Swellengrebel,2023-04-17 This handbook like others in this series concentrates on exegetical matters that are of prime importance for translators and it attempts to indicate possible solutions for translational problems that may arise because of language or culture In this respect the Handbook attempts to deal with the full range of information important to translators However the authors do not attempt to provide help that other theologians and scholars may be seeking but which is not directly useful for the task of translating It is assumed that such information is available elsewhere *Bibliography of the Athapascan Languages* James Constantine Pilling,1892 List of works in or on Athapaskan dialects including those of the Alaskan Indians with a chronological index *The Friend* ,1876 *Oakshott Castle and The Grange Garden* Henry Kingsley,1895 *The Church at Home and Abroad* ,1890 **The Church at Home and Abroad** Henry Addison Nelson,Albert B.
