remained ideological battlegrounds to this day Integrative and disintegrative readings begun in antiquity Vergil and Lucan have left their mark on answers given by Christians Augustine secular republicans Victor Hugo and disillusioned satirists Michel Houellebecq alike France's self understanding as a new Rome republican during the Revolution imperial under successive Napoleons makes it a special case in the Roman tradition The same story returns repeatedly A golden age of restoration glimmers on the horizon but comes in the guise of a decadent oriental empire that reintroduces and exposes everything already wrong under the defunct republic Central to the price of social order is patriarchy's need to subjugate women
