Looking Back Going Forward:

Looking Back, Moving Forward Girish Daswani, 2015-01-01 Looking Back Moving Forward investigates the embodied practices interpersonal relationships and moments of self reflection in the lives of members of the Church of Pentecost in Ghana and amongst the Ghanaian diaspora in London

Moving Forward, Looking Back Malte Hagener, 2007 This book the first full critical overview of the film avant garde ushers in a new approach and in the process creates its own subject While many books have studied particular aspects of the European film avant garde of the 1920s and 1930s Moving Forward Looking Back provides a much needed summary of the theory and practice of the movement while also emphasizing aspects of the period that have been overlooked Arguing that a European perspective is the only way to understand the transnational movement the book also pioneers a new approach to the alternative cinema network that sustained the avant garde paying particular attention to the emergence of film culture as visible in screening clubs film festivals and archives It will be essential to anyone interested in the influential movement and the film culture it created

Moving Forward, Looking Back Sarah M. Misemer, 2010 Many critical shifts in concepts of time and society's consciousness of modernity were derived from the railway and World Standard Time in the nineteenth century These innovations restructured the way people viewed the world and dealt with public and private time The forward projectile motion along a linear track mimicked the passage of public chronological time Conversely the train also invoked a private nostalgic view of time as the traveler was yanked from his/her traditional view of the space time continuum via the train's velocity Travelers observed the landscape disappear in their backward glance from the window although the landscape and interior compartment's space remained stagnant This optical illusion caused passengers to perceive the world in new ways Thus the train unveils a conflictive blend of nostalgia and progress in the River Plate as these countries move forward but look back

Research in Social Movements, Conflicts and Change Patrick G. Coy, 2013-07-01 This volume brings together multi method research on political mobilization in the USA rights in Peru peacebuilding in Croatia and Israel Palestine local forums in the Occupy movement and a crowd behaviors in the context of university party riots

Words from the Window Seat Taylor Tippet, 2021-10-12 Flight attendant Taylor Tippet had just finished beverage service and was sitting in the back of a Boeing 737 when she had a revelation How can I show kindness to these passengers if I can't show it to myself She grabbed a tiny notepad and a Sharpie and wrote a simple message that would change her life Be kind to yourself Before she had time to think about it Taylor taped the note to a window posted a picture and then left the slip of paper in a seat back pocket for someone on the next flight to find What started as a personal project to encourage herself and others soon became a viral sensation In Words from the Window Seat Taylor shares stories of her travels daily life and interactions with people of all kinds anchoring each chapter around a note she's left for a stranger to find As she takes you from Chicago to Paris to Barcelona on planes trains and even a skateboard you'll Learn how to embody love through little acts of kindness Discover the small moments of magic in the

everyday Find ways to embrace your authentic self With charm inspiration and plenty of whimsy Taylor reminds us that even in a weary world it s possible to celebrate the beauty in each person s unique story and make an impact that goes deeper than you ll ever know Praise for Words from the Window Seat These pages will empower you to explore the many opportunities we have each day to encounter light and share love with others while traveling Whether traveling by air or traveling through life This book is an encouragement to be present in the everyday no matter what comes your way Morgan Harper Nichols bestselling author of All Along You Were Blooming

Shifting Practices Giovan Francesco Lanzara,2016-03-18 How disruptions and discontinuities caused by the introduction of new technologies often reveal aspects of practice not previously observed What happens in an established practice or work setting when a novel artifact or tool for doing work changes the familiar work routines Any unexpected event or change or technological innovation creates a discontinuity organizations and individuals must reframe taken for granted assumptions and practices and reposition themselves To study innovation as a phenomenon then we must search for situations of discontinuity and rupture and explore them in depth In Shifting Practices Giovan Francesco Lanzara does just that and discovers that disruptions and discontinuities caused by the introduction of new technologies often reveal aspects of practice not previously observed After discussing methodological and research issues Lanzara presents two in depth studies

focusing on processes of design and innovation in two different practice settings music education and criminal justice In the first he works with the music department of a major American university to develop Music LOGO a computer system that allows students to explore musical structures with simple composition like exercises and experiments In the second he works with the Italian court system in the design and use of video technology for criminal trials In both cases drawing on anecdotes and examples as well as theory and analysis he traces the new systems from design through implementation and adoption Finally Lanzara considers the researcher s role and the relationship encompassing empathy vulnerability and temporality between the reflective researcher and actors in the practice setting

