compositions aren't very different some songs just don't climb the charts the first time they're recorded. However, with perseverance, the ideal singer, the right chemistry, impeccable timing, vigorous promotion, and a little luck, these songs can become very famous. So writes Bob Leszczak in the opening pages of *Who Did It First: Great Rock and Roll Cover Songs and Their Original Artists*. In this third and final volume to the *Who Did It First* series, readers explore the hidden history of the most famous, indeed, legendary rock songs and standards. Did you know that the Wild Ones had a Wild Thing before the Troggs? Were you aware that it took a second shot for Double Shot of My Baby's Love to make the charts? Had you heard that Guy Villari and the Regents dated Barbara Ann five years before the Beach Boys? Were you privy to the fact that there was Hanky Panky going on with Ellie Greenwich and the Raindrops as well as the Summits before Tommy James and the Shondells made the song a number 1 classic? Some of the information contained within these pages will shock, rattle, and roll you. You may fancy yourself a music expert, but this third and last in a series of titles devoted to the story of great songs and their revival as great covers is filled with eye openers. In many instances, one's eyes will open even wider as a result of the list of cover artists, with Paul Anka's remake of Nirvana's Smells Like Teen Spirit leading the pack. *Who Did It First: Great Rock and Roll Cover Songs and Their Original Artists* is the perfect playlist builder. So whether quizzing friends at a party, answering a radio station contest, or just satisfying an insatiable curiosity to know who really did do it first, this work is a must have.

Sweeter Voices Still Ryan Schuessler, Kevin Whiteneir, 2021-01-26 A collection of prose and poetry that aims to challenge clichés about LGBTQ life in the Midwest and Appalachia. The Buckeye Flame, The middle of America, the Midwest, Appalachia, the Rust Belt, the Great Plains, the Upper South is a queer place, and it always has been. The queer people of its cities, farms, and suburbs do not exist only to serve as blue dots within red states. Every story about a kid from Iowa who steps off the bus in Manhattan ready to finally live is a story about a kid who was already living in Iowa. *Sweeter Voices Still* is about that kid and has been written by people like them. This collection features queer voices you might recognize, established and successful writers and thinkers, and others you might not. People who don't think of themselves as writers at all. You'll find sex, love, and heartbreak, and all the beings we meet along the way: trees, deer, cicadas, sturgeon. Most of all, you'll find real people. If you're seeking fully realized stories about the nuanced, joyous complexity of queer identity in the Midwest, *Sweeter Voices Still* is the book for you. A marvelous ode to humanity and its passions, and a reminder that LGBTQ individuals and communities, and those who exist outside the confines of the acronym, have always kept the Heartland beating.

story The music the lyrics the artists producers and writers are all discussed as well as any side or back stories to do with the single For example when and how Release Me by Engelbert Humperdinck kept Penny Lane Strawberry Fields by The Beatles off the top spot in 1967 is discussed in Chapter 4 Another example of a you could not make it up back story might be the that the writer of Grandad by Clive Dunn from 1971 and a light novelty No 1 song was also the bass player on Lou Reed s hit single Walk On The Wildside a heavy weight dose of art rock with dubious lyrics which came out in November 1972 Perhaps you could not get too more contrasting songs for Herbie Flowers to be involved in I picked 45 singles as that was the rpm speed of a typical 7 inches vinyl single in the 1960s With regard to time span I took one No 1 single per year between 1964 and 2006 that would be 43 songs and I added in two bonus tracks to make 45 This was when Top Of The Pops was running on BBC TV and seemed an appropriated year span for the book I wanted to mix up the No 1 singles not just to get the best selling or most popular song of a particular year I chose pop songs novelty songs children s songs and all time classics to have a range of mixed up No 1s This is hopefully a particular unique selling point of the book where I compare and contrast

the mixed up No 1s and try to explain just how for example Mr Blobby by Mr Blobby would be an unlikely No 1 in 1993 while an all time classic Love Is All Around from Wet Wet Wet could be an obvious No 1 in 1994 Just how is it that these two songs could both be chart toppers in the same chart It is certainly a bit weird and this is something I try to explain in the book I have taken as the book title the 1968 chart topper which I write about in Chapter 5 The Good The Bad and the Ugly is indicative of the mixed up good bad or ugly range of the 45 songs which I pick I never specifically say which song is in which category That is for the reader to decide I also do not want to be rude about any song If it got to No 1 it certainly deserves respect In the Book End Outro I do a Top of the Pops No 45 to No 1 countdown as a worst to best list of my chosen songs which should promote some debate and perhaps even disagreement With that in mind despite his best attempt at coercion and bribery towards me you will be pleased to know or perhaps saddened that Mr Blobby is not my overall No 1 But what is well Read on and enjoy the book
