Look To The North A Wolf Pup Diary:

Look to the North Jean Craighead George, 1997 Brief diary entries that mark the passage of the seasons introduce the events in the lives of three wolves as they grow from helpless pups to participants in their small pack's hunt **Look to the North** Jean Craighead George, 1997 Brief diary entries that mark the passage of the seasons introduce the events in the lives of three wolves as they grow from helpless pups to participants in their small pack's hunt **Look to the North** Jean Craighead George, 1998-09-18 Newbery Medalist Jean Craighead George lovingly tells the story of three wolf pups from the moment they open their eyes to the time they lead the hunt Lyrical passages in her wolf pup diary describe how the pups tumble and play and when they first learn to howl and talk wolf talk Readers are reminded of the changes in nature that are happening in the lower 48 states as they look to the north to watch the wolf pups grow Jean George's words and Lucia Washburn's breathtaking paintings give the reader a rare glimpse of one of nature's noblest creatures the wolf Making Sense Juli Kendall, Outey Khuon, 2005 Reading is all about understanding Many English language learners simply do not understand what they are reading whether it's a picture book a literature selection or a science textbook Juli Kendall and Outey Khuon believe that small group comprehension lessons have a key role to play in advancing students' understanding of texts Making Sense provides answers to many common questions asked by teachers of English language learners How do we organize small group comprehension instruction How do we select books to teach strategies How do we know our kids are getting it and what do we do when they don't get it It is an easy to use practical resource for ELD ESL and ESOL pull out teachers and for push in teachers working in class to support English language learners The book's five main sections are geared to the stages of language proficiency and lessons are divided into younger and older students spanning kindergarten through grade 8 The authors outline fifty-two lessons that teach students how to make connections ask questions visualize make mental images infer determine importance and synthesize Each lesson follows a four-part teaching framework Start Up Connection helping students build background and use prior knowledge to connect to the lesson Give Information explicitly telling students what they are going to learn and why they are learning it and then teaching them Active Involvement often occurs during the teaching as students practice what they are learning while the teacher checks for understanding and monitors and adjusts instruction Off You Go opportunities for students to practice what they learned with peers or independently Making Sense also explores the stages of language proficiency through descriptions of ten English language learners of different ages A chart of student characteristics for each stage shows how students demonstrate understanding and outlines the implications for planning instruction This book will appeal to experienced teachers seeking to expand their repertoire of lessons as well as new teachers just beginning the adventure of teaching comprehension to English language learners *Read It Again!* Brenda Parkes, 2023-10-10 This book anchors shared reading as an essential element within a comprehensive and balanced literacy program Margaret Mooney In this book Brenda Parkes introduces new teachers to

shared reading and helps experienced teachers revitalize this important teaching practice Starting with the bedtime story *Read It Again* outlines the essential elements and benefits of shared reading and provides detailed examples which show how a shared reading session unfolds in the classroom By including examples of implicit and explicit teaching Brenda demonstrates how shared reading helps children develop a range of strategies for reading and comprehending text You will find detailed strategies that support learners in developing self extending systems through their understanding of content and process and several examples of independent activities that consolidate and extend learning Good book selection is the key to successful shared reading experiences In discussing the criteria for quality book selection Brenda shows us how to critically assess the teaching and learning possibilities in shared reading books and how to use a variety of text types to model purpose content and form The book includes an analysis of supportive text features for the different needs of emergent early and fluent readers Annotated bibliographies provide a quick reference to quality books *Read It Again* refines and extends our understanding of shared reading and shows primary teachers how to put this valuable approach into practice

Picturing the Wolf in Children's Literature Debra Mitts-Smith, 2012-12-06 From the villainous beast of Little Red Riding Hood and The Three Little Pigs to the nurturing wolves of Romulus and Remus and Rudyard Kipling's *The Jungle Book* the wolf has long been a part of the landscape of children's literature Meanwhile since the 1960s and the popularization of scientific research on these animals children's books have begun to feature more nuanced views In *Picturing the Wolf in Children's Literature* Mitts Smith analyzes visual images of the wolf in children's books published in Western Europe and North America from 1500 to the present In particular she considers how wolves are depicted in and across particular works the values and attitudes that inform these depictions and how the concept of the wolf has changed over time What she discovers is that illustrations and photos in works for children impart social cultural and scientific information not only about wolves but also about humans and human behavior First encountered in childhood picture books act as a training ground where the young learn both how to decode the symbolic wolf across various contexts and how to make sense of real wolves Mitts Smith studies sources including myths legends fables folk and fairy tales fractured tales fictional stories and nonfiction highlighting those instances in which images play a major role including illustrated anthologies chapbooks picture books and informational books This book will be of interest to children's literature scholars as well as those interested in the figure of the wolf and how it has been informed over time

Don't Leave the Story in the Book Mary Hynes-Berry, 2015-04-24 Drawing from 30 years of teaching and professional development experience this book offers a roadmap for using children's literature to provide authentic learning Featuring a storyteller's voice each chapter includes a case study about how a particular fiction or nonfiction work can be used in an early childhood classroom a series of open ended questions to help readers construct their own inquiry units and a bibliography of children's literature This book provides a unique synthesis of ideas based on constructivist approaches to learning including the importance of positive dispositions and learning

communities the nature of higher order thinking and the relationship between methods such as guided inquiry in the sciences and balanced literacy
