Segovia,Mary Ann Tolbert, Biblical studies are proving to be a test case of the large interpretive issues of how one's location social cultural ethnic and gender affects

one's reading of the text and its import Segovia and Tolbert gather 19 leading biblical interpreters from around the globe to address the complex hermeneutical and religious questions attendant to this paradigm shift

### **The Divine Imperative**

Emil Brunner, 2002 One of the major works of the great German theologian Emil Brunner *The Divine Imperative* deals with what we ought to do People are unconvinced that there is an inviolable moral obligation governing human life because they do not believe that the good can be precisely and clearly known Haven't some generations called bad what others have called good Aren't moral standards relative Doesn't religion lack uniform and practical moral guidance Brunner discusses the moral confusion we face He analyses the nature of the Good showing why the Christian faith as understood by the Protestant Reformers provides the only true approach and answer to the ethical problem Philosophical ethics whether ancient or modern cannot correctly define the Good because the Good is regarded either as too abstract and absolute or as too concrete and relative Christianity by contrast sees the moral problem as one of responsibility between humans who are created so as to respond to God He created men for responsive fellowship with Him establishing orderly ways of acting in the world Correct understanding of the nature of society family state economic life is needed to discern one's duty Because Brunner's analysis is at once fundamental and comprehensive this book remains a fresh and compelling treatment of the moral problem It offers a provocative discussion and solution of a perennial human problem

### **The Political Crisis and Christian Ethics**

Ronald H. Stone, 2023-09-26 *The Political Crisis and Christian Ethics* addresses themes in political philosophy in the context of a crisis in democracy after the denial of the 2020 election by the Republican candidate for president The refusal to accept the results of the election divided the electorate and drove the president's followers to fail in their attempted coup attempt in January of 2020 Democracy is defended in Reinhold Niebuhr's writing on politics and in Barack Obama's use of the theologian's thought It is developed further in the political theory of Paul Tillich The themes of just peacemaking are reviewed in Paul Tillich's critique of John Foster Dulles work and in the author's critique of just peacemaking in the work of Glen Stassen Domestically the issues of race inequality ecology and healthcare are addressed from the perspective of prophetic realism The book concludes in terms of Alfred North Whitehead's philosophy of education and religion and a vision of the good president In summary *The Political Crisis and Christian Ethics* is a volume of American Christian political theory in a period of overcoming the trauma of 2016 with Christian ethics and political philosophy
