Four Lives Janice Rubin, Honey Hilzen, Peggy O'Hea, Theda von Schultz Bray, 2001-11-14 Why are some people able to survive unpropitious beginnings thrive and even excel while others in equivalent circumstances cannot The four women whose memoirs make up this volume met several years ago in an autobiography workshop Despite early years that included physical emotional and sexual abuse deaths and abandonments and the terror of living in a country at war they remained sufficiently self possessed and determined to go on to live productive lives often giving back more than they had received How did they manage to do it Was Theda's loving family her protective shield Was Honey's willingness to accept help and learn from others her salvation Did Peggy's brightness charm and independence give her the confidence to take on the world Was Janice's determination to matter her incentive This book offers no answers but there are enough clues in each of the four stories on which to base reasonable conjectures

Looking Back, Moving on David Rogers, Janice Rubin, 2000-07 David Rogers has a specific point of view and he lets it all out in a new extremely enjoyable book of three marvelous long short stories Stories by an Atheist Here are paragraphs from each Sunday Morning There was a pond behind the house they rented a good distance off for some legs In the evenings sometimes while Julia was busy in the kitchen getting supper Jay and the boys walked down to the pond Jay to stand on the dock and watch while the boys lay on their stomachs and peered between the planks The pond was alive with sunnies that rushed at everything that fell into the water especially breadcrumbs Some had white edges on their fins and fringes on their tails and they were the best kind The other kind smaller darker and quicker got most of the bread Once a little painted turtle appeared and paddled around and around chasing all the fishes and though shouted at and spat upon wouldn't go away Seventeen You saw her didn't you said Gus What more do you want What's she hanging around here for If it wasn't raining she'd be out of the road thumbing for Chrisake She's got to get to town absolutely has to get to town some big deal with her girl friend If she don't get there she'll die Go home and get your car and come back and tell her you'll take her anywhere she wants to go and you know what you do you take her out in the woods and tell her either she fucks or she walks and what do you bet she fucks I couldn't do that said Herby He was shocked She's only a kid He was only a kid himself The Funeral Emily and Micky Christine were among the last to reach the celebrity The priest pushed through the crowd as they approached put his arms around them kissed them both on the lips Everett noted and sorrowfully shook his head Everett was brought forward and introduced an introduction he would rather have avoided

were it possible The priest shook his hand patted his arm and said it was good to see him He told the girls he had known their father for years more years than he cared to remember and had known their mother as well a lovely woman It had hit him hard her passing and now here it was old Jim s turn not an old man by any means and did they know what had taken him On learning that no one seemed to know he said the doctors might be good people but they didn t know as much as they thought they did They had lost a good man in Jim Turner but it looked as if they had found another He said this with a roguish glance at Everett who flushed with pleasure in spite of himself and felt a damned fool for so doing

**The Forgotten Girls** Monica Potts, 2024-04-30 NEW YORK TIMES BESTSELLER An acclaimed journalist tries to understand how she escaped her small town in Arkansas while her brilliant friend could not and in the process illuminates the unemployment drug abuse sexism and evangelicalism killing poor rural white women all over America A clear eyed and tender debut This book is as much the author's story as a piece of reportage The Wall Street Journal Growing up gifted and working class poor in the foothills of the Ozarks Monica and Darci became fast friends The girls bonded over a shared love of reading and learning even as they navigated the challenges of their tumultuous family lives and declining town broken marriages alcohol abuse and shuttered stores and factories They pored over the giant map in their middle school classroom tracing their fingers over the world that awaited them vowing to escape In the end Monica left Clinton for college and fulfilled her dreams but Darci along with many in their circle of friends did not Years later working as a journalist covering poverty Potts discovered what she already intuitively knew about the women in Arkansas Their life expectancy had dropped steeply the sharpest such fall in a century This decline has been attributed to deaths of despair suicide alcoholism and drug overdoses but Potts knew their causes were too complex to identify in a sociological study She had grown up with these women and when she saw Darci again she found that her childhood friend addicted to drugs often homeless a single mother was now on track to becoming a statistic In this gripping narrative Potts deftly pinpoints the choices that sent her and Darci on such different paths and then widens the lens to explain why those choices are so limited The Forgotten Girls is a profound compassionate look at a population in trouble and a uniquely personal account of the way larger forces such as inheritance education religion and politics shape individual lives

extraordinary long awaited memoir of his struggle to reclaim his life and find his calling after being severely burned as a young Marine lieutenant in Vietnam In January 1967 Robert Timberg was a short timer counting down the days until his combat tour ended He had thirteen days to go before he got to go back home to his wife in Southern California That homecoming would eventually happen but not in thirteen days and not as the person he once was The moment his vehicle struck a Vietcong land mine divided his life into before and after He survived barely with third degree burns over his face and much of his body It would have been easy to give up Instead Robert Timberg began an arduous and uncertain struggle

back not just to physical recovery but to a life of meaning Remarkable as his return to health was he endured thirty five operations one without anesthesia just as remarkable was his decision to reinvent himself as a journalist and enter one of the most public of professions Blue Eyed Boy is a gripping occasionally comic account of what it took for an ambitious man aware of his frightful appearance but hungry for meaning and accomplishment to master a new craft amid the pitying stares and shocked reactions of many he encountered on a daily basis By the 1980s Timberg had moved into the upper ranks of his profession having secured a prestigious Nieman Fellowship at Harvard and a job as White House correspondent for The Baltimore Sun Suddenly his work brought his life full circle the Iran Contra scandal broke At its heart were three fellow Naval Academy graduates and Vietnam era veterans Oliver North Bud McFarlane and John Poindexter Timberg s coverage of that story resulted in his first book The Nightingale s Song a powerful work of narrative nonfiction that follows these three academy graduates and two others John McCain and Jim Webb from Annapolis through Vietnam and into the Reagan years In Blue Eyed Boy Timberg relates how he came to know and develop a deep understanding of these five men and how their stories helped him understand the ways the Vietnam War and the furor that swirled around it continued to haunt him and the nation as a whole as they still do even now nearly four decades after its dismal conclusion Like others of his generation Robert Timberg had to travel an unexpectedly hard and at times bitter road In facing his own life with the same tools of wisdom human empathy and storytelling grit he has always brought to his journalism he has produced one of the most moving and important memoirs of our time

and his mother is feeding him raw sugarcane for the first time With the sweetness still on his tongue he runs to a field where he falls asleep under a glowing pink sky The conditions of rural poverty prove too much for his family to bear and Rodr guez moves with his mother and three of his nine siblings across the border to McAllen Texas Now a resident of the other side Rodr guez experiences the luxury of indoor toilets and gazes at television commercials promising more food than he has ever seen But there is no easy passage into this brighter future Poignant and lyrical House Built on Ashes contemplates the promises limitations and contradictions of the American Dream Even as it tells a deeply personal story it evokes larger political cultural and social realities It speaks to what America is and what it is not It speaks to a world of hunger prejudice and far too many boundaries But it speaks as well to the redemptive power of beauty and its life sustaining gift of hope
