Look Magazine April :

Look Andrew L. Yarrow,2021 Andrew L Yarrow tells the story of Look magazine one of the greatest mass circulation publications in American history and the very different United States in which it existed The all but forgotten magazine had an extraordinary influence on mid twentieth century America not only by telling powerful thoughtful stories and printing outstanding photographs but also by helping to create a national conversation around a common set of ideas and ideals Yarrow describes how the magazine covered the United States and the world telling stories of people and trends injustices and triumphs and included essays by prominent Americans such as Martin Luther King Jr and Margaret Mead It did not shy away from exposing the country s problems but it always believed that those problems could be solved Look which was published from 1937 to 1971 and had about 35 million readers at its peak was an astute observer with a distinctive take on one of the greatest eras in U S history from winning World War II and building immense increasingly inclusive prosperity to celebrating grand achievements and advancing the rights of Black and female citizens Because the magazine shaped Americans beliefs while guiding the country through a period of profound social and cultural change this is also a story about how a long gone form of journalism helped make America better and assured readers it could be better still Provided by publisher

Gorham,2023-02-21 Perfect for readers of A Woman of No Importance Three Ordinary Girls and Eleanor A Life comes the first ever biography of Anna Marie Rosenberg the Hungarian Jewish immigrant who became FDR s closest advisor during World War II and according to Life the most important official woman in the world a woman of many firsts whose story forgotten for too long is extraordinary inspiring and uniquely American Her life ran parallel to the front lines of history yet her influence on 20th century America from the New Deal to the Cold War and beyond has never before been told A Goodreads Choice Awards Nominee What The Confidante provides with cinematic color and encyclopedic clarity is a resurrection THE WALL STREET JOURNAL As Franklin Delano Roosevelt s special envoy to Europe in World War II she went where the president couldn t go She was among the first Allied women to enter a liberated concentration camp and stood in the Eagle s Nest Hitler s mountain retreat days after its capture She guided the direction of the G I Bill of Rights and the Manhattan Project Though Anna Rosenberg emerged from modest immigrant beginnings equipped with only a high school

education she was the real power behind national policies critical to America winning the war and prospering afterward Astonishingly her story remains largely forgotten With a disarming mix of charm and Tammany hewn toughness Rosenberg began her career in public relations in 1920s Manhattan She became friends with Eleanor Roosevelt who recommended Anna to her husband who was then running for Governor of New York As FDR s unofficial adviser Rosenberg soon wielded enormous influence no less potent for being subtle Roosevelt dubbed her my Mrs Fix It Her extraordinary career continued after his death By 1950 she was tapped to become the assistant secretary of defense the highest position ever held by a woman in the US military prompting Senator Joe McCarthy to wage an unsuccessful smear campaign against her In 1962 she organized John F Kennedy s infamous birthday gala sitting beside him while Marilyn Monroe sang Until the end of her life Rosenberg fought tirelessly for causes from racial integration to women s equality to national health care More than the story of one remarkable woman The Confidante explores who gets to be at the forefront of history and why Though she was not quite a hidden figure Rosenberg s position as the power behind combined with her status as an immigrant and a Jewish woman served to diminish her importance In this inspiring impeccably researched and revelatory book Christopher C Gorham at last affords Anna Rosenberg the recognition she so richly deserves Far and away the most important woman in the American government and perhaps the most important official female in the world LIFE magazine 1952 *Brown-Eyed Children of the Sun* George Mariscal,2005 A broad study of the Chicano a movement in the Viet Nam War era
