## **Lousy Puerto Rican:**

**"Lousy Puerto Rican"** Juan Ciuro, 2004      **World Without End, Amen** Jimmy Breslin, 2012-02-14 Adrift in New York an alcoholic cop searches for meaning in his life by revisiting his past The department has taken away Dermot Davey's gun After countless incidents of excessive force and on the job drunkenness and one harrowing moment where he nearly killed a civilian the New York Police Department has dumped him on the Bow and Arrow Squad the home for alcoholic cops unfit to carry firearms Without his pistol Dermot feels like he's hardly a cop As his marriage tanks Dermot drinks and considers ending it all But everything changes when he learns about his dad Dermot's father disappeared when he was a child leaving Dermot's mother to raise him alone Now Dermot hears word that his old man has surfaced in Ulster the heart of the increasingly bloody Irish Troubles Hoping to find redemption he travels to Ireland to meet his father What he finds is a war torn deadly place a brutish ugly city that is nevertheless no uglier than the darkness inside his own soul This ebook features an illustrated biography of Jimmy Breslin including rare photos and never before seen documents from the author's personal collection      **The Novels of Jimmy Breslin** Jimmy Breslin, 2018-10-09 Tough funny moving fiction from the New York Times bestselling author and Pulitzer Prize winning journalist Jimmy Breslin was not only the biggest the baddest the brashest the best columnist in New York City he was also an outstanding New York Times bestselling novelist equally comfortable with comedy and tragedy often intermixing the two New York Daily News Collected here are four of his best loved novels including three New York Times bestsellers World Without End Amen Hoping to find redemption disgraced alcoholic NYPD cop Dermot Davey travels to Ulster the heart of the increasingly bloody Irish Troubles to find the father who abandoned him as a child in this New York Times bestseller Excellent Breslin writes prose in a New York idiom with a shrewdness all his own The New York Times The Gang That Couldn't Shoot Straight Breslin's New York Times bestselling madcap novel of the sloppiest turf war ever launched by the Brooklyn mob was the basis for the hilarious movie starring Jerry Orbach as the witless Kid Sally Palumbo and a young pre Godfather II Robert De Niro A very funny novel and a good one The Village Voice Table Money This New York Times bestseller about flesh and blood working people is the story of O'wney Morrison a Vietnam vet who returns home to Queens with a Congressional Medal of Honor and few prospects Studs Terkel O'wney takes up the family legacy as a sandhog a tunnel worker But when his drinking gets out of control his wife Dolores considers leaving with their baby daughter rather than being dragged down by a man who feels safest one hundred feet below the street A serious literary novel a superior work of fiction The New York Times Forsaking All Others Puerto Rican drug dealer Teenager will stop at nothing to dominate the South Bronx narcotics trade but a scorching affair between a crime boss's daughter who's literally married to the mob and Teenager's childhood friend legal aid lawyer Maximo Escobar threatens to ruin the entire operation Before it's all over the South Bronx is going to burn A novel of considerable complexity and richness Chicago Tribune      **The Encyclopedia of Racism in American Films** Salvador Jiménez Murguía, 2018-04-12

Winner RUSA 2019 Outstanding References Source Winner and named a Library Journal Best Reference Book of the Year 2018 From D W Griffith s Birth of a Nation in 1915 to the recent Get Out audiences and critics alike have responded to racism in motion pictures for more than a century Whether subtle or blatant racially biased images and narratives erase minorities perpetuate stereotypes and keep alive practices of discrimination and marginalization Even in the 21st century the American film industry is not color blind evidenced by films such as Babel 2006 A Better Life 2011 and 12 Years a Slave 2013 The Encyclopedia of Racism in American Film documents one facet of racism in the film industry wherein historically underrepresented peoples are misrepresented through a lack of roles for actors of color stereotyping negative associations and an absence of rich nuanced characters Offering insights and analysis from over seventy scholars critics and activists the volume highlights issues such as Hollywood s diversity crisis White Savior films Magic Negro tropes The disconnect between screen images and lived realities of African Americans Latinos Native Americans and Asians A companion to the ever growing field of race studies this volume opens up a critical dialogue on an always timely issue The Encyclopedia of Racism in American Film will appeal to scholars of cinema race and ethnicity studies and cultural history