Wisdom of Gabriel Lisa Hodgson,2014-12-08

Wisdom of Gabriel is a book that was channeled in 2006 and is a compilation of three books in one It has three different topics that Archangel Gabriel talks about as he is channeled by Lisa It is an inspirational and thought provoking book with intention to throw some light on life s conditions Gabriel expresses concepts that describe new ways of perceiving and understanding each topic The three books each covering a different topic are Wisdom of Love Wisdom of Children and Wisdom of Time Wisdom of Love goes into why and how man expresses love and shows ways that one can free oneself up to love more Wisdom of Children explains how our children are a gift to us and that they can lead us back to our God Source Wisdom of Time explores the concept of time and how it can free us or limit us All three books work synergistically to help us understand the human condition better It is merely an exploration and self help book with an honest and direct style all written with love and compassion

Stealing Benefacio's Roses Martín Prechtel,2006-06-07 Following the acclaimed Secrets of The Talking Jaguar and Long Life Honey in the Heart this is an expansive lyrical novel in the tradition of indigenous oral storytelling Based on the author s many years of living in a Guatemalan village Stealing Benefacio s Roses interweaves dramatic recountings of village life and the political horrors of civil war with lyric retellings of sacred Mayan myths The story shifts expertly from timeless with archetypal characters like Raggedy Boy and the goddess known as the Water Skirted Beauty to timely in the book s striking first person narrative set in the 1980s Prechtel shows how ancient myths can become a part of life for everyone and help nurture spiritual survival in the modern world Though it comes third in sequence with the author s other two books Stealing Benefacio s Roses also stands on its own as a classic work of spiritual seeking and adventure

Little Green Apples O. C. Smith,2003 LITTLE GREEN APPLES GOD REALLY DID MAKE THEM shows readers how to choose grab and bite into the best apples in every season and in every orchard of their lives This book is an action directed life manual that teaches readers the form and formula for living life and living it abundantly to acknowledge recognize and accept their divinity identity to approach life with the Christ consciousness and the knowledge that God is the Source of all that is good and that God has deliberately prepared all good in abundance for them If you ve ever bitten into a green apple only to be startled by the tart flavor that surprisingly wakes you up and makes your eyes water you already get a sense of the impact O C Smith had on his friends his church and the world As you turn each page be

