Louisiana Plays:

Louisiana Plays Hiram Ed Taylor, 2000-02 LOUISIANA PLAYS by Hiram Ed Taylor is a collection of 4 plays developed in workshops or staged readings at the New Orleans Theatre Experiments Lab a group dedicated to creating new works about Louisiana The first play PROPHECY a comedy about the future of mankind was given two staged readings before an audience at the Contemporary Arts Center The second play SAVAGE PRIDE a ghost play about survival was also given a reading at the CAC The third a musical about sex BOURBON STREET had 5 songs performed at the DramaRama Festival at the CAC and then a staged presentation at LePetit Theatre du Vieux Carre The last musical about life after death HEAVENS BAR was presented at the Firehouse Theatre in Mobile Alabama Taken as a group they represent a body of work by Mr Taylor over the past 8 years All four scripts are comedy although they border on serious themes and are dramatic and tragic in places Louisiana serves as a place where life and human folly are examined in comic detail There is an abundance of terrific roles for women in each play especially for older actresses over 40 They seem to represent the MotherGoddess who controls the flow of the script through the mess the men characters make of their lives Wife mother fortune teller heavenly bartender god or whore they are the power in each script The scripts may not seen commercial because of their content and language Musicals about sex with S M numbers and Homosexuality presented as normal every day events are hard to get produced in current regional theaters concerned with their grants being cut because of the current government standards Although Southern Baptist audiences in Mobile Alabama loved HEAVENS BAR script readers in other parts of the country have decided it is too much about religion for their theaters to take a chance on possibly offending someones beliefs So we have chosen to publish the plays as written without care who they may outrage They are bold and they are daring and isnt that what good theater is suppose to be about They are also highly theatrical and deserve to be on a stage performed live for an audience But until that time here they are in print

Louisiana's Zydeco Sherry T. Broussard, 2013-06-17 The bayou sings and the trees sway with the untold stories of many unsung heroes including Louisianas amazing Zydeco musicians The music is an extraordinary blend of the accordion the bass and electric guitars the drums the rub or scrub board and other instruments It tells stories about finding and losing love life lessons and other revelatory events that rise from the skillful hands of musicians playing the diatonic and piano accordions The diverse population of Louisiana creates a rich culture with Zydeco festivals Creole foods and the unique music that fills the air with a foot stomping beat like no other Louisianas Zydeco is a snapshot of some of the many musicians who live and play the homegrown music known as Zydeco

The Brother/Sister Plays Tarell Alvin McCraney, 2010-08-17 McCraney s richly drawn characters and colloquial poetry manages to sound both epic and rooted in a specific place Listen closely and you might hear that thrilling sound that is one of the main reasons we go to the theater that beautiful music of a new voice The New York Times Taut expressive drama The Brothers Size realizes the potential of theater to elevate the ordinary McCraney s writing can be arresting Time Out New York This is

the first collection by Tarell Alvin McCraney a major new playwright of the American theater Lyrical and mythic provocative and contemporary McCraney's dramas of kinship love and heartache are set in the bayou of Louisiana and loosely draw on West African myths In the Red and Brown Water charts the story of Oya a fast and beautiful track star who must make difficult choices on her journey to womanhood The Brothers Size dramatizes the struggle between brothers who have taken different paths Ogun single minded running his auto shop and Oshoosi recently returned from prison and fallen back with trouble Marcus or the Secret of Sweet explores a young man's relationship with his history and friends as he discovers his sexuality and true self against the backdrop of an impending storm Tarell Alvin McCraney's other works include Wig Out and The Breach His plays have been produced at The Public Theater in New York internationally at the Royal Court Theatre and Abbey Theatre and throughout the United States

Louisiana's Song Kerry Madden-Lunsford, 2007-05-17 Livy Two is happy that Daddy is finally out of his coma but the befuddled man who comes home is not the daddy the Weems family once knew He forgets their names he wanders off he won't even touch his beloved banjo Set in Appalachia in 1963 this heartwarming and heart wrenching follow up to Gentle's Holler is narrated by the irrepressible Livy Two and traces the ups and downs of her large mountain family Shy and awkward 11 year old Louise Louisiana becomes the reluctant hero as she develops a talent for painting takes care of Daddy and shows a surprised Livy Two that sometimes the quietest sibling turns out to be the strongest