*Hispanic Americans in Congress, 1822-2012* Matthew Andrew Wasniewski, Albin Kowalewski, Laura Turner O'Hara, Terrance Rucker, 2013 A compilation of historical essays and short biographies about 91 Hispanic Americans who served in Congress from 1822 to 2012 Provided by publisher

**Congressional Record** United States. Congress, 1982 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

**Reading U.S. Latina Writers** A. Quintana, 2003-03-18 This essential teaching guide focuses on an emerging body of literature by U S Latina and Latin American Women writers It will assist non specialist educators in syllabus revision new course design and classroom presentation The inclusive focus of the book that is combining both US Latina and Latin American women writers is significant because it introduces a more global and transnational way of approaching the literature The introduction outlines the major historical experiences that inform the literature the important genres periods movements and authors in its evolution the traditions and influences that shape the works and key critical issues of which teachers should be aware The collection seeks to provide readers with a variety of Latina texts that will guarantee its long term usefulness to teachers and students of pan American literature Because it is no longer possible to understand U S Latina literature without taking into consideration the histories and cultures of Latin America the volume will through its organization argue for a more globalized type of analysis which considers the similarities as well as the differences in U S and Latin American women s cultural productions In this context the term Latina evokes a diasporic transnational condition in order to address some of the pedagogical issues posed by the bicultural nature which is

inherent in pan American women s literature      **States of Nature** Stuart George McCook,2010-07-05 The process of nation building in Latin America transformed the relations between the state the economy and nature Between 1760 and 1940 the economies of most countries in the Spanish Caribbean came to depend heavily on the export of plant products such as coffee tobacco and sugar After the mid nineteenth century this model of export led economic growth also became a central tenet of liberal projects of nation building As international competition grew and commodity prices fell over this period Latin American growers strove to remain competitive by increasing agricultural production By the turn of the twentieth century their pursuit of export led growth had generated severe environmental problems including soil exhaustion erosion and epidemic outbreaks of crop diseases and pests This book traces the history of the intersections between nature economy and nation in the Spanish Caribbean through a history of the agricultural and botanical sciences Growers and governments in Venezuela Puerto Rico Cuba Colombia and Costa Rica turned to scientists to help them establish practical and ideological control over nature They hoped to use science to alleviate the pressing environmental and economic stresses without having to give up their commitment to export led growth Starting from an overview of the relationship among science nature and development throughout the export boom of 1760 to 1930 Stuart McCook examines such topics as the relationship between scientific plant surveys and nation building the development of a creole science to address the problems of tropical agriculture the ecological rationalization of the sugar industry and the growth of technocratic ideologies of science and progress He concludes with a look at how the Great Depression of the 1930s changed the paradigms of economic and political development and the role of science and nature in these paradigms      **Moving Meals and Migrating Mothers**

Abdullahi Osman El-Tom,Tanya M Cassidy,2021-07-30 Moving Meals and Migrating Mothers Culinary cultures diasporic dishes and familial foodways explores the complex interplay between the important global issues of food families and migration We have an introduction and twelve additional chapters which we have organised into three parts Part I Moving Meals Markets and Migrant Mothers Part II Migrating Mothers Performing Identity through Moving Meals Part III Meanings and Experiences of Migrant Maternal Meals Although these parts are not mutually exclusive they are meant to emphasize socio cultural and economic considerations of migration Part I the food itself Part II and families Part III We have a wide geographic representation including Europe Ireland and France the USA Canada New Zealand and Korea In addition we have contributors from all stages of career including full professors as well recent doctoral graduates Overall the contributions are interdisciplinary and therefore use a variety of methodologies although most make use of traditional social sciences methods including interviews and ethnographic observations      **Bigfoot to Mothman** Margo DeMello,2024-01-25 This one volume encyclopedia introduces readers to the world s cryptids those hidden or secret animals believed to exist at the margins of human society including Bigfoot Yeti the Loch Ness Monster and the Mothman Comprehensive in its scope this book is a valuable resource for anyone who wants to know more about well known creatures of myth and legend such as

