

Looking At Canada

Patrick Vollmar

Looking At Canada:

Let's Look at Canada Gr. 4-6 , Canada Looks South Peter McKenna,2012-12-06 Recent events in the western hemisphere have led to a dramatic shift in the strategic and political importance of Latin America But with relations still cool between the United States and Cuba and Venezuela becoming more distant every day there is considerable potential for Canada with its longstanding commitment to constructive engagement to forge mutually beneficial relations with these nations as well as rising industrial and economic players such as Mexico and Brazil In Canada Looks South experts on foreign policy in Canada and Central America provide a timely exploration of Canada's growing role in the Americas and the most pressing issues of the region Starting with the historical scope of the bilateral relationship the volume goes on to cover such subjects as trade engagement democratization and security As current and future Canadian governments embrace expanding linkages with this region this collection fills a significant gap in scholarship on Canadian Latin American relations Pulp and Paper Magazine of Canada ,1918 *A Preliminary Look at Flourishing Congregations in Canada: What Church Leaders are Saying* Arch Wong,Bill McAlpine,Joel Thiessen,Keith Walker,2017-01-06 This monograph presents the context for congregations in Canada across Catholic Mainline and Conservative Protestant sectors The monograph presents the voices of several dozen experts from across Canada and presents preliminary findings from consultations with over 100 denominational and local congregation leaders **Substate Regionalism and the Federal System: A look to the North, Canadian regional experience** United States. Advisory Commission on Intergovernmental Relations,1974 *Canada and the British World* Phillip Buckner,R. Douglas Francis,2011-11-01 In the decades following the Second World War a revolutionary change took place in the Canadian national identity The English Canadian majority entered this period identifying themselves as British and emerged from it with a new independent sense of themselves as purely Canadian Assured of their unique place in the world Canadians can now reflect on the legacies and lessons of their British colonial past *Canada and the British World* surveys Canada's national history through a British lens In a series of essays focusing on the social cultural and intellectual aspects of Canadian identity over more than a century the complex and evolving relationship between Canada and the larger British World is revealed Examining the transition from the strong belief of nineteenth century Canadians in the British character of their country to the realities of modern multicultural Canada this book eschews nostalgia in its endeavour to understand the dynamic and complicated society in which Canadians did and do live Candid and ambitious *Canada and the British World* is recommended reading for historians and scholars of colonialism and nationalism as well as anyone interested in what it really means to be Canadian Canada Donald J. Savoie,2023-05-15 Canada's political structure runs contrary to North America's economic geography and the north south economic pull Canada imported political and administrative institutions designed for a unitary state and its political leaders have struggled to make them work since the country was founded Because of this many Canadians their communities and their regions view themselves as

victims to a greater degree than groups in other Western democracies do Our federal government has shown a greater willingness to apologize for historical wrongs than other Western countries Canada also outperforms other nations in helping victims make the transition to full participants in the country's political and economic life Donald Savoie maintains that Canada continues to thrive despite the many shortcomings in its national political institutions and the tendency of Canadians to see themselves as victims and that our history and these shortcomings have taught us the art of compromise Canada's constitution and its political institutions amplify rather than attenuate victimization however they have also enabled Canadians to manage the issue better than other countries Canadians also recognize that the alternative to Canada is worse and this more than anything else continues to strengthen national unity Drawing on his extensive experience in academe and as an advisor to governments Savoie provides new insights into how Canada works for Canadians

Looking After Children Raymond A. Lemay, Hayat Ghazal, 2007 *Looking After Children* is an assessment and planning approach for children and youth in out of home care first developed in the UK and since 1997 adapted and used increasingly in Canada particularly in Ontario The approach is developmental and strengths based The Assessment and Action Record AAR the core clinical tool provides the basis for an in depth assessment interview which then leads to a comprehensive care plan The AAR is computerized and provides the possibility of data aggregation and the recent revision allows for comparability among Canadian children as assessed by the National Longitudinal Survey of Children and Youth *Looking After Children A Practitioner's Guide* includes training material that will help practitioners understand and put the LAC approach and tools to effective use Published in English

The Geographical Journal, 1906 Includes the Proceedings of the Royal geographical society formerly published separately

The Canadian Quandary Harry G. Johnson, 2005 Harry G Johnson is best known as one of Canada's most respected economists particularly for his research on international trade and finance and monetary policy But Johnson was also a prolific and influential public intellectual A sharp and popular polemicist he wrote on a wide range of subjects from advertising to affluence to foreign investment and was published in *Punch* and *The Spectator* as well as all the leading economic journals *The Canadian Quandary* is a collection of unbuttoned pieces written in Johnson's witty and acerbic style between 1958 and 1963 Focusing on Canadian policy on trade and foreign policy the volume includes Johnson's classic dismemberment of the Canadian nationalist movement Although Trudeau's Foreign Investment Review Agency and National Energy Policy have been dismantled economic nationalism persists it is a testament to both the lucidity of Johnson's mind and the vigour and clarity of his writing that many of his opinions on this debate remain fresh interesting and relevant William Watson's introduction provides an intriguing look at Johnson's life and work

