Tjalve,2008-03-31 This book s central claim is that Niebuhr and Morgenthau may be read as heirs to a particularly American republicanism whose ideal of patriotism as embedded dissent is a powerful and much needed corrective to contemporary vocabularies of international justice legitimacy and restraint on both the left and the right

Women and Pride Luping Huang,2018-09-30 Reinhold Niebuhr is largely regarded as the leading twentieth century theologian of sin However many feminist theologians criticize Niebuhr s view of pride as the primary sin arguing that it fits only with men s experience In this detailed study Dr Luping Huang engages with Niebuhr and his feminist critics to provide a response to the feminist critique of Niebuhr s theology of sin Dr Huang provides a thorough analysis and examination of both the Niebuhrian and feminist understandings of sin highlighting the strengths and limitations of both arguments While some aspects of the feminists opposition to Niebuhr s doctrine of sin are valid there are weaknesses and limitations within its own framework Through her research and interaction with women s testimonies Huang s argument bridges these two competing views of women and sin resulting in a more accurate understanding and application of the theology of sin particularly in reference to women *The Love Commandments* Edmund N. Martens,2023-10-16 Noted Attorney and Seminary Graduate Matthew T Martens Answers the Question Does the Design and Operation of the American Criminal Justice System Reflect Christian Love of Neighbor Jesus told his followers that the entirety of the Old Testament s law is encapsulated in the commands to love God and to love their neighbors as themselves In Reforming Criminal Justice A Christian Proposal Matthew T Martens argues that love of neighbor must be the animating force for true reformation of the criminal justice system obligating us to seek the best for both the criminally victimized and the criminally accused Using his theological training Martens reveals how Scripture provides several guideposts accuracy due process accountability impartiality and proportionality for loving our neighbors as it relates to criminal justice Then drawing on his near quarter century practicing criminal law he examines how America s justice system falls short of the biblical standard By understanding how our current system operates and considering how love of neighbor relates to issues of crime and justice we will be better equipped to seek true Christian reform of the justice system A Biblical Perspective on Criminal Justice Offers a biblical framework for thinking about the concept of justice for both the victim and the perpetrator Examines the History of the American Criminal Justice System Surveys the evolution of the criminal justice system in the United States with a focus on its misuse from the time of the Civil War to the civil rights movement Assesses the Criminal Justice System Examines the operation of the American justice system today including plea bargains assistance of counsel the death penalty and more Foreword by Derwin L Gray Pastor of Transformation Church in Indian Land South Carolina and the author of How to Heal Our Racial Divide and Building a Multiethnic Church **Faith and Force** David L. Clough,Brian Stiltner,2007-06-04 This book began in an argument between friends surprised to find themselves on opposite sides of the debate about whether the United States and the United Kingdom should invade Iraq in 2003 Situated on opposite

sides of the Atlantic in different churches and on different sides of the just war pacifist fence we exchanged long emails that rehearsed on a small scale the great national and international debates that were taking place around us We discovered the common ground we shared as well as some predictable and some surprising points of difference When the initial hostilities ended our conversation continued and we felt the urgency of contributing to a wider Christian debate about whether and when war could be justified From the Preface So began a dynamic collaboration that developed into a civil but provocative debate over matters of war and peace that is Faith and Force From the ancient battles between Greek city states to the Crusades to the World Wars of the twentieth century to the present day wars in Afghanistan and Iraq and the Middle East aggressors and defenders alike have claimed the mantle of righteousness and termed their actions just But can the carnage of war ever be morally grounded And if so how These are the questions that David L Clough a Methodist proponent of pacifism and Brian Stiltner a Catholic theologian and just war adherent have vowed to answer together With one voice Clough and Stiltner outline and clarify issues of humanitarian intervention weapons proliferation and preventative war against rogue states Their writing is grounded in Christian tradition and provides a fresh and illuminating account of the complexities and nuances of the pacifist and just war positions In each chapter Clough and Stiltner engage in debate on the issues demonstrating a respectful exchange of ideas absent in much contemporary political discourse whether on television or in the classroom The result is a well reasoned challenging repartee that searches for common ground within the Christian tradition and on behalf of the faithful promotion of justice yet one that also recognizes genuine differences that cannot be bridged easily Intended for a broad audience Faith and Force is the perfect foil to the shrill screeching that surrounds partisan perspectives on military power and its use To help with using the book in a classroom context the authors have provided Questions for Reflection and Discussion for each chapter You can download these questions in PDF format at press.georgetown.edu
