## **Love Sex And Communication For Everyone:**

**LoveSex** Cabby Laffy, 2018-05-08 This book looks at how our brains minds bodies and emotions interact to create our experience of sexuality and how we can create a sense of sexual self esteem and a nutritious sexual diet for ourselves As the author notes in her Introduction we think and talk about sex as something we do rather than sexuality being something that we have and being sexual as something that we are We talk little about feeling sexual or the emotional and relational reasons for sexual desire about the fact that it is usually an other that we want to be sexual with Our focus seems to be on how much sex we can have rather than how we want to express ourselves sexually This book challenges the cultural commodification of sex and sexuality and encourages the reader to experience being sexual rather than doing sex or looking sexy This is crucial to our development of sexual self esteem particularly in an era of ubiquitous online pornography **Wild : A**

**COMPILATION OF SHORT STORIES Book One** Tristan Wilde, 2023-09-30 Why I write about sex I noticed over many years in my time with others learning people s personal and intimate thoughts that sex is suppressed in most people s eyes They feel it s not to be talked about It s bad It should be hidden People are embarrassed by it Etc Well that s dumb That s a lie It s someone else talking It s dishonest communication Everyone loves sex Everyone Sex is beautiful Sex is the binding of each other It should not be a nervous subject rather we should be comfortable with it Sex is something that we all love so deeply I like to write about it in a loving and beautiful way And sometimes just in a very sexy and creative way only My point is always the same Sex is beautiful and it should be portrayed honestly as such What inspires me to write It s you It s the inclusiveness of others that interests me How will you receive it What words scenarios and twists will pull you in so you feel yourself come to life in the story What makes it yours That s the stuff that makes my mind hum I can t wait to find you in there