Canadian Forestry Journal, 1916

Queerly Canadian, Second Edition Scott Rayter, Laine Halpern Zisman, 2022-09-14 In the second edition of this remarkable and comprehensive anthology many of Canada's leading sexuality studies scholars examine the fundamental role that sexuality has played and continues to play in the building of our nation and in our national narratives myths and

anxieties about Canadian identity Thoroughly updated this new edition features twenty six new chapters on topics including Indigenous kinship Blackness masculinity disability queer resistance and sex education Covering both historical and contemporary perspectives on nation and community law and criminal justice organizing and activism health and medicine education marriage and family sport and popular culture and representation the essays also take a strong intersectional approach integrating analyses of race class and gender This interdisciplinary collection is essential for the Canadian sexuality studies classroom and for anyone interested in the mythologies and realities of queer life in Canada FEATURES Sixty percent new and expanded content with twenty six new chapters Thoroughly updated to reflect a strong emphasis on the diversity of queer experiences and identities in Canada Each chapter includes a brief introduction written for this collection by the author that provides helpful context about their work for both students and teachers *The Fugitives; Or, a Trip to Canada, ... Chiefly Founded on Facts* Edward LANE (A resident in Lower Canada.),1830 *From the Outside Looking In* Matthew J. Grow,2015-10-01 This book contains fifteen essays each first presented as the annual Tanner Lecture at the conference of the Mormon History Association by a leading scholar Renowned in their own specialties but relatively new to the study of Mormon history at the time of their lectures these scholars approach Mormon history from a wide variety of perspectives including such concerns as gender identity creation and globalization Several of these essays place Mormon history within the currents of American religious history for example by placing Joseph Smith and other Latter day Saints in conversation with Ralph Waldo Emerson Nat Turner fellow millenarians and freethinkers Other essays explore the creation of Mormon identities demonstrating how Mormons created a unique sense of themselves as a distinct people Historians of the American West examine Mormon connections with American imperialism the Civil War and the wider cultural landscape Finally the essayists look at continuing Latter day Saint growth around the world within the context of the study of global religions Examining Mormon history from an outsider s perspective the essays presented in this volume ask intriguing questions share fresh insights and perspectives analyze familiar sources in unexpected ways and situate research on the Mormon past within broader scholarly debates **Canadian Quandary** Harry Johnson,2006-01-30 The Canadian Quandary is a collection of unbuttoned pieces written in Johnson s witty and acerbic style between 1958 and 1963 Dealing with Canadian policy on trade and foreign policy the volume includes Johnson s classic dismemberment of the Canadian nationalist movement Though Trudeau s Foreign Investment Review Agency and National Energy Policy have long since been dismantled economic nationalism persists and it is a testament to both the lucidity of Johnson s mind and the vigour and clarity of his writing that many of his opinions on this debate are still fresh interesting and relevant *Electronic Discovery in Canada* Oleh Hrycko,2007-08 **Canada and Africa in the New Millennium** David R. Black,2015-03-31 Canada s engagement with post independence Africa presents a puzzle Although Canada is recognized for its activism where Africa is concerned critics have long noted the contradictions that underlie Canadian involvement Focusing on the period following

2000 and by juxtaposing Jean Chrétien's G8 activism with the Harper government's retreat from continental engagement David R Black's *Canada and Africa in the New Millennium* illustrates a history of consistent inconsistency in Canada's relationship with Africa Black combines three interpretive frames to account for this record the tradition of good international citizenship Canada's role as a benign face of Western hegemonic interests in Africa and Africa's role as the basis for a longstanding narrative concerning Canada's ethical mission in the world To examine Africa's place in Canada's foreign policy and Canada's place in Africa Black focuses on G8 diplomacy foreign aid security assistance through peace operations and training and the increasingly controversial impact of Canadian extractive companies Offering an integrated account of Canada's role in sub-Saharan Africa Black provides a way of understanding the nature and resilience of recent shifts in Canadian policy He underscores how Africa though marginal to Canadian interests as traditionally conceived has served as an important marker of Canada's international role

The Curriculum History of Canadian Teacher Education Theodore Michael Christou, 2017-08-07 Organized by region this edited collection provides a comprehensive look at how teacher education has evolved regionally and nationally in Canada Offering an in-depth look at specific provinces and territories this volume contextualizes the landscape of Canadian public education and the place of teacher education within it Shedding light on the ways Canadian teacher education was shaped by and in turn influenced its environment contributors evaluate the current state of education and consider themes tensions and historical developments presenting a view of teacher education that encompasses both its future and its past A significant contribution to the field of curriculum history this book offers a benchmark for conversations about the purposes means and ends of teacher education in Canada

International Economic Integration: Integration schemes Miroslav Jovanovic, 1998 *Seeking Order in Anarchy* Robert W. Murray, 2016-07-20 *Seeking Order in Anarchy* offers insights into both the theoretical foundations and the real world outcomes of multilateralism in world affairs Recognizing that Tom Keating's theories though rooted in Canadian foreign policy have a broader application in international relations Robert W Murray has assembled an array of interpretations of multilateralism and case studies examining its practical effects Drawing from the insights of fourteen noted scholars and featuring an essay from Tom Keating himself the volume examines the conditions that encourage states to adopt multilateral strategies and the consequences of doing so in the context of increasingly complex global politics *Seeking Order in Anarchy* is an important book for scholars graduate students policy makers and anyone interested in how multilateralism functions in today's world

Looking At Canada Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Looking At Canada**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
