Love And Other Infectious Diseases:

Love and Other Infectious Diseases Molly Haskell, 1990 The author recounts her marriage to fellow film critic Andrew Sarris and the challenges they faced when he was stricken with a lengthy illness Love and Other Infectious Diseases Molly Haskell, 1993-07-01 *Love and Other Infectious Diseases* Molly Haskell, 2000 My husband awoke one night with a fever of 105.9 I rushed him to the Emergency room of a New York hospital and there began a six month drama in which doctors tried to figure out what was wrong with him while I alternated between hope and despair For the three months that Andrew remained critically ill and deranged hallucinating most of the time he was no longer the lover friend fellow critic and confidant I was used to Eleven years my senior Andrew had been my mentor as a writer and established film critic and now I might be on my own Terrified by the possibility of Andrew's death and forced by that terror to look inward I began to see the extent of my dependency on a marriage that had seemed perfectly equal perfect in fact I think of the book as both a thriller and love story a hospital suspense melodrama as it tracks the ups and downs of a husband's illness and the memoir of a marriage that focuses on my own spiritual and psychological journey The Practice of Autonomy Carl Schneider, 1998 Exploring what patients do want gives direction to the author's inquiry into what they should want What patients want he believes is properly more complex and ambiguous than being empowered In this book he charts that ambiguity to take the autonomy principle past current pieties into the uncertain realities of the sick room and the hospital ward *The Practice of Autonomy* is a sympathetic but trenchant study of the animating principle of modern bioethics It speaks with freshness insight and even passion to bioethicists and moral philosophers about their theories to lawyers about their methods to medical sociologists about their subject to policy makers about their ambitions to doctors about their work and to patients about their lives BOOK JACKET The Book of Marriage Dana Mack, David Blankenhorn, 2001-03 Couples spend an enormous amount of time and energy planning for the perfect wedding But what about planning for the perfect marriage In these times of rampant divorce and relationship crises it makes sense to think seriously about the many challenges of married life that loom so large today *The Book of Marriage* offers a treasury of marital wisdom from across the ages Intellectually engaging morally responsible and ideologically balanced this anthology gathers some of the deepest wittiest and most edifying perspectives on the big questions of married life Why get married at all Can love last a lifetime How do we handle money Who's the boss What about children Conflict Growing old Illness and death There is even a chapter on divorce one calculated to save a few marriages To date there has been no single comprehensive book of source readings on marriage and family life Assembled with the aid of noted scholars from various fields this volume treats marriage as more than just a relationship as an institution a vocation and a source of great spiritual and emotional rewards Each chapter introduces a different quandary of marriage and then culls the best from ancient and modern writings on the theme The compendium of cultural wisdom on marriage ranges from the Bible and Eastern wisdom to Aristotle St Augustine Maimonides and Judith

Wallerstein from Homer Shakespeare Milton and Jane Austen to Edward Albee Gabriel Garcia Marquez and Bill Cosby An important resource for young adults college students engaged and married couples educators marriage counselors therapists pastors and other family professionals The Book of Marriage celebrates the diversity and essential humanity of the marital experience in a way that is accessible entertaining and eminently useful *The Caregiver's Tale* Ann

Burack-Weiss,2006-03-14 Ann Burack Weiss explores a rich variety of published memoirs by authors who cared for ill or disabled family members Contrary to the common belief that caregiving is nothing more than a stressful situation to be endured memoirs describe a life transforming experience self discovery a reordering of one's priorities and a changed view of the world The Caregiver's Tale offers insight and comfort to individuals caring for a loved one and is a valuable resource for all health care professionals Identifying common themes Burack Weiss describes how the illness career and social meaning of cancer dementia HIV AIDS mental illness and chemical dependence affect the caregiving experience She applies the same method to an examination of family roles parents caring for ailing children couples and siblings caring for one another and adult children caring for aging parents Jamaica Kincaid Sue Miller Paul Monette Kenzaburo O and Philip Roth are among the many authors who share their caregiving stories Burack Weiss provides an annotated bibliography of the more than one hundred memoirs and an accompanying chart to help readers locate those of greatest interest to them **The**

