Lotus Blossom Returns:

Everyday Creativity Kirin Narayan, 2016-11-22 Kirin Narayan's imagination was captured the very first time that as a girl visiting the Himalayas she heard Kangra women join their voices together in song. Returning as an anthropologist she became fascinated by how they spoke of singing as a form of enrichment bringing feelings of accomplishment, companionship, happiness and even good health, all benefits of the everyday creativity she explores in this book. Part ethnography, part musical discovery, part poetry, part memoir and part unforgettable portraits of creative individuals, this unique work brings this remote region in North India alive in sight and sound while celebrating the incredible powers of music in our lives. With rare and captivating eloquence, Narayan portrays Kangra songs about difficulties on the lives of goddesses and female saints as a path to well-being. Like the intricate geometries of mandala patterns drawn in courtyards or the subtle balance of flavors in a meal, well-crafted songs offer a variety of deeply meaningful benefits as a way of making something of value as a means of establishing a community of shared pleasure and skill as a path through hardships and limitations and as an arena of renewed possibility. *Everyday Creativity* makes big the small world of Kangra song and opens up new ways of thinking about what creativity is to us and why we are so compelled to engage it.

Return of the Believer Terry L. Burden, 2023-06-05 *Return of the Believer* Studies in the Prayer of Jesus from the Gospel of John is a theological study of the Prayer of Jesus, specifically the Gospel of John in general and relevant topics in the Synoptic Gospel. The Prayer of Jesus contains twenty-six verses, with each verse prompting broader applications for the Christian faith. The main title *Return of the Believer* implies an original expression of faith in Jesus Christ by John, the writer of the Gospel. The study accepts an apologetic value to the Gospel of John as it argues the importance of true faith through the acceptance of John's interpretation of Jesus Christ. The Prayer of Jesus is a summary of John's views of Jesus. The return of the believer is a call for a renewal of faith in the New Testament, especially the Gospel of John. This study reveals the Apostle John as the true believer and model for the Christian faith, and the Prayer of Jesus provides a summary of John's teachings and the expressed will of God for the Church. Each verse is explained in the context of its surrounding verses, and important topics are addressed. The special feature of the Prayer is its prompting of related issues that appear elsewhere in the New Testament and the teachings of the Church. For example, the Prayer and the Gospel itself does not mention the birth of Jesus but instead focuses on the pre-existence of the Son as the eternal Logos or God. This study requires an explanation of the difference. Discussions of each verse invite the reader to engage in contemporary related issues.

The Return of the Mother Andrew Harvey, 2013-08-20 Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, *The Return of the Mother* is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions: Hinduism, Islam, Sufism, Buddhism, Taoism, and Christianity, and in aboriginal and indigenous

wisdom traditions Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind The Return of the Mother offers a radical new perspective balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world Only by cultivating a direct respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature the body sexuality and the details of human life and generate the energy and compassion needed to reverse the course of destruction we have set the planet and all of life hurtling toward In lively question and answer sections Harvey further illuminates these vital issues and takes a strong stand against our dependence on gurus and masters proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends The Return of the Mother is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine and recreate a sacred life in the world
