and anatomies of the Nazi party and the police state there is detailed information on economy society and culture diplomacy rearmament and war and racial politics and the Holocaust Biographies glossary and a rich annotated bibliography complete an invaluable study aid

*A Concise History of the Middle East* Ibrahim Al-Marashi, Arthur Goldschmidt Jr., 2018-09-03 A Concise History of the Middle East provides a comprehensive introduction to the history of this turbulent region Spanning from pre Islam to the present day it explores the evolution of Islamic institutions and culture the influence of the West modernization efforts in the Middle East the struggle of various

peoples for political independence the Arab Israel conflict the reassertion of Islamic values and power the issues surrounding the Palestinian Question and the Middle East post 9 11 and post Arab uprisings The twelfth edition has been fully revised to reflect the most recent events in and concerns of the region including the presence of ISIS and other non state actors the civil wars in Syria and Yemen and the refugee crisis New parts and part timelines will help students grasp and contextualize the long and complicated history of the region With updated biographical sketches and glossary and a new concluding chapter this book remains the quintessential text for students of Middle East history **Longman Companion to the First**

**World War** Colin Nicolson,2014-07-15 This new Companion covers one of the most devastating conflicts in modern history The Great War traumatised a generation and shaped the whole of the twentieth century Speaking as loudly as any first hand account the facts and figures laid out in this volume reveal the sheer massive destruction caused by the war Covering all aspects of the conflict from its origins and course to the peace settlements and the crises they generated Colin Nicolson unravels historical controversies and also considers the social cultural and economic consequences of the war for the whole of Europe Containing all the essential facts and figures this Companion will be greatly welcomed by teachers academics and students alike **The Origins of the Arab Israeli Wars** Ritchie Owendale,2015-10-23 This highly regarded history gives a

balanced and judicious introduction to this immensely complex and controversial subject weaving different strands of the story into a single coherent narrative thus making it essential reading for all students studying conflict in the Middle East Of all the troubles affecting the modern world few are as topical deep rooted and intractable as the Arab Israeli conflict For this region an understanding of the past is vital to an understanding of the present Ritchie Owendale s classic study of the roots of the conflict is now updated for a fourth time and considers events until 2003 **The Hashemites** Robert

McNamara,2010-09-07 The story of the Arab Revolt and the Hashemite princes who led it during the First World War is inextricably linked in modern eyes to the legend of Lawrence of Arabia as portrayed in David Lean s 1962 film But behind this romantic image lies a harsher reality of wartime expediency double dealing and dynastic ambition which shaped the modern Middle East and laid the foundations of many of the conflicts that rack the region to this day Arab nationalists claim that British instigation for the Arab Revolt against the Ottoman Empire was a commitment to independence for the Arab people but in this book Robert McNamara shows how the British cultivated the Hashemite Sherifs of Mecca more as an alternative focus during the First World War for Muslim loyalty from the Ottoman Sultan who as Caliph had declared a jihad against the Allies when the Turks joined the Central Powers than a leader of an independent and united Arabia At the same time the Sykes Picot Agreement divided up the Middle East between British and French spheres of influence The sense of betrayal that this caused has coloured Arab nationalists views of the West ever since The main countries of the Middle East Jordan Syria and Iraq are all the creations of the post First World War settlement worked out at the Paris Peace Conference The story of the Hashemite dynasty at the Paris Peace Conference is the story of the birth of the modern history of a region

that is now more than ever at the centre of world affairs      Palestine and the Palestinians Samih K. Farsoun, 2018-05-04  
Palestine and the Palestinians is a sweeping social economic ideological and political history of the Palestinian people from antiquity to the Road Map to Peace This second edition is thoroughly revised and updated including entirely new chapters on the most current issues confronting Palestine today including Palestinians in Israel the Oslo Accords and the Second Intifada Palestinian refugees and the right to return Jerusalem the diplomatic peace process and two state single state solutions

**Soviet Jewish Aliyah, 1989-1992** Clive Jones, 1996 Soviet Jewish Aliyah 1989 92 provides new insights into a period of fundamental change in Israel and the Middle East It explains how the Israeli government failed to effectively handle the integration of new emigres from the Soviet Union and how it alienated traditional Likud supporters among Oriental Jews in Israel Clive Jones s argument is that by placing its ideological commitment to the retention of the West Bank above other priorities the Likud leadership made itself beholden to the United States for financial assistance which was then denied The resulting fundamental change in the composition and orientation of the Israeli political leadership has had a major influence on the course of the Arab Israeli peace process
