Dowling, 2020-12-08 In *The Aquarian Gospel of Jesus the Christ* Levi H Dowling presents a unique synthesis of spiritual philosophy and mystical teachings derived from various religious traditions Written in a poetic and narrative style the text recounts the life and teachings of Jesus outside traditional biblical accounts drawing from the author's interpretations of hidden wisdom Set in a literary context that seeks to bridge Eastern and Western spiritualities the work reflects the mysticism prevalent in the early 20th century resonating with the growing interest in esotericism and the New Age movement Levi H Dowling an American spiritualist and a devoted student of the mystical traditions felt compelled to explore a more expansive understanding of Christ's life His experiences and studies in spiritualism and metaphysical thought provided a rich backdrop for the creation of this gospel Dowling's ambition was not only to reclaim Jesus's message from rigid orthodoxy but also to promote a universal spirituality that transcends cultural and religious boundaries This book is highly recommended for readers interested in alternate spiritual narratives and those seeking a deeper understanding of the teachings of Jesus Dowling's rich amalgamation of spirituality and philosophy invites readers to engage with a perspective that encourages personal exploration and enlightenment *House Beautiful* , 1899 [The Sacred Foodways of Film](#)
