Louisbourg An 18th Century Town:

Louisbourg Andrew John Bayly Johnston, 1991-01-01 Louisbourg An 18th Century Town is an in depth look at what was once a well known settlement in the New World As a seaport Louisbourg possessed one of the busiest harbours in North America As a fortress it generated hope in French hearts and fear in British ones As a community it was home to thousands of men women and children fishermen and soldiers merchants and artisans servants and seamstresses Voltaire called the colony the key to French possessions in North America Benjamin Franklin described it as a tough nut to crack In the end British prime minister William Pitt insisted that it be destroyed Pitt got his wish yet 200 years later 18th century Louisbourg rose again this time as one of the world s great outdoor museums This well crafted book written by historians of the Fortress of Louisbourg National Historic Site and teachers of the Cape Breton District School Board is an entertaining and informative portrait of this 18th century town Its well illustrated pages provide young readers with material on everything from astronomy and gardening to fashions and siege warfare It offers a rare opportunity to savour what life was really like in a French military town on Cape Breton Island two centuries ago Comparing Cultures John W. Pickering, 1999 With material for approximately 24 class periods Comparing Cultures exposes your students to Bolivia Canada Russia Korea Tasmania and Ghana concluding with the creation of their own culture language customs and more Cooperative learning and critical thinking skills are developed through activities that integrate personal experiences with classroom materials **Life and Religion at Louisbourg, 1713-1758** A. Johnston, 1996-06-26 A J B Johnston establishes the secular and religious contexts of life at Louisbourg and traces the mixed fortunes of three religious groups the R collets of Brittany who acted as parish priests and chaplains the Brothers of Charity of Saint John of God who operated the King s Hospital and the Sisters of the Congregation of Notre Dame who ran the local school for girls Drawing on the extensive material in the Archives of the Fortress of Louisbourg Johnston notes the groups remarkable persistence in the face of personnel shortages financial burdens and conflicts with secular authorities and rival religious bodies Not the least of their problems was the profound parsimony of the Louisbourgeois who declined to build a parish church or pay a compulsory tithe Yet despite this independent stance the author demonstrates religion was at the centre of family and community life Life and Religion at Louisbourg contributes substantially to the social as well as the religious history of New France *Religion in Life at Louisbourg, 1713-1758* A. Johnston, 1984-08-01 A J B Johnston establishes the secular and religious contexts of life in Louisbourg and then traces the mixed fortunes of the three religious groups that served the French stronghold of Louisbourg during the eighteenth century These were the Recollets of Brittany who acted as parish priests and chaplains the Brothers of Charity of Saint John of God who operated the King s Hospital and the Sisters of the Congregation of Notre Dame who conducted the local school for girls Drawing on the extensive material in the Archives of the Fortress of Louisbourg he notes the groups7 remarkable persistence in the face of personnel shortages financial burdens and conflicts with secular

authorities and rival religious bodies Not the least of their problems was the profound parsimony of the Louisbourgeois who declined to build a parish church or pay a compulsory tithe Yet despite this independent stance religion was at the centre of family and community life in Louisbourg as the author demonstrates in a chapter devoted to the faith morality and popular beliefs of the town s inhabitants The colourful military history of Louisbourg has been the subject of numerous books and articles and the economy of He Royale has received close attention in recent years This first comprehensive study of the religious aspects of life in this outpost of France s overseas empire contributes substantially to the social as well as the religious history of New France

Fashioning Acadians Hilary Doda, 2023-10-24 What people wore in the distant past is often challenging to determine owing to the disintegration of natural textiles and materials over time Yet when new findings from archaeological excavations are compared with documentation about early Acadia a fascinating picture of the society s early fashions is revealed Fashioning Acadians is a history of clothesmaking and dress in Acadia from 1650 to 1750 Through the analysis of four Acadian settlements in what is now Nova Scotia Hilary Doda uncovers the regional fashions and trends that had begun to emerge prior to the violence of the deportations of 1755 Men s and women s wardrobes are described from head to toe from headdresses and hairstyles down to stockings and shoes along with accessories such as buttons buckles and jewellery While Acadians retained many aspects of the fashion systems of France

