LEE SHIFLETT

Louis Shores Biography Defining Educational Librarianship

Mark L. McCallon, John Mark Tucker

Louis Shores Biography Defining Educational Librarianship:

Louis Shores Lee Shiflett,1996-06-04 Louis Shores was one of the undisputed intellectual leaders of librarianship in the 1960s noted for his fight to incorporate teaching functions into librarianship and to create programs of library education Lee Shiflett's carefully researched and eminently readable account of Shores's fascinating life is an accurate portrait of the complex character and career of this librarian poet and maverick educator This is a well crafted and balanced portrait of an unusual and influential man AB BOOKMAN'S WEEKLY tells the story of this fascinating man's career and in doing so highlights many of the important issues in librarianship from the 1950s through the 1970s AMERICAN LIBRARIES [A History of Modern Librarianship](#) Pamela Spence Richards,Wayne A. Wiegand,Marija Dalbello,2015-05-26 A broad comparative history of librarianship this intriguing work goes beyond the standard focus on institutions and collections to help you explore the part modern librarianship played and continues to play in forming Western cultures Previous histories of libraries in the Western world the last of which was published nearly 20 years ago concentrate on libraries and librarians This book takes a different approach It focuses on the practice of librarianship showing you how that practice has contributed to constructing the heritage of cultures To do so this groundbreaking collection of essays presents the history of modern librarianship in the context of recent developments of the library institution professionalization of librarianship and innovation through information technology Organized by region the book addresses the widely recognized international impact of Anglo American librarianship and its continuing influence over the past century combining critical analysis with chronological histories of modern librarianship in Europe North America Australia New Zealand and Africa An introductory chapter explains the origins of the project and a concluding chapter examines the effects of digitization on modern librarianship in the 21st century **The Academic Library in the United States** Mark L. McCallon,John Mark Tucker,2022-10-10 This book advances the belief that the library more than any other cultural institution collects curates and distributes the results of human thought Essays broaden the debate about academic libraries beyond only professional circles promoting the library as a vital resource for the whole of higher education Topics range from library histories to explorations of changing media Essayists connect modern libraries to the remarkable dream of Alexandria's ancient library facilitating groundbreaking research in every imaginable field of human interest past present and future Academic librarians who are most familiar with historical traditions are best qualified to promote the library as an important aspect of teaching and learning as well as to develop resources that will enlighten future generations of readers The intellectual tools for compelling constructive conversation come from the narrative of the library in its many iterations from the largest research university to the smallest liberal arts or community college [Historical Dictionary of Librarianship](#) Mary Ellen Quinn,2014-05-08 Although the history of librarianship as an organized profession dates only as far back as the mid nineteenth century the history of libraries is much older and people have been engaged in pursuits that we recognize as librarianship for many

thousands of years This book traces librarianship from its origins in ancient times through its development in response to the need to control the flood of information in the modern world to the profound transformations brought about by the new technologies of the late twentieth and early twenty first centuries The Historical Dictionary of Librarianship focuses on librarianship as a modern organized profession emphasizing the period beginning in the mid nineteenth century Author Mary Ellen Quinn relates the history of this profession through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities libraries around the world and notable organizations and associations This book is an excellent access point for students researchers and anyone wanting to know more about librarianship Resources in Education ,2000-10 **Library History Research in America** Andrew B. Wertheimer,Donald G. Davis,2000 Seventeen essays cover six topics relevant to the field of library history These include critical approaches pioneers in the field new directions for study cognate fields The Library History Round Table and the state of library history research Specific attention is given to service provided to youth women the gay community and multicultural populations Contributors include librarians archivists bibliographers and scholars of library science Distributed by Oak Knoll Press c Book News Inc **Libraries & Culture** ,1998 **Encyclopedia of Library History** Wayne A. Wiegand,Donald G. Jr. Davis,2015-01-28 First Published in 1994 This book focuses on the historical development of the library as an institution Its contents assume no single theoretical foundation or philosophical perspective but instead reflect the richly diverse opinions of its many contributors This text is intended to serve as a reference tool for undergraduate and graduate students interested in library history for library school educators whose teaching requires knowledge of the historical development of library institutions services and user groups and for practicing library professionals *The European Encyclopedia* Jeff Loveland,2019-07-04 Organized thematically this book tells the story of the European encyclopedia from 1650 to the present **Dictionary of American Library Biography** Donald G. Davis,2003-01-30 This second supplement to DALB the Dictionary of American Library Biography 1978 adds 77 notable deceased members of the library and archival communities to the 302 entries in the main volume and the 51 entries in the first supplement 1990 The second supplement includes primarily those figures who died between 1987 and the end of the year 2000 though some 13 entries provide sketches for notable persons whose death dates are somewhat earlier and who were not included in earlier works Among the entries are a number of African Americans and nearly one half of the entries are women Some 80 contributors from the United States and Canada provided sketches many based on original source material This supplement follows the practice and format of the earlier volumes though it allows presidents of the American Library Association to compete for inclusion with other nominations **The Australian Library Journal** ,1998 **Official Gazette** Philippines,2008 **Handbook for Community College Librarians** Michael A. Crumpton,Nora J. Bird,2013-10-29 An in depth understanding of the complexities dynamics and emerging trends in community college libraries today Handbook for

Community College Librarians covers all aspects of librarianship that apply to community colleges in a one stop reference book It provides information that enables the librarian to become more successful in the community college environment and reflects on its unique qualities identifying the specific skills required and the differences from other library settings The authors address instructional design and highlight the distinctions in the types of information literacy appropriate to the specialized curriculum and certification needs of a community college Besides being an outstanding professional development tool this handbook will also be useful to library and information science students studying service in community college libraries as a career option **Library and Information Science Annual. Volume 7** Bohdan S. Wynar,1999

Library History Round Table Newsletter ,2000

Lyle's Administration of the College Library Caroline M.

Coughlin,Alice Gertzog,1997 Created in response to requests from library science faculty for a student edition with a focus on the planning and policy issues germane to all academic libraries this new text is a revised and abridged version of the fifth edition of Lyle s Administration of the College Library **School Libraries** ,1968 Education for Rare Book Librarianship

Doris Cruger Dale,John Mark Tucker,Lawrence J. McCrank,Richard Joseph Hyman,1980