Complete History of American Film Criticism Jerry Roberts,2010-02-01 The Complete History of American Film Criticism is a chronicle of the lives and work of the most influential film critics of the past 100 years From the first movie review in the New York Times in 1896 through the Silent Era the pre and postwar years the Film Generation of the 1960s the Golden Age of the 1970s and into the 21st century critics have educated generations of discriminating moviegoers on the differences between good films and bad They call attention to great directors cinematographers production designers screenwriters and actors and shed light on their artistic visions and storytelling sensibilities People interested in what the great film critics had to say have usually been shortchanged as to their backgrounds and just why they are qualified to sit in judgment Using mini biographies placed within a chronological framework The Complete History of American Film Criticism is the biography of a profession whose cultural impact has left an indelible mark on the 20th century's most significant art form *Late-Life*

Love: A Memoir Susan Gubar,2018-11-13 Winning and intelligent An impressive often heartening addition to the literature of aging Heller McAlpin Wall Street Journal In this unique blend of memoir and literary commentary Bookpage acclaimed author and literary scholar Susan Gubar contemplates the beauty and strength of enduring love both for her husband and for the literature that has shaped her life Throughout the complications of devoted caregiving her own ongoing cancer treatments and a stressful move to a more manageable apartment Gubar proves that love and desire have no expiration date on the page or in life Late Life Love offers a resounding retort to ageist stereotypes appraises the obstacles unique to senior couples and celebrates second chances **Writing the Self in Bereavement** Reinekke Lengelle,2021-01-07 Winner ICQI

2022 Outstanding Qualitative Book Award In Writing the Self in Bereavement A Story of Love Spousal Loss and Resilience Reinecke Lengelle uses her abilities as a researcher poet and professor of therapeutic writing to tell a heartfelt and fearless story about her grief after the death of her spouse and the year and a half following his diagnosis illness and passing This book powerfully demonstrates that writing can be a companion in bereavement It uses and explains the latest research on coming to terms with spousal loss without being prescriptive Integrated with this contemporary research are stories poetry and reflections on writing as a therapeutic process The author unflinchingly explores a number of themes that are underrepresented in existing resources how one deals with anger associated with loss what a healthy response might be to unfinished business with the deceased continuing conversations with the beloved even for agnostics and atheists ongoing sexual desire and secondary losses As a rare book where an author successfully combines a personal story heart rending poetry up to date research on grief and an evocative exploration of taboo topics in the context of widowhood Writing the Self in Bereavement is uniquely valuable for those grieving a spouse or other loved one those supporting others in bereavement and those interested in the healing power of poetry and life writing Researchers on death and dying grief counsellors and autoethnographers will also benefit from reading this resonant resource on love and loss

Wedding Toasts I'll Never Give Ada Calhoun, 2017-05-16 Seven essays celebrating the beauty of the imperfect marriage We hear plenty about whether or not to get married but much less about what it takes to stay married Click s around marriage eternal bliss domestic harmony soul mates leave out the real stuff After marriage you may still want to sleep with other people Sometimes your partner will bore the hell out of you And when stuck paying for your spouse s mistakes you might miss being single In Wedding Toasts I ll Never Give Ada Calhoun presents an unflinching but also loving portrait of her own marriage opening a long overdue conversation about the institution as it truly is not the happy ending of a love story or a relic doomed by high divorce rates but the beginning of a challenging new chapter of which the first twenty years are the hardest Calhoun s funny poignant personal essays explore the bedrooms of modern coupledness for a nuanced discussion of infidelity existential anxiety and the many other obstacles to staying together Both realistic and openhearted Wedding Toasts I ll Never Give offers a refreshing new way to think about marriage as a brave tough creative decision to stay with another person for the rest of your life What a burden Calhoun calls marriage and what a gift

Fragments on the Deathwatch Louise Harmon, 1999-02-23 Keeping vigil over the dying is an essential human practice with long cultural traditions and profound psychological benefits Yet as legal scholar Louise Harmon shows the institutions of modern life from hospitals to courtrooms intrude on the practice In this humane and lyrical book Harmon looks at literature philosophy history and autobiography as she delicately probes the taboos around discussion of death She asks whether the law can recognize the needs of families and loved ones and protect the space of their grieving
