Heartbeat of God David Peckham,2015-09-15 The difference between one person and another both now and then in eternity is relationship While every person has a relationship with God Creator and creation a second relationship is the foundation of communion and fellowship with Him The Bible speaks of this new relationship as a new creation those who are in Christ Prior to the new birth in Jesus Christ sin has made it impossible for any person to commune with God Peoples and tribes throughout the world have created their own gods with whom they attempt to communicate but their attempts are futile unless they come to God through Jesus Christ

Will and Grace Hune Margulies,2017-11-13 This book is a poetic reading of the dialogical philosophy of martin buber my reading of martin buber takes me to this principal insight god is not in heaven nor on earth god is not above nor below not within and not without not in the soul or in the flesh god is not an entity anywhere god is the between of an i and a thou these pages are not an academic study in the strict sense my meditations in this book are not a literal description of buber s philosophy for buber would never have approved of taking his words in any way other than in dialogue buber wrote in dialogue with the reader and i read buber in the poetic philosophy of his words in other words we can say that the essential thinking in martin buber s philosophy is that the presence of god in us is always enacted as the presence of god between us god like love like poetry is a deed we do the god deed is actualized not in rituals or temples but in the practices of the sacraments of the neighbor for there is nothing we can predicate of god but we can still meet god in the embrace of the neighbor we meet god as we meet with one another in genuine relationship god is not in the relationship god is the relationship god is no thing but there is nothing that isn t god in the between of an i and a thou