the Chupacabra and the Jersey Devil and discover lesser known animals such as the Bunyip of Australia and the Mamlambo of South Africa Rather than purport to prove or deny the existence of these creatures however this volume classifies them within their respective cultural historical and social contexts allowing readers to appreciate cryptids as cultural artifacts important to societies around the globe Finally this book goes beyond the study of the unknown to investigate who believes in cryptids why they do and why the study of cryptozoology is as much about understanding cryptids as it is about understanding ourselves

**Our Caribbean Kin** Alai Reyes-Santos, 2015-06-15 Beset by the forces of European colonialism US imperialism and neoliberalism the people of the Antilles have had good reasons to band together politically and economically yet not all Dominicans Haitians and Puerto Ricans have heeded the calls for collective action So what has determined whether Antillean solidarity movements fail or succeed In this comprehensive new study Alai Reyes Santos argues that the crucial factor has been the extent to which Dominicans Haitians and Puerto Ricans imagine each other as kin Our Caribbean Kin considers three key moments in the region's history the nineteenth century when the antillanismo movement sought to throw off the yoke of colonial occupation the 1930s at the height of the region's struggles with US imperialism and the past thirty years as neoliberal economic and social policies have encroached upon the islands At each moment the book demonstrates specific tropes of brotherhood marriage and lineage have been mobilized to construct political kinship among Antilleans while racist and xenophobic discourses have made it difficult for them to imagine themselves as part of one big family Recognizing the wide array of contexts in which Antilleans learn to affirm or deny kinship Reyes Santos draws from a vast archive of media including everything from canonical novels to political tracts historical newspapers to online forums sociological texts to local jokes Along the way she uncovers the conflicts secrets and internal hierarchies that characterize kin relations among Antilleans but she also discovers how they have used notions of kinship to create cohesion across differences

**Cities around the World** Jing Luo, 2019-07-10 This two volume set offers a comprehensive overview of major challenges faced by cities worldwide in the 21st century and how cities in different geographic economic and political conditions are finding solutions to them This two volume encyclopedia examines ten critical issues that face cities across the globe today environmental and societal struggles that affect the daily lives of city dwellers Readers will gain a better understanding of our global neighbors and will be able to use this book in order to compare and contrast different approaches to critical issues in our world Volume One examines employment and jobs energy and sustainability green spaces housing and infrastructure and migration and demographic changes Volume Two discusses pollution schools traffic and transportation violence corruption and organized crime and waste management Each issue begins with an introduction providing an overview of the issue from a global perspective Following the introduction are ten alphabetically arranged world city profiles of cities that are struggling with the issue and cities that have found innovative solutions to deal with the crisis The profiles explain how the problem came to be consequences inhabitants face such as compromised health limited access

to education and high taxes with low wages and failed and successful initiatives taken by city management

*African Roots/American Cultures* Sheila S. Walker, 2001 Africans and their descendants constituted the majority of the population of the Americas for most of the first three hundred years Yet their fundamental roles in the creation and definition of the new societies of the New world and their significance in the development of the Atlantic world have not been acknowledged This multidisciplinary volume highlights the African presence throughout the Americas and African and African Diasporan contributions to the material and cultural life of all of the Americas and of all Americans It includes articles from leading scholars and from cultural leaders from both well known and little known African Diasporan communities Privileging African Diasporan voices it offers new perspectives data and interpretations that challenge