American Creoles Martin Munro, Celia Britton, 2012-01-01 In American Creoles leading authorities examine the cultural social and historical affinities between the Francophone Caribbean and the American South The essays focus on issues of history language politics and culture in various forms and consider figures as diverse as Barack Obama Frantz Fanon Miles Davis James Brown Edouard Glissant William Faulkner and Lafcadio Hearn Exploring the ideas of Creole culture and creolization terms rooted in the history of contact between European and African people and cultures in the Americas the essays provide productive ways to conceive of the larger Caribbean as a single cultural and historical entity

Public Roads ,2003 **Integrating Play Techniques in Comprehensive School Counseling Programs** Jennifer Curry,Laura Fazio-Griffith,2013-05-01 Play therapy interventions are critical elements of providing responsive services within the context of comprehensive school counseling programs However many school counselors are not trained in the use of play therapy techniques during their graduate training programs as Play Therapy is not a required course based on standards set by the Council for Accreditation of Counseling and Related Education Programs CACREP 2009 Indeed while there are over 400 school counseling programs in the U S there are only 11 certified play therapy training centers Even more critically school counselors may not know which play therapy approaches and interventions are evidenced based for specific childhood concerns e g selective mutism social skills deficits parent deployment Play therapy is a structured theoretically based approach to counseling that builds on the normal communicative and learning processes of children as they may not have developed the complexities of language to accurately express their concerns Carmichael 2006 Gil 1991 Landreth 2002 O Connor yet many school counselors are unprepared to provide these vital resources The focus of this book is on various play techniques and the application of various play therapy theories i e Child Centered Play Therapy Solution Focused Play Therapy Cognitive Behavioral Play Therapy within comprehensive school counseling programs addressing various childhood concerns prevention and intervention Each chapter offers vignettes a literature review of a specific childhood concern e g homelessness separation anxiety pragmatic interventions for the school environment and a case study to demonstrate application of techniques Historical Dictionary of American Theater James Fisher,2015-04-16 Historical Dictionary of American Theater Beginnings covers the history of theater as well as the literature of America from 1538 to 1880 The years covered by this volume features the rise of the popular stage in American during the colonial era and the first century of the United States of America with an emphasis on its practitioners including such figures as Lewis Hallam David Douglass Mercy Otis Warren Edwin Forrest Charlotte Cushman Joseph Jefferson Ida Aldridge Dion Boucicault Edwin Booth and many others The Historical Dictionary of American Theater Beginnings covers the history of early American Theatre through a chronology an introductory essay and an extensive bibliography The dictionary section has over 1000 cross referenced entries on actors and actresses directors playwrights producers genres notable plays and theatres This book is an excellent access point for students researchers and anyone wanting to know more about the early American Theater *Techniques and Interventions for Play Therapy and Clinical Supervision* Fazio-Griffith, Laura Jean,Marino, Reshelle,2020-09-25 The use of techniques and interventions for play therapy during the supervision process for graduate and post graduate counselors provides a host of benefits for the counseling student post graduate intern and supervisor The counselor in training is able to experientially

integrate theory with practice through the use of different modalities that provide reflection and insight into their work with clients. Additionally, the use of techniques and interventions for play therapy allows a secure and strong supervisory relationship which allows the counselor in training to explore personal and professional goals, verbalize and conceptualize client issues, goals, and effective interventions, and develop counselor-client relationships that allow the client to progress during the therapeutic process. However, play therapy techniques and interventions are not often incorporated into the supervision process unless the clinician is a registered play therapist being supervised by a registered play therapist supervisor. *Techniques and Interventions for Play Therapy and Clinical Supervision* is a critical reference source that provides an opportunity for all clinicians to incorporate play therapy techniques and expressive art interventions into the process of supervision. It presents techniques and methods that allow for more effective supervision for counselors in training, which allows for more effective service delivery to clients. Highlighting topics that include play techniques in supervision, cognitive behavioral play therapy, and trauma, this book is ideal for individuals in a university, clinical school, agency, etc. setting who provide supervision for counselors in training, including graduate students and postgraduate students. The book is an excellent supplement for clinical courses at universities with counseling programs and play therapy programs, as well as universities with graduate social work and psychology programs that have play therapy courses and provide play therapy supervision.
