## **Louisianas Acadian Homes And Their History:**

**Louisiana's Acadian Homes and Their History** Nola Mae Ross, 1999-07-15 This book is not intended as an architectural study or formal historical treatise. Rather, it is the gathering of general information and pictures of some of the earliest Acadian and Creole houses in Louisiana. We have not covered the whole state. These houses are mostly from the South Louisiana area. Some are significantly important in the heritage of Louisiana's Acadians. All of the houses were not built by Acadians exiled from Nova Scotia. Some are the work of home builders who married into the Acadian families and other builders who just liked the design of the Acadian houses. This book is presented for the enjoyment of the general public and for those who are especially interested in their Acadian heritage.

**Louisiana History** Florence M. Jumonville, 2002-08-30 From the accounts of 18th century travelers to the interpretations of 21st century historians, Jumonville lists more than 6,800 books, chapters, articles, theses, dissertations, and government documents that describe the rich history of America's 18th state. Here are references to sources on the Louisiana Purchase, the Battle of New Orleans, Carnival, and Cajuns. Less explored topics such as the rebellion of 1768, the changing roles of women, and civic development are also covered. It is a sweeping guide to the publications that best illuminate the land, the people, and the multifaceted history of the Pelican State. Arranged according to discipline and time period, chapters cover such topics as the environment, the Civil War, and Reconstruction, social and cultural history, the people of Louisiana, local parish and sectional histories, and New Orleans. It also lists major historical sites and repositories of primary materials. As the only comprehensive bibliography of the secondary sources about the state, *Louisiana History* is an invaluable resource for scholars and researchers.

**The LSU Rural Life Museum and Windrush Gardens: A Living History** Faye Phillips, 2010-06-11 In 1861, Louisiana settler William S. Pike established an incredible five hundred acre plantation seven miles from the heart of present day Baton Rouge. His progeny continued to cherish the land for generations, all while pursuing unique and active lives. William Stephen Pike Burden Jr. became an amateur magician, and Ollie Brice Steele Burden, inspired by the formal gardens of Europe, designed Windrush Gardens. Today, the land is home to Louisiana State University's Rural Life Museum and houses rare collections of Louisiana folk life and working plantation materials. In this comprehensive history of LSU's beloved landmark, archivist Faye Phillips brings to life the hardships and toils, vision and determination of families in eighteenth and nineteenth century Louisiana.