prevailing understandings of the Americas Its fundamental premise is that the story of the Americas can only be accurately told by including the story of the foundational roles played by Africans and their descendants in the Americas *Hearings* United States. Congress. Senate. Committee on Appropriations,1952 Poverty in Common Alyosha Goldstein,2012-03-23 This work looks at inter related post WWII case studies to analyze the ways in which different groups mostly governmental agencies and emerging activist organizations invoked the idea of community in anti poverty initiatives during the late 1950s and 1960s In His Own Image Jeremy Gorman,2001-05-07 In a wheel chair and marked by an ugly birthmark over much of his face Dr Adam SZYMANSKI POV has been obsessed by hereditary diseases all his life But there is a cloud over the opening of his new Institute for Genetic Disease Control IGDC For one thing his patented process for making synthetic replacement genes for those missing in victims of such diseases as hemophilia or phenylketonuria can only be delivered to human eggs in an extrauterine fertilization process That he quickly discovers makes untreatable over 90% of the potential beneficiaries who dont know they have the disease until they are born In addition the Szymanski process does not find favor among several groups of activists and newspapers who deliberately choose to misinterpret its purpose and function Pickets surround his new building as they did its run down predecessor Eugenics Engineered Children The People Factory as well as Human Guinea Pigs fill the loud rhetoric surrounding the controversial IGDC Adam battles the picketers and is sued for assault The Szymanski process is a computer driven chemical process deliberately limited to the specific genes responsible for the subject disease to prevent any possible side effects from spurious genetic material But it is so complex that it could not come to fruition without the computer expertise of IGDC co founder Michael RICHARDSON a PhD from Cambridge and an Olympic gold medalist in swimming From humble beginnings in Britain Michael is torn between his love for his work and his obsessive unsatisfied need for money He has already expanded the role of the IGDC with a genetic information bank from which he supplies subscribers medical and genetic information on hereditary diseases for a fee The data bank doesnt quite bring the IGDC into the black so he also accepts a special project for the study of hereditary diseases endemic to the Mideast Not everyone fears the synthetic gene factory There are some who covet this ability to genetically alter the human condition Josip MIKHAILOVICH despises ethnic cleansing in his native Bosnia and is determined to use the Szymanski process as a way to by pass it with ethnic enhancement Towards this end he devises elaborate schemes to wrest the process from the IGDC But Josip has to work with brash young activists like Draja GREGORICH whos missionary zeal impels them to eliminate the enemy Draja finds working with Josip both baffling and frustrating Nonetheless they incite activist groups former patients politicians and newspaper reporters like Pamela BERGER a freshman reporter with the local Daviston Star They even infiltrate the IGDC and try to influence its board of trustees a committee of the board of trustees of Haalvorsen University on whose medical school campus and under whose wing the IGDC operates The board finds many reasons to doubt the wisdom of bringing the IGDC aboard Gloria WICKERSHAM a patrician from the founding family of Haalvorsen has an infant Brian

with Severe Combined Immunity Deficiency SCID A concert pianist Gloria comes to the IGDC to prevent having another child with the same affliction But during the preparatory testing Theresa FERNANDEZ an IGDC lab tech who is working her way through medical school discovers that the SCID child is not the son of Glorias attorney husband Arthur A devout catholic from rural Puerto Rico she quits the case but is talked back into it by Adam She later discovers by accident that the father is Michael Richardson She is morally outraged quits and returns home to Puerto Rico Adam goes to Puerto Rico to convince her to return Meanwhile Gloria contracts meningitis on one of her many free concert tours at childrens hospitals She transmits it to her SCID son who has no resistance to the disease Adam reveals his plan to attach the immunity fragment to a mild invasive virus and treat

*The Gospel According to the Marginalized* Harvey J. Sindima, 2008 This series is named for Martin Luther King Jr because of his eminence in religion and society and promotes scholarly research in areas that reflect the interrelatedness of religion and social cultural political development both in the American society and in the world Examination of religion and socio cultural components such as race relations economic developments marital and sexual relations inter ethnic cooperation contemporary political problems and Black American issues are welcomed

**Can Threatened Languages be Saved?** Joshua A. Fishman, 2001-01-01 Defenders of threatened languages all over the world from advocates of biodiversity to dedicated defenders of their own cultural authenticity are often humbled by the dimensionality of the task that they are faced with when the weak and the few seek to find a safe harbour against the ravages of the strong and the many This book provides both practical case studies and theoretical directions from all five continents and advances thereby the collective pursuit of reversing language shift for the greater benefit of cultural democracy everywhere
