Love Is The Cure:

Romantic Love and Personal Beauty Henry T. Finck, 1887 *The Conservator*, 1908 **Nature and Love** Peter Ilich Tchaikovsky, 1895 *The Love Books of Ovid* Ovid, 1937 **Letters of Unconditional Love** Bunny Moazed, 2016-09-16 When spirit's original state of direct communication is reached neither the body nor the miracle serves any purpose T 1 V 1 2 *The Posy Book: Garden-Inspired Bouquets That Tell a Story* Teresa H. Sabankaya, 2019-05-07 Like a favorite recipe a posy is meant to be savored and shared Try it yourself and welcome a bit of floral enchantment into your life Amy Stewart author of *The Drunken Botanist* Inspired by the Victorian era language of flowers a posy is a small round bouquet of flowers herbs and plants meant to convey a message such as dahlias for gratitude sunflowers for adoration or thyme for bravery These floral poems have become Teresa Sabankaya's signature Brides want them for their weddings but a posy is a lovely gift any time of year and one that readers can easily put together from their garden or with blooms from their local florist In *The Posy Book* Sabankaya shares step by step instructions floral recipes for more than 20 posies and ideas for seasonal variations A modern floral dictionary with 12 original paintings by celebrated illustrator Maryjo Koch will help readers craft their own posies filled with personal meaning **The English Emblem Tradition** Alan R. Young, 1988-01-01 This volume of the *Index Emblematicus* deals with three early seventeenth century works *Remaines of a Greater Worke Concerning Britaine* by William Camden *The Mirrour of Maiestie* by H G and Otto van Veen's *Amorum Emblemata* Camden's *Remaines* is noteworthy for using *imprese* in language as pictorial image for mixing *imprese* with cognizance and for considering *impresa* itself as the identity of the individual rather than as a general principle H G's *Mirrour* is remarkable in that every one of its emblems consists of a personal heraldic coat of arms of an identified statesman twinned with a pictorial engraving motto and epigram on an opposite page Van Veen's *Emblemata* enters literary history as a volume of emblem pictures consecrated to secular love experience encapsulating some of the conventions of the sonnet sequences and having a strong influence on religious love literature Each book is reproduced with critical and bibliographic introductions translation of the poems and mottos descriptions of the emblems and indices to the visual and verbal components of the works **The Profile of Our Messiah from the Hebrew Bible** Terry Newsome, 2019-03-15 *The Profile of Our Messiah from the Hebrew Bible* by Terry Newsome **Moderation and the Mean in the Literature of Spain's Golden Age** Richard Rabone, 2023-05-19 This book presents the first sustained analysis of the reception of the Aristotelian golden mean and related ideas of moderation in the literature and thought of early modern Spain 1500-1700 It explores the Golden Age understanding of Aristotle's doctrine as a prolegomenon to literary study and its allegorical reformulation in the myths of Icarus and Phaethon before arguing that scrutiny of how the mean and the related concept of ethical moderation are treated by early modern authors represents a vital but underexploited tool for literary analysis Particular attention is paid to detailed case studies of works by three canonical authors Garcilaso Calderón Gracián demonstrating the value of the mean as a locus

of critical attention as analysis of its presentation allows several long standing disputes in the scholarship on these authors to be newly resolved

Ovid's Terence Iris Brecke, 2023-11-20 This book investigates the complex reception of Terence in Ovid and a number of allusions to the Terentian comedies in the love elegies and the exilic elegiac epistle Tristia 2 The genres of Latin love elegy and New Comedy are often seen as closely

connected in research and one leading view is that Latin love elegy to a large degree springs out of the comic genre. However, though both genres are strongly rooted in social practice and presents interpersonal relationships in a non-mythological everyday setting, there are also major differences between them. Marriage, for instance, is the conventional goal for the young lover within the comic genre, whereas the elegiac lover should avoid it. Taking into account both the similarities and the crucial differences between the comic genre and Latin love elegy and key elegiac topoi such as *seruitium amoris* and *militia amoris*, this book demonstrates an intricate connection between Ovid and Terence and a complex nexus of allusions that goes straight to the core of Ovid's elegiac authorship. Winner of the Trends in Classics Book Prize 2023

Shakespeare and His Love: A Play in Four Acts and an Epilogue Frank Harris, 2023-09-22. Reproduction of the original. Lacan on Love Bruce Fink, 2017-09-05. Quintessentially fascinating love intrigues and perplexes us and drives much of what we do in life. As wary as we may be of its illusions and disappointments, many of us fall blindly into its traps and become ensnared time and again. Deliriously mad excitement turns to disenchantment if not deadening repetition and we wonder how we shall ever break out of this vicious cycle. Can psychoanalysis with ample assistance from philosophers, poets, novelists and songwriters give us a new perspective on the wellsprings and course of love? Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is? In this lively and wide-ranging exploration of love throughout the ages, Fink argues that it can. Taking within his compass a vast array of traditions from Antiquity to the courtly love poets, Christian love and Romanticism and providing an in-depth examination of Freud and Lacan on love and libido, Fink unpacks Lacan's paradoxical claim that love is giving what you don't have. He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don't have. This first-ever commentary on Lacan's Seminar VIII, *Transference*, provides readers with a clear and systematic introduction to Lacan's views on love. It will be of great value to students and scholars of psychology and of the humanities generally and to analysts of all persuasions. Love's Match Judith Keim, 2025-02-18.
