Lorca's Experimental Theater Andrew A. Anderson, 2024-11-25 Critical and historical discussions of the life and work of Federico García Lorca Spain's foremost poet and playwright of the twentieth century often obscure the author's more avant garde dramatic works In *Lorca's Experimental Theater* Andrew A. Anderson focuses on four of Lorca's most challenging plays *Amor de don Perlimplín con Belisa en su jardín* *El público* *As que pasen cinco años* and *El sueño de la vida* previously known as *Comedia sin título* and on the surrounding context in which they came to be written and in only one case performed during his lifetime While none of Lorca's plays can be considered conventional these four works stand out in his corpus for challenging theatrical conventions most forcefully both thematically and technically With discussions of stagecraft artistic modernism and the historical avant garde Lorca's *Experimental Theater* provides detailed interpretive readings of the four plays surveys their textual and performative history and examines the most important contemporary influences on Lorca's creation of these expressive innovative works

[Two cines con niño](#) Erin K. Hogan, 2018-08-23 *The Two cines con niño* is the first genre study of Spanish language child starred cinemas It illuminates continuities in the political use of the child protagonist in over fifty years of Spanish cinema and how the child starred genres use the concept of childhood to retrospectively define the nation and its future

The Oxford Guide to Literature in English Translation Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important

texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators

Exploring Race, Ethnicity, Gender, and Sexuality in Four Spanish Plays Beth Ann Bernstein, 2021-07-21

Exploring Race Ethnicity Gender and Sexuality in Four Spanish Plays explores society s influence on identity in Spanish theatrical works and discusses parallels to these works in contemporary popular culture The Spanish plays *El retablo de las maravillas* The Marvelous Puppet Show by Miguel de Cervantes Saavedra 1615 *Virtudes vencen se ales* Virtues Overcome Signs by V lez de Guevara 1620 *El p blico* The Audience by Federico Garc a Lorca 1929 and *La llamada de Lauren* Lauren s Call by Paloma Pedrero 1985 all deal with characters in the midst of a crisis of identity Using an eclectic approach supported by contemporary theories of race ethnicity gender and sexuality Beth Bernstein analyzes the four plays in terms of identity and shows how society imposes the construction of identity As the characters reach to define themselves internal and external pressures guide them in interpreting acceptable behavior This book offers a close reading of the psychological struggle of the characters driven by society to cover their differences with a symbolic mask which if donned will eventually devour their true identity

Old Stories, New Readings Miriam López-Rodríguez, Alfonso Ceballos

Muñoz, Inmaculada Pineda-Hernández, 2015-02-27 Whether imaginary or based on real events stories are at the core of any culture. Regardless of their length their rhetoric strategies or their style humans tell stories to each other to express their innermost fears and needs to establish a point within an argument or to engage their listeners in a fabricated composition. Stories can also serve other purposes such as being used for entertainment for education or for the preservation of certain cultural traits. Storytelling is at the heart of human interaction and as such can foster a dialogic narrative between the person creating the story and their audience. In literature this dialogue has been traditionally associated with narrative in general and with the novel in particular. However other genres also make use of storytelling including drama. This volume explores the ways in which American theatre from all eras deals with this how stories are told onstage what kinds of stories are recorded in dramatic texts and how previously neglected realities have gained attention through the American playwright's telling or retelling of an event or action. The stories unfolded in American drama follow recent narratology theories particularly in the sense that there is a greater preference for those so called small stories over big stories. Despite the increase in the production of this type of texts and the growing interest in them in the field of narratology small stories are literary episodes that have been granted less critical attention particularly in the analysis of drama. As such this volume fills a void in the study of the stories presented on the American stage. *The Oxford Guide to Plays* Michael Patterson, 2007. Anyone with an academic professional amateur or recreational interest in the theatre is likely to want to look up details of particular plays sometimes perhaps to check on the author or on when they were first performed or perhaps to see how many characters they have and whether or not they would be suitable for their theatre company or drama group to perform. The Oxford Dictionary of Plays provides essential information on the 1000 best known best loved and most important plays in world theatre. Each entry includes details of title author date of composition date of first performance genre setting and the composition of the cast and more. A synopsis of the plot and a brief commentary perhaps on the context of the play or the reasons for its enduring popularity follow. Around 80 of the most significant plays from *The Oresteia* to *Waiting for Godot* are dealt with in more detail. Genres covered include burlesque comedy farce historical drama kabuki masque melodrama morality play mystery play No romantic comedy tragicomedy satire and tragedy. An index of characters enables the reader to locate favourite characters and trace the trajectory of major historical and legendary characters such as Iphigenia through world drama including in plays that do not have entries in the Dictionary. An index of playwrights with dates allows the reader to find all the plays included by a particular author. *Adapting Translation for the Stage* Geraldine Brodie, Emma Cole, 2017-07-06. *Adapting Translation for the Stage* presents a sustained dialogue between scholars actors directors writers and those working across boundaries exploring common themes encountered when writing staging and researching translated works. *One Island, Many Voices* Eduardo R. del Rio, 2022-04-12. Cuban American writers have been studied primarily within the context of Latino literature as a whole. Seeing a need to distinguish and define this unique literary

perspective Eduardo del Rio selected twelve important well known authors and conducted interviews He chose writers who were born in Cuba but have lived in the United States for a significant amount of time and whose works include themes he considers elemental to Cuban American literature identity duality memory and exile But rather than a cohesive homogeneous group these conversations unveiled a kaleidoscope of individuality style and motive The authors bonds to Cuba inform their creative work in vastly different ways and attempts to categorize their similarities only highlight the range of character and experience within this assemblage of talented writers From playwright Dolores Prida to author and literary critic Gustavo P rez Firmat these voices run the gamut of both genre and personality In addition to the essential facts of literary accomplishment the interviews include a wealth of insight into each writer s history motivations concerns and relationship to language These personal details serve to humanize and illuminate the unique circumstances and realities that have shaped both the authors and their work What del Rio has ultimately brought together is a series of intimate sketches that will not only serve as an important reference for any discussion of the literature but will also help readers to develop for themselves a sense of what Cuban American writing is and what it is not
