Love That Detail:

A Detailed Explication of T. S. Eliot's The Love Song of J. Alfred Prufrock Harry Eiss, 2022-03-22 Do I dare disturb the universe This is a question recognized by people around the world If typed into the internet hundreds of examples appear Many know that it comes from one of the best known poems of the previous century T S Eliot s The Love Song of J Alfred Prufrock What many do not know is that Eliot dramatically shifted his views at the height of his fame for writing such dark poetry as this and The Waste Land becoming a sincere devoted Christian While his poetry is famous because it expresses the loss of a spiritual center in European civilization a careful reading of it reveals that he was struggling with his Christianity from the beginning not rejecting it but trying to make it fit into the contemporary world If the reader works through Eliot s love song for all of the esoteric meanings as he demands it quickly becomes evident that he intended it as a struggle between agape amour and eros Beginning it with a quote from Dante forces that into place Though the protestant forms of Christianity have changed their views on these the Roman Catholic holds fast Eliot references Michelangelo in the poem bringing in the great painter of the ceiling of the Sistine Chapel Most immediately recognize his name and work but do not realize how he expressed a similar personal struggle between the desires of the flesh and the spirit Both of them admired Dante s Divine Comedy and its inclusion of amour as a means to salvation Dante s work is generally seen as the greatest literature ever to come out of Italy This book is an expanded revision of Seeking God in the Works of T S Eliot and Michelangelo It explores how T S Eliot struggled with the highest meanings of existence in his poetry and his own life and perhaps managed to express what has become known as a modernist and post modernist view of what Rudolph Otto designated the *mysterium tremendum* the experience of a mystical awe the experience of God *Love in the Details* Becky Wade, 2015-10-27 Holly ended things to give him a better life but she was the future he d always dreamed of Eight years have passed since Holly last saw her high school sweetheart Josh Now the wedding of Josh s best friend has brought him back to Martinsburg Texas His duties as best man and Holly s as the church s volunteer wedding coordinator link them together As they work behind the scenes to plan a beautiful November wedding for their friends they re forced to confront painful reminders of what might have been Holly broke up with Josh all those years ago in an attempt to ensure his future success However she never told him the true reason behind her actions and now must decide whether to keep her secret hidden She s terrified of letting herself fall for him because she barely managed to piece her life back together after losing him the last time Not a day s gone by since Josh parted from Holly that he hasn t thought about her The pain of the past eight years has been too much to bear and he doesn t want to make himself vulnerable to her again But the more time he spends with her the harder it is to deny the love he still has for her Will Josh and Holly risk their hearts on the hope that God s timing really can be best **Love's Curriculum** Jenny Hogg Ashwell, 2015-11-11 As our companions through the current spiritual Awakening Jesus the archangels and other spiritual teachers have gathered as the High Council and now share with us in Love s

Curriculum their messages of enlightenment These Divine messages have a clear goal To awaken us to the Love that connects all You hold in your hands the High Council s gift to you a guidebook for this journey Through Divine grace and enormous trust Jenny Hogg Ashwell travelled a path from lawyer to student of spirituality and mother of three to spiritual counselor and intuitive to learn of her soul s assignment to scribe Love s Curriculum for the High Council and bring forth their messages to the world It is with great humility courage and gratitude that she has done just this Now it is your turn Let Love s Curriculum gently awaken within you the memory of Love as you uncover your soul s Divine purpose Let it guide you to ignite Love in the world The time has come to join in the Awakening We wish for you to read Love s Curriculum Within its pages you will find the Bounty of Love and Light to which you have been called for which you have been dreaming and desiring to fill within you the void Within its pages are the answers contained the magic brought forth the truth illuminated for all to hear and see Let Love s Curriculum help you on your journey to awaken to Love It is time The High Council

My Type of Holiness Rose Sweet,2025-08-30 Are you trying to be your best but just can t seem to get past your own shortfalls Fear not Your unique and beautiful temperament may hold the key to becoming the saint God made you to be And just as he did with the saints before us God will build upon your temperament to bring you to perfection Whether you already know your temperament some combination of deep

Melancholy peaceful Phlegmatic take charge Choleric or playful Sanguine or you have never been introduced to the four classic temperaments My Type of Holiness provides meaningful practical insight and guidance interspersed with inspiring profiles of saints This book helps give you a fuller understanding of the way God made you and how he wants to perfect you Properly understood the love and study of temperaments should be a doorway to holiness As well as giving you self knowledge this book can lead you more deeply into relationship with God *Justice and Love* Mary Zournazi, Rowan Williams, 2020-11-12 How do we see and act justly in the world In what ways can we ethically respond to social and economic crisis How do we address the desperation that exists in the new forms of violence and atrocity These are all questions at the heart of Justice and Love a philosophical dialogue on how to imagine and act in a more just world by theologian Rowan Williams and philosopher Mary Zournazi Looking at different religious and philosophical traditions Williams and Zournazi argue for the re invigoration and enriching of the language of justice and by situating justice alongside other virtues they extend our everyday vocabularies on what is just Drawing on examples ranging from the Paris Attacks the Syrian War and the European Migrant Crisis to Brexit and the US Presidential elections Williams and Zournazi reflect on justice as a process a condition of being a responsiveness to others rather than a cold distribution of fact By doing so they explore the love and patience needed for social healing and the imagination required for new ways of relating and experiencing the world

Studies in the psychology of sex. v.5, 1906 Havelock Ellis, 1906 *Love, Beauty or Morality* Alberto Castelli, 2024-05-23 This book is moved by two main questions Is Love a matter of beauty or mortality In other words is love an ethical ideal Also modernity understood as the age of mechanical reproduction has shaped not simply our cities but our very same way of feeling How has our conception of love changed if it has in the past two centuries This book is to address these questions It is not to trace the evolution of the idea of love in Western culture from Plato to the present day It aims to bring to the surface different shades of love lingering at the heart of Western culture to rehabilitate the myth of love to its original credibility Our confused civilization has split love into sensual and moral aspects but to be aware of it is perhaps to defeat a dilemma that seems so unnatural This book is about how we make sense of our lives through love and how nineteenth and twentieth century literature records it **A Love for Nothingness, A Love for Death** Alberto Castelli, 2024-06-15 This book aims at explaining romantic love between straight adults through literary texts of the western canon from the nineteenth and twentieth century Each chapter comes with a multidisciplinary approach in which protagonists are mutilated in their quest for loving as alternative to annihilation The book emphasizes love as an obsession thus as an exploration of the mind From the passion myth of Tristan and Isolde to the nihilist modernist representations the western world has created a perverse concept of love A love for nothingness for death Narcissistic and at times destructive love is gained by overcoming obstacles If without obstacles there is no love then love becomes love for obstacles Within this masochistic frame love falling in love being loved always stand at the edge of pathology At its core this book narrates a love story more precisely a story of loves

the haunting evocation of a desire that by its very nature cannot be fulfilled Inherent in the nature of love is a subtle dialectical activity between presence and absence between creation and destruction reality and void Accordingly the narrative raises questions that the past two centuries were incapable of answering Does love only last the time of a kiss Is its promise fatally destined to dissolve What about violence Physical emotional temporal Is it an ineliminable part of love or its most extreme profanation And what is the mystery that accompanies loves that know how to last without resigning themselves to the death of desire It is to answer some of these questions that I wrote this text Love is an unconscious process that dominates reason and destroys it when reason cannot be a mode of communication Hence the amorous romance is madness and this text is written as a loud reminder
