Whole Wild World Tom Dusevic,2016-05-01 In this exuberant and compelling memoir of family and childhood readers will be swept away by Tom Dusevic s verve warmth and honesty

Suburban Sydney in the 1970s is an adventure playground especially for a busybody free range kid with energy big appetites and ungodly urges In such open space backyards are arenas for daydreaming and free play scars are marks of wisdom and school is an obstacle course between pleasure and pain And so is home as the author tries to make sense of his parents history and identity known but unknowable as post war refugees from Croatia He longs to be liberated from the family s quirks and the past and finds his escape in quiet moments of awe and simplicity This is a sensory tale of a glorious time to grow up in Australia by a visceral writer whose epiphanies are as startling as they are hilarious From rowdy street protests and footy crowds to the serenity of the Roselands Raindrop Fountain and storm water canals to the fevered set of a TV quiz show and the disco floor Dusevic launches himself into the whole wild world **Vitaphone Films** Roy Liebman,2015-05-20 The headline of the Variety extra on October 27 1926 proclaimed Vitaphone1 Thrills L A Vitaphone a subsidiary of Warner Bros formed in association with Western Electric was one of the major producers of talkies even though its sound on disc technology barely lasted four years The Vitaphone features and shorts that have survived intact or that have been so carefully restored preserve much of the show business history that might otherwise have been lost with the industry s fast paced advances in movie making This book is a catalogue of Vitaphone features and shorts The first section lists the features and shorts by release number The New York productions 1926 1940 are listed first followed by the West Coast productions 1927 1970 For shorts the following particulars if known and if applicable are given title alternate title s instrumental and vocal selections performed on screen composer s and performers of instrumental and vocal selections release date and synopsis of the film names of major cast members and directors set information if two or fewer sets were used and the amount paid to early performers For features entries list release dates genre and major cast members The section on performers includes only those who appeared in shorts listing dates and places of birth when known *When Everything Beyond the Walls Is Wild* Lilace Mellin Guignard,2019-03-27 In *When Everything Beyond the Walls Is Wild* Lilace Mellin Guignard draws from emblematic moments and relationships in her own life to explore issues of gender recreation and environmental conservation Born into a suburban family Guignard wanted to get up close and personal with iconic American landscapes but social pressures and cautionary tales told her that these spaces were not meant for her as a woman Reflecting on the ways our culture socializes women to remain indoors Guignard shares her own struggles with finding her place outdoors Refusing to stay indoors and safe Guignard drove cross country with her dog worked as a river guide and set out to climb Mount Whitney She recounts navigating outdoor interactions with male friends and strangers that range from wonderful to awkward to frightening Now that she is settled with her own family Guignard writes about how it is still more difficult for women than men to prioritize outdoor recreation time These stories expose how cultural messages about women shape their experiences and interactions when backpacking paddling rock climbing and bicycling They broaden readers notions of what adventure is what places are considered wild and worth our care and what types of people enjoy the outdoors

Drawing upon the art of the memoir and informed by analysis from women's studies and ecological literature Guignard makes an impassioned case for why women and marginalized members of society should have the opportunity to experience nature. The self-reliance and connection with the natural world that outdoor recreation fosters are qualities we all need in order to do the work required by the environmental challenges ahead. **Wild Life!** Re:wild, Syd Robinson, 2021-12-07

Ruefref were one of Northern Ireland's most popular and uncompromising punk rock bands. Emerging from the Belfast street gang culture of the late 1970s, the group, inspired by The Clash, enjoyed a turbulent decade-long career. They played for millions on CNN and Channel 4, toured with The Pogues, and recorded the controversial *The Wild Colonial Boy*, which attacked American donations to Northern Irish terrorist organisations. Throughout it all, founder, member, songwriter, and spokesperson Thomas Paul Burgess ensured the band remained faithful to their Protestant working-class origins. This candid memoir takes us on a journey from the streets of Belfast to encounters with U2, Shane MacGowan, The Cure, The Fall, and Seamus Heaney. From strife-torn 1970s Belfast to bohemian London, *Wild Colonial Boys* tells the story of a punk band who refused to give up and stayed true to their punk roots.
