Capitalism by Gaslight Brian P. Luskey, Wendy A. Woloson, 2015-03-18 While elite merchants financiers shopkeepers and customers were the most visible producers consumers and distributors of goods and capital in the nineteenth century they were certainly not alone in shaping the economy Lurking in the shadows of capitalism's past are those who made markets by navigating a range of new financial instruments information systems and modes of transactions prostitutes dealers in used goods mock auctioneers illegal slavers traffickers in stolen horses emigrant runners pilfering dock workers and other ordinary people who through their transactions and lives helped to make capitalism as much as it made them Capitalism by Gaslight illuminates American economic history by emphasizing the significance of these markets and the cultural debates they provoked These essays reveal that the rules of economic engagement were still being established in the nineteenth century delineations between legal and illegal moral and immoral acceptable and unsuitable were far from clear The contributors examine the fluid mobility and unstable value of people and goods the shifting geographies and structures of commercial institutions the blurred boundaries between legitimate and illegitimate economic activity and the daily lives of men and women who participated creatively and often subversively in American commerce With subjects ranging from women's studies and African American history to material and consumer culture this compelling volume illustrates that when hidden forms of commerce are brought to light they can become flashpoints revealing the tensions fissures and inequities inherent in capitalism itself Contributors Paul Erickson Robert J Gamble Ellen Gruber Garvey Corey Goetsch Joshua R Greenberg Katie M Hemphill Craig B Hollander Brian P Luskey Will B Mackintosh Adam Mendelsohn Brendan P O Malley Michael D Thompson Wendy A Woloson

Gangs Scott Cummings, Daniel J. Monti, 1993-03-03 This book is an examination of contemporary gangs in American cities Gangs have proliferated over the past ten years and pose a new set of challenges to public officials law enforcement agencies and urban educators Most major cities are now confronted with serious problems derived from gang violence drug traffic and disruption of the public educational system In the face of deindustrialization and deepening recession many minority youngsters view gangs as attractive alternatives to a futile search for employment in a deteriorating urban economy Perhaps most significant gangs are now beginning to emerge in small and medium sized cities Some of the nation's leading scientists and scholars

have been brought together in this book to examine the contemporary contours of America's gang problem including Daniel J. Monti, Joan Moore, Scott Cummings, Howard Pinderhughes, Diego Vigil, Ray Hutchison, Felix Padilla, Jerome H. Skolnick, Pat Jackson, and Robert A. Destro. New material dealing with wilding gangs, migration and drug trafficking and public educational disruption appear in this volume. Other topics covered include how gangs are organized, what social function they serve, their relation to conventional society and the social and psychological factors that contribute to their rise. The relationship of the contemporary gang problem to past research is explored and a rich variety of case histories and comparative analysis is presented. The book also includes a section on public policy.

Some Remarks on Crime-cause Richard Vaux, 1879 **The Life and Letters of Roscoe Conkling** Alfred Ronald Conkling, 1889 **Listen for a Lonesome Drum** Carl Carmer, 1995-05-01 In this classic book Carl Carmer describes the social life and customs of his native New York. Wandering from Buffalo to the Adirondacks across upstate New York, he heard folk tales, tall tales, stories of religious fervor and scandal. A born storyteller himself, Carmer writes about the beautiful Genesee, the Seneca and Tuscarora, the Cardiff Giant and the Loomis Gang and the story of the Murdered Bride of Rensselaer County. **Stolen Horses** Dorothy Pedersen, 2004 Relates stories about horse theft in Canada both past and present and the valiant efforts of those who track them down. **Global Organized Crime** Mitchel P. Roth, 2017-01-20 In the maelstrom of globalization and cyberspace, organized crime continues to defy definition. A diverse array of activities is perpetuated by criminal organizations, criminal groups and associations, and gangs, and it is clear that one specific label is no longer adequate. This book offers a uniquely global approach to organized crime and the multitude of forces that shape it in the 21st century. As well as discussing definitions of and the historical roots of organized crime, this book examines various forms of organized crime around the world: in the US, Mexico, Latin America and the Caribbean, Russia and Europe, Asia and Africa. This revised and updated new edition includes coverage of the rise of the Ndrangheta in Italy and their global expansion, the impact of drug legalization on organized crime and the problem of methamphetamine, organ trading, money laundering and animal poaching, changes in gang traditions and gangland penitentiaries, the decentralization of Mexican cartels, the growth of opium production in Myanmar and the drug war in Africa and the advancement of ISIS and the emergence of the Silk Road and the Dark Net. This book is essential reading for students engaged in the study of global and transnational organized crime, with features including chapter overviews, key terms, critical thinking questions and case studies. **Tales From The Tunnickliff Inn** Bill Waller, 2017-05-29 A two hundred year old Cooperstown village inn steeped in history, looming in mystery and renowned for local lore with hundreds of stories encased within its brick walls, author Bill Waller unearths some of these tales woven in some local folklore and even takes you to the Baseball Hall of Fame Induction ceremony by his fictional accounts of some of the Tunnickliff's interesting guests.