New France and New England a distinctive Acadian identity can be seen to take shape as their dress evolved and was influenced by other regional styles Exploring the possibilities of a new methodology for identifying lost or decayed garments Doda argues that surviving notions sewing tools and accessories the small finds of archaeological sites are important sources of information not only about domestic life but about manufacturing processes dress and textile cultures and the influence of intersecting fashion systems in colonial spaces Fashioning Acadians expands our understanding of Acadian lives and their connections to both the Atlantic world of goods and the landscapes of Nova Scotia Colonial Wars of North America, 1512-1763 (Routledge Revivals) Alan Galloway, 2015-06-11 First published in 1996 this encyclopedia is a comprehensive reference resource that pulls together a vast amount of material on a rich historical era presenting it in a balanced way that offers hard to find facts and detailed information The volume was the first encyclopedic account of the United States colonial military experience It features 650 essays by more than 130 historians archaeologists anthropologists geographers and other scholarly experts on a variety of topics that cover all of colonial America's diverse peoples In addition to wars battles and treaties analytical essays explore the diplomatic and military history of over 50 Native American groups as well as Dutch English French Spanish and Swiss colonies It's the first source to consult for the political activities of an Indian nation the details about the disposition of forces in a battle or the significance of a fort to its size location and strength In addition to its reference capabilities the book's detailed material has been and will continue to be highly useful to students as a supplementary text and as a handy source for reporters and papers *A Silver Lining* Ollie Ann Porche Voelker, 2014-10-16 This is the story of a real family After years of unrest and threats of deportation by the English in 1750 a number of Acadian families flee from their prosperous wheat farms in Acadie renamed Nova Scotia by the English to live in French controlled le Saint Jean Prince Edward Island For nine year old Pelagie Benoist this is the beginning of almost thirty five years of displacement and searching for a place to call home After five difficult years in le Saint Jean Pelagie's family moves to the Fortress of Louisbourg on Ile Royale They live a very different life in this fortified town which has a busy port and a thriving fishing industry Their peaceful existence ends when war is officially declared between France and England in the spring of 1756 The civilians inside the fortress can only wait knowing the English will attack Louisbourg is captured by the English in 1758 and all Acadians are deported to France After twenty six years of wandering hardship and suffering including the loss of many loved ones Pelagie finally has a chance to move to Louisiana Will this be the home she's been searching for Or will it be one more disappointment A very moving and compelling piece Anne Marie Lane Jonah historian at the Fortress of Louisbourg Louisbourg Nova Scotia Canada I really enjoyed reading the manuscript and I congratulate you for this wonderful contribution to our common history and heritage Maurice Basque scientific advisor Institut d'études Acadiennes Université de Moncton Moncton New Brunswick Canada Reconstructing Historic Landmarks Wayne Brown, 2018-09-03 Historic reconstructions have been a consistent part of the historic preservation and heritage conservation movements in the United

States and Canada Indeed reconstruction has been the primary tool at the most influential historic sites for example the Governor's Palace and the Capitol at Colonial Williamsburg USA and in Canada the Fortress of Louisbourg Dozens of other reconstructions have appeared during the past century in North America undertaken by individuals communities states and provinces and by national agencies responsible for cultural heritage Despite this prevalence historic reconstructions have received little scholarly attention and the question of what motivated the proponents of these projects remains largely unexamined This book explores that question through detailed studies of ten historic reconstructions located throughout Canada and the United States ranging from 1908 to 2011 Drawing upon diverse archival sources and site investigations the proponents of each site are given voice to address their need to remake these landmarks be it to sustain to challenge or even subvert a historical narrative or with reference to contemporary heritage studies to reclaim these spaces Reconstructing Historic Landmarks provides a fascinating insight into these shifting concepts of history in North America and will be of considerable interest both to students and scholars of historic preservation and indeed to heritage professionals involved in reconstructions themselves
