Love And Life Behind The Purdah:

Love and Life Behind the Purdah Cornelia Sorabji, 1901 Cornelia Sorabji 1866 1952 was a pioneer in the tradition of Indian Parsee women's literature in English. This collection of Sorabji's short stories reflects her fascination with orthodox Hindu women and her frustrated feminist ambitions to liberate them from their enforced or self-willed domesticity. **Love and Life Behind the Purdah** Sorabji Cornelia, 2021-08-10 Love and Life Behind the Purdah 1901 is a collection of short stories by Indian writer lawyer and social reformer Cornelia Sorabji. Raised by Christian missionaries, Sorabji trained as a lawyer at Oxford University before returning to India to work with women and orphans across the country. Her fictional work illustrates a creative imagination and well-rounded sense of the diverse political and religious identities that make up the population of India. In her first published book, Sorabji spins tales of women and children from varied sociopolitical backgrounds. Writing on the Hindu purdah-nashin women cut off from the outside world, Sorabji drew on her experience as a litigator representing these oppressed figures in legal cases regarding property rights and other instances of oppression. Other stories in the collection follow Zoroastrian priestesses and the lives of orphaned children, character studies which serve as crucial catalysts for the discussion of child marriage, the practice of sati, and other controversial traditions prominent in India in the nineteenth century. Love and Life Behind the Purdah is a beautiful, informative meditation on the necessity of perseverance in the face of famine, disease, silence, and death. A lawyer at heart, Sorabji weaves powerful political commentary into her vibrant prose portraits of women and children down but never out. With a beautifully designed cover and professionally typeset manuscript, this edition of Cornelia Sorabji's Love and Life Behind the Purdah is a classic work of Indian literature reimagined for modern readers. *Love and life behind the purdah, with an introd* Cornelia Sorabji,

Indian Women's Short Fiction Joel Kuortti, Mittapalli Rajeshwar, 2007 Although Indian Women's Short Fiction has always enjoyed equal importance and popularity as their novels, very little critical attention has been paid to it so far. Indian Women's Short Fiction seeks to fulfil this long-felt need. It puts together fifteen perceptive and analytical articles by scholars across the world. The articles, which are focussed on native Indian writing as well as diasporic short fiction, deal with such interesting literary issues as construction of femininity, disablement and enablement, Bengali heritage, hybrid identities, nostalgia, representation of the partition, violence, tradition and modernity, and cultural perspectivism. It is hoped that the book will prove useful to scholars interested in short fiction studies in general and Indian women's short fiction in particular. *A History of Black and Asian Writing in Britain* C. L. Innes, 2008-08-14 This is the first extended study of black and Asian writing in Britain over the last 250 years. [A Critical Study of Novels and stories in English in India and Abroad](#) Samiran Kumar Paul, 2024-10-04 This book is expected to be of great help to students and teachers in studying English literature, especially in fiction and non-fiction writings. Indian and African American literature. It deals with several ideologies and theories in order to evaluate the chosen authors in English. *ESSENCE OF LITERATURE*

Opening Doors Richard Sorabji,2010-05-30 Clever attractive and ambitious intellectually daring and physically courageous Cornelia Sorabji was a truly remarkable woman As India s first female lawyer she was original and often outspoken in her views for example in her criticism of Gandhi and her surprising friendship with Katherine Mayo Cornelia Sorabji resists easy classification either as a feminist or as an imperialist She is an Indian whose loyalty to the British Raj never wavered a passionate advocate of women s rights whose own career was nearly compromised through her inappropriate relationship with a married man and an independent and free thinking intellectual who depended for work on patronage from an elite circle Cornelia Sorabji s long and fulfilling life was anything but simple How did she reconcile these apparent contradictions How did she succeed in opening doors to aspects of Indian and British life which remain closed to so many even today and where did she run into difficulties Through its beguiling portrait of a determined and pioneering woman at the heart of the Raj this rich and important story will captivate everyone with an interest in Indian or British history

Women in Medicine in the Long Nineteenth Century Claire Brock,2024-07-31 As an exciting challenging and for some repulsive novelty and phenomenon the medical woman was fictionalised swiftly in the second half of the nineteenth century

This volume reproduces literary examples which explore the many facets of women's entry into the medical profession and their experiences once qualified. This volume broadens literary and cultural understanding of female doctors through the selection of sources which are less well known or more difficult to find as well as considering global examples or contexts. By including sources which reveal both supportive and derogatory assessments and by male and female authors a wide range of opinions regarding women's efficacy as medical practitioners are considered. Accompanied by extensive editorial commentary this title will be of great interest to students of Women's History and the History of Medicine. *India in Britain* Susheila Nasta, 2012-11-16 Moving away from orthodox narratives of the Raj and British presence in India this book examines the significance of the networks and connections that South Asians established on British soil. Looking at the period 1858-1950 it presents readings of cultural history and points to the urgent need to open up the parameters of this field of study.
