hospitality In *The Gift of the Other* Andrew Shepherd engages deeply with the influential thought of French thinkers Emmanuel Levinas and Jacques Derrida and argues that a true vision of hospitality is ultimately found not in postmodern philosophies but in the Christian narrative The book offers a compelling Trinitarian account of the God of hospitality a God of communion who makes room for otherness who overcomes the hostility of the world through Jesus life death and resurrection and who through the work of the Spirit is forming a new community the Church a people of welcome