prepared to experience a powerful dose of O C s joy love wisdom and happiness Like the eye opening taste of a crisp green apple O C will wake you up to a new understanding of life It s been said that one bad apple can spoil the whole bunch but once you read Little Green Apples God Really Did Make Them you ll see how one good apple can change the world Wally Amos creator of Famous Amos Chocolate Chip Cookies and also an inspirational writer says in the foreword Isn t it interesting that O C Smith s claim to fame was a song God Didn t Make Little Green Apples Years later after many life experiences ministerial school and teaching O C discovers that God made everything An astute and articulate observer of life as a glancing review of his hit pop songs will prove to anyone Rev O C Smith in writing this book is singing his best song yet As you turn each page be prepared to experience a powerful dose of O C s joy love wisdom and happiness Like the eye opening taste of a crisp green apple O C will wake you up to a new understanding of life **Urban Ministry** Ronald E. Peters,2011-07-01 A comprehensive introduction to the particular challenges and opportunities of congregational ministry in urban settings Urban ministry has long been a part of seminary curricula but a basic and definitive understanding of what students should know as they prepare for congregational ministry in the city has remained elusive Too often it is assumed that the theological resources developed for ministry in other settings are adequate for urban ministry but these resources fail to account for the unique challenges and opportunities of the urban setting Ronald Peters clarifies the nature of urban ministry as a theological discipline by showing how its core values of love justice community and reconciliation among others engage the issues of economics education family life public health ethnic relations and religious life in the urban environment Arguing that the city has always served as an arena of God s activity Peters articulates a theological rationale for urban ministry that is both hopeful and yet realistic affirming that God loves the city and its people and encouraging practitioners to do the same *Forgiving What the World Says You Shouldn't* Kallist Cazares,2025-04-10 Every woman affected by betrayal wants freedom from painful intrusive memories and to get help navigating their marriage The problem is in a world that worships fleeting emotions it s easy to believe that the only way through infidelity is to leave Or if they choose to stay they become a prisoner of fear and anger resulting in bitterness However as Christians we are called to a higher standard in our marriages one of holiness Yes even the unequally yoked ones When we embrace God s transformative power instead of indulging in detrimental emotions or acts he refines and sanctifies us our unsaved spouses and marriages Kallista Sanchez helps uncover unpopular opinions and often overlooked truths on what God thinks about forgiving sexual betrayal When we consider that he may want us to keep our covenant obedience is the door to blessing What s more forgiveness isn t about erasing the pain but allowing trials to become a catalyst for growth and redemption Untold Futures J. Morrison,2022-02-13 This book is a book of inspirations directly from what I feel the Lord wanted me to share with others through some of my personal experiences Each day is a new day filled with words of wisdom to help make your day brighter but ultimately for you to become better This book is filled with encouragement to those who may be in a low place in their lives and don t know how to get through This book is inspirational as well to keep those who are in a good place moving forward in a positive manner and eager to see what each new day may bring This book was written to encourage empower and inspire from a loving place right from my heart Taylor Swift and Philosophy Catherine M. Robb,Georgie Mills,2024-08-28 Is Taylor Swift a philosopher What can her songs tell us about ethics and society What is the nature of friendship Should you forgive someone for breaking your heart Taylor Swift is a Mastermind when it comes to relationships songwriting and performing sold out stadium tours But did you know that Taylor is also a philosophical mastermind Taylor Swift and Philosophy is the first book to explore the philosophical topics that arise from Taylor Swift s life and music Edited and authored by Swifties who also happen to be philosophers and scholars this fun and engaging book is written with general readers in mind you don t have to be a devoted fan or a specialist in philosophy to explore the themes concepts and questions expressed in Taylor s songs Presenting top tier research and new perspectives on important contemporary issues twenty seven chapters discuss the philosophical contexts of Taylor s work such as the ethics of reputational damage the impacts of first impressions the moral obligation to speak out against injustice and much more Taylor Swift and Philosophy is a must read for Swifties who want to deepen their appreciation and understanding of Taylor s work as well as for philosophy students and scholars with an interest in popular culture and media studies *Postcolonial Screen Adaptation and the British Novel* Vivian Y. Kao,2020-10-01 This book brings film adaptation of literature to bear on the question of how nineteenth century imperial ideologies of progress continue to inform power inequalities in a global capitalist age Not simply the promotion of general

betterment for all improvement in the British colonial context licensed a superior master race to uplift its colonized populations morally socially and economically This book argues that on the one hand film adaptations of nineteenth century novels reveal the arrogance and coercive intentions that underpin contemporary notions of development humanitarianism and modernity improvement s post Victorian guises On the other hand the book also argues that the films use their nineteenth century source texts to criticize these same legacies of imperialism By bringing together film adaptation postcolonial theory and literary studies the book demonstrates that adaptation as both method and cultural product provides a way to engage with the baggage of ideological heritage in our contemporary global media environment *A.J.M.* Jim Carlisle,Alex Gill,2010-07-09 From the Introduction by Alex Gill Before embarking on the A I M program I was just an ordinary guy with a problem that many many others have had at some point in their careers I was unhappy I was becoming bitter I complained about my job a lot I knew I was in a rut and couldn t figure out what to do about it I felt powerless unfocused and alone And I didn t see a way I could make things improve That was my starting point before I began the A I M process Today I run my own firm that helps dozens of nonprofits improve their community impact each year I work on very interesting and socially relevant projects for an ever growing roster of clients I have flown around the world to talk about community building environmentalism and social marketing I also teach at an innovative downtown university where the students are a joy to teach and my fellow professors often remark on my enthusiasm for my work and life in general My friends and family constantly note that I seem happier and more motivated as the years go by This did not happen because of some exceptional piece of luck nor because of some superhuman ability or intelligence on my part I was someone who happened upon a method the A I M method that helped me determine who I was and what inspired me and then put me on the path to achieving it It happened because I put those principles into action with the help and guidance of a coach like Jim Carlisle I hope as you read this book that you will appreciate how A I M changed my life and how it could help you change yours Jim and I have taken the better part of a year to write this book because we believe in strongly in helping those who need a way out Every day we see people who would benefit from taking charge of their lives and moving forward to achieve inspire and make a difference If you see a bit of yourself in my story or in the dozens of stories we will share in this book read on I hope your journey is even more productive and rewarding than my own
