Dark Kingdom Firestar, 2007-12 The year following my diagnosis of breast cancer having a total mastectomy and chemotherapy I felt as if I was out at sea in the midst of a storm The faster I ran from the darkness and turmoil the closer it came I was frightened but learned to depend on the energy of the Universe Accepting my new body image was very difficult Due to my insecurities low self esteem and self confidence I placed my marriage in jeopardy I had to learn to trust in the positive energy of the Universe to help me heal I needed to allow God and His angels to take me in their hands and carry me Depending on the power of the Universe established inner strength and courage to be a survivor We have a choice in how we react and respond to situations the lessons that life presents to us Learning to let go of certain feeling and situations is difficult but it makes each day more peaceful and comfortable Everything happens for a reason and it is up to us to learn from the lessons which are presented to us You can be a survivor when you accept that being a survivor is a state of mind which is dictated by you and not others I realized that guilt and shame are wasted energy and I was loved and can love others Everyone's path in recovery and rediscovery will be different We cannot compare ourselves to others We are individuals with different childhood experiences different backgrounds personalities and with different support systems I hope that Journey to New Beginnings gives you a sense of comfort and hope Each year will be another path of learning experiencing the joys of living and life enjoying the extraordinary in the ordinary
