Lord Foul's Bane Chronicles Of Thomas Covenant The Unbeliever:

Lord Foul's Bane Stephen Donaldson, 2013-10-03 Kicking off one of the most celebrated series in fantasy literature and introducing Thomas Covenant the legendary antihero who is about to start a dark adventure like no other He called himself Thomas Covenant the Unbeliever because he dared not believe in the strange alternative world on which he suddenly found himself the Land But the Land tempted him As a leper in his own world he had been an outcast unclean a pariah Now he was regarded as a saviour the reincarnation of the Land's greatest hero Berek Halfhand Only the mystic powers of the white gold he carried could protect the Lords of the Land from the ancient evil of the Despiser Lord Foul Yet Thomas Covenant had no idea how those powers could be tapped Readers love Lord Foul's Bane It has to be one of the strangest most frightening and surrealistic fantasy worlds ever created Stephen R Donaldson is my unsung hero of fantasy greatness He is up there with the best Goodreads reviewer Thomas Covenant is a character unlike most you'll probably see in other fantasy stories if you are interested in high fantasy stories a colourful setting rich in magic and lore and enjoy broken main characters this could be a great title for you Goodreads reviewer What I loved most about these stories that nothing was easy or assured for the Hero He was his own worst enemy Yet I rooted for Thomas Goodreads reviewer I remember thinking at the time that for as much as I liked the LOTR the bad guys just weren't bad enough Lord Foul's Bane answered those issues and then some Goodreads reviewer A classic in the genre that is quite unlike anything I've read before believable and fascinating despite being disturbing at times Goodreads reviewer There are scenes in this series that literally had me in tears they were so moving and other scenes that made me put down the book in utter amazement It will take your breath away Goodreads reviewer
