13 14 For such are false apostles deceitful workers transforming themselves into apostles of Christ And no wonder For Satan himself transforms himself into an angel of light NKJV It is now very difficult to tell the difference between righteous and unrighteous good and evil clean and unclean holy and unholy and sacred and secular The false prophets select the parts of the scripture that will support their philosophical and psychological intentions and deceive many into thinking that they are real It is time for men and women to guide themselves with the spirit of discernment This book reveals what to watch for so that you do not fall into their traps They generally do not preach salvation They may call the name of God and Christ but will never want you to be saved They make you feel good and comfortable and never challenge you to come out of your sins and submit to God **Puzzle Master** T.J. McKenna,2023-02-13 Cephas Paulson was born to solve puzzle that nobody else can solve a talent the U S government has exploited with deadly results Living in 2202 A D his is a world dominated by apathy and hedonism where religion is banned and the few remaining Christians hide in the shadows Known worldwide as The Cult Hunter Cephas is largely responsible for putting them there Now living a quiet life as a religious history professor Cephas is reluctantly called out of retirement when the government sends him on a high stakes mission designed to crush Christianity once and for all As the puzzles begin to unravel Cephas struggles to find the one answer that has always eluded him the solution to his own desire to explore faith rather than destroy it To do so he finds himself walking a dangerous line between two worlds and two beautiful women One represents the temptations of the outwardly utopian world of man while the other the Godly world that he s secretly trying to understand Unfortunately neither these worlds nor these women are truly what they appear to be leaving Cephas to wonder if the Cult Hunter has become the hunted **Pages in My Life** Albrishia Lyons,2018-07-12 Pages in My Life The Expected and Unexpected prepares you for expected and unexpected challenges that life hands you helps you overcome old issues and gives you the experience of knowing you are self aware I am who I am Deep down inside do I really have a clue of who I am As adults life starts throwing us curveballs a struggle almost every adult goes through One day we may be dealing with relationship problems the next day it may be a problem within ourselves But how we deal with it will ultimately determine our happiness It took me a long time to be comfortable with who I am and where Im at in life Pages in My Life The Expected and Unexpected taught me how to become a better me It prepared me for future expectations opened my mind to new ideas and showed me that having a positive outlook on life will get me to where I want to be in life Not everyone is going to agree with what Im saying but changing the way we view the past and bringing our future into existence prepares us for the expected and unexpected views of life Do you have a clear mind set of who you truly are The truth is someone else may have a better understanding of your personality than you because you are not self aware and you dont know who you are Try changing your lifestyle up Do things you have never thought to do like facing your fears How can you face your fears Write about it speak it into existence and motivate yourself to overcome it Overcoming problems that life hands you is not a simple task When you start to work on your life challenges become much easier to accomplish Let
